The Directors' Report

Year Ended 31 December 2013

The directors present their annual report together with the unaudited financial statements of the company for the year ended 31 December 2013. The company is dormant and has not traded during the year.

Directors

The directors who served the company during the year were as follows:

Sir Michael Marshall, CBE DL

R D Marshall

W C M Dastur

P Cakebread

F Laud

D Gupta

In accordance with the Articles of Association, R D Marshall and D Gupta retire by rotation and, being eligible, offer themselves for re-election.

The parent company has granted an indemnity to one or more of its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006. Such qualifying third party indemnity provision remains in force as at the date of approving the directors' report.

Going concern

The company's business activities, together with the factors and risks likely to affect its future development and position, are set out in the Directors' Report on page 1.

The company participates in the group's treasury arrangements coordinated by the company's parent Marshall of Cambridge (Holdings) Limited. Under this arrangement, it has access to and shares banking arrangements and facilities with its parent and fellow subsidiaries. The directors, having considered the company's forecast cash flows for the foreseeable future and having assessed the responses of the directors of the company's parent Marshall of Cambridge (Holdings) Limited to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Marshall of Cambridge (Holdings) Limited group to continue as a going concern or its ability to continue with the current banking arrangements.

On the basis of their assessment of the company's financial position and of the enquiries made of the directors of Marshall of Cambridge (Holdings) Limited, the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

This report was approved by the board on 29 April 2014, and signed on its behalf:
