## Directors' report

The directors' present their annual report and the audited financial statements for the year ended 30 April 2015.

The directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

### Principal activities

The principal activities of the company in the year under review were those of property trading and development.

### Directors

The directors shown below have held office throughout the year, and subsequently:

Mr B W Ritchie

Mr B Palos

### Going concern

The directors have a reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future. Accordingly, the company continues to adopt the going concern basis in preparing the financial statements.

### Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the directors' are aware, there is no relevant audit information of which the company's auditor is unaware; and
- the directors' have taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to continue in office as auditor and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors  
and signed on behalf of the Board

Mr B W Ritchie  
Director

## **Directors' responsibilities statement**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent auditor's report to the members of Greatspan Limited**

We have audited the financial statements of Greatspan Limited for the year ended 30 April 2015 which comprise the Profit and Loss Account and the Balance sheet and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 April 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from preparing a Strategic Report or in preparing the Directors' Report

## **Notes to the financial statements** **Year ended 30 April 2015**

### **1. Accounting policies**

#### **Accounting convention**

The financial statements have been prepared under the historical cost convention and on the going concern basis.

They have been drawn up to comply with applicable United Kingdom accounting standards, which have been applied consistently throughout the current and previous year.

#### **Going concern**

The directors have a reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future. Accordingly, the company continues to adopt the going concern basis in preparing the financial statements.

#### **Cash flow statement**

The directors have taken advantage of the exemption in FRS 1 "Cash Flow Statements" (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is wholly-owned and its parent publishes consolidated financial statements.

#### **Turnover**

Turnover comprises income in relation to the sale of properties, is recognised on the point of completion and originated in the United Kingdom.

#### **Stocks**

Stocks are stated at the lower of cost and net realisable value. Net realisable value is based upon estimated selling price, less costs to be incurred to completion and disposal.

#### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the group's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

#### **Taxation**

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### **Rental income**

Rental income is measured at the fair value of the consideration received or receivable on an accruals basis and is stated net of discounts and VAT.

## Notes to the financial statements (continued) Year ended 30 April 2015

### 2. Operating loss

Fees payable to the company's auditor for the audit of the company's accounts of £630 (2014: £630) have been borne by another group company.

There were no non-audit fees for the current year or previous year.

The company has not had any staff during the current or previous year.

The directors have not received any remuneration for their services in the current or previous year.

### 3. Taxation

No liability to UK corporation tax arose on ordinary activities for the year ended 30 April 2015 nor for the year ended 30 April 2014.

#### Factors affecting the tax charge

The tax assessed for the year is different to the standard rate of corporation tax in the UK. The difference is explained below:

	2015 £	2014 £
Loss on ordinary activities before tax	(9,722)	(18,435)
Loss on ordinary activities multiplied by the blended rate of corporation tax in the UK of 20.92% (2014: 22.81%)	(2,034)	(4,205)
Effects of:		
Losses transferred to other group companies for nil consideration	2,034	4,205
Current tax charge	-	-

#### Factors that may affect future tax charges

A deferred tax asset of £14,726 (2014: £14,726) relating to an unrelieved tax losses at the balance sheet date has not been recognised on the basis there is no certainty that there will be future taxable profits against which these can be offset.
