Notes to the Abbreviated Accounts

for the year ended 30th September 2009

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The directors believe the company has sufficient financial resources to meet its financial commitments as they fall due over the next 12 months. Therefore, the company's financial statements continue to be prepared on a going concern basis, despite the balance sheet reporting net liabilities.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of work executed during the year, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Plant and machinery etc - 20% on cost

Deferred tax

Deferred tax liabilities are recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, which give rise to a future tax charge.

Deferred tax assets are only recognised when evidence exists to support their future recoverability.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
