DIRECTORS' REPORT

for the year ended 31 December 2015

Principal activities and business review

During the period the Company acted as a bare nominee for Citibank International Limited ("CIL") in relation to property investments of which the parent is a trustee.

As mentioned below as a post balance sheet event, on 1 January 2016, the parent company has changed as a result of a merger of Citibank Europe plc ("CEP") and CIL, with CEP remaining as the surviving entity. Due to this merger, CEP replaced CIL as the Company's immediate parent undertaking.

The Company did not earn any revenues nor incur any expenses during the year or in the preceding year and, as a consequence, the Company has made neither a profit nor a loss in respect of the year or preceding year. The state of affairs of the Company as at the year end are detailed in the balance sheet.

The financial statements are prepared on a going concern basis, as the Directors are satisfied that the Company has the resources to continue in business for the foreseeable future. The Directors have no plans to change the Company's principal activities.

Dividends

The Company did not pay an interim dividend during the year (2014: £nil) and the Directors do not recommend the payment of a final dividend in respect of the year (2014: £nil).
