Notes to the Abbreviated Accounts
for the Year Ended 31st August 2014

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of goods and services supplied to customers during the year, net of Value Added Tax and trade discounts.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on cost
Motor vehicles	- 25% on cost

Cost is defined as the purchase cost less any residual value.

Depreciation is charged from the month of acquisition at the above rates.

The net book values of the assets are regularly reviewed by the directors and further adjustments to carrying values are made where considered appropriate.

Deferred tax

Deferred taxation is recognised in respect of all significant timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date. Full provision is made without discounting for all significant deferred tax liabilities. Significant deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered against taxable profits.
