Qualifying third party indemnity provisions

During the financial year, a qualifying third party indemnity provision for the benefit of the directors was in force.

Directors' responsibilities statement

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Report

For the year ended 31 December 2013

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditor in connection with preparing its report and to establish that the company's auditor is aware of that information.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by part 15 of the Companies Act 2006.

Auditor

The auditor, Grant Thornton UK LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board on 16 APRIL 2014 and signed on its behalf.

Independent Auditor's Report to the Members of Verivox Holdings Limited

We have audited the financial statements of Verivox Holdings Limited for the year ended 31 December 2013, which comprise the profit and loss account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Auditing Practices Board's website at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the Members of Verivox Holdings Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Directors' report.

Notes to the Financial Statements

For the year ended 31 December 2013

1. Accounting Policies

1.1 Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Consolidated financial statements

The company has taken advantage of the exemption under section 400 (1) of the Companies Act 2006 not to prepare consolidated accounts as consolidated accounts are prepared by the immediate parent company, VVX Investments Limited, a company incorporated in the United Kingdom.

These financial statements present information about the entity as an individual undertaking and not about its group.

1.3 Turnover

Turnover represents management charges to subsidiary undertakings provided during the course of the year, exclusive of VAT. All turnover arises in the United Kingdom.

1.4 Intangible fixed assets

Trademarks, patents, licences and similar rights are recorded at cost and amortised over the directors' estimate of their useful life (5 years).

1.5 Leased assets

Leases under which all of the risks and benefits of ownership are effectively retained by the lessor are classified as operating leases. Rental costs arising from operating leases are charged to the profit and loss account on a straight line basis over the lease term.

1.6 Deferred taxation

Deferred tax is recognised in respect of timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred at the balance sheet date. Timing differences are differences between the company's taxable profit and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. A deferred tax asset is only recognised when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Amounts relating to deferred taxation are undiscounted as the impact would be insignificant to these financial statements.

Notes to the Financial Statements

For the year ended 31 December 2013

1. Accounting Policies (continued)

1.7 Foreign currency

Transactions denominated in foreign currencies are translated into euros at the rates of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are translated into euros at the rates of exchange prevailing at the year end. Exchange gains and losses are dealt with in the profit and loss account.

1.8 Fixed asset investments

Fixed asset investments are shown at the cost less amounts provided or written off for impairment.

1.9 Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to the financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

1.10 Cash flow statement

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1.

1.11 Functional currency

These financial statements have been prepared and presented in the company's functional currency which is the euro. The euro sterling exchange rate used at the balance sheet date is €1:£0.835 (2012: €1:£0.817).

16. Ultimate and immediate parent companies

The immediate parent company is VVX Investments Limited, a company incorporated and registered in England and Wales. Copies of the financial statements of VVX Investments Limited are available from Companies House.

VVX Investments Limited is a 51% subsidiary of VVX (Bermuda) Limited, which is considered to be the ultimate parent company by virtue of its controlling shareholding. Oakley Capital Private Equity L.P. is the ultimate controlling party.

The smallest and the largest group that prepares consolidated financial statements of which the company is a member is VVX Investments Limited.

17. Related party transactions

i) Transactions with related companies

APAG Services GmbH is a related party of Verivox Holdings Limited due to Alex Preston and Andrew Goodwin being common directors. During the year, APAG Services GmbH charged the company €44,205 (2012: €74,617) in respect of travel and accommodation costs incurred by Alex Preston and Andrew Goodwin. In addition, APAG Services GmbH charged the company €600,000 (2012: €400,000) for the provision of consultancy services during 2013. At 31 December 2013, Verivox Holdings Limited owed APAG Services GmbH €4,574 (2012: €270,087), included within other creditors.

(ii) Transactions with Oakley Capital Limited

Oakley Capital Limited is a related party by virtue of it being the investment adviser to Oakley Capital Private Equity L.P. During 2013, Oakley Capital Limited charged the company for office space rental and associated expenses. The total amount charged by Oakley Capital Limited to the company during 2013 was €9,560 (2012: €9,560).

Oakley Capital Limited also charged the company for the provision of director services during 2013. The total expense amounted to €25,000 (2012: €25,000) and the amount outstanding for director services, office space rental and associated expenses at 31 December 2013 was €10,368 (2012: €9,560), included within other creditors.

(iii) FRS 8 exemption

The company has taken advantage of the exemption in FRS 8 "Related Party Disclosures" and has not disclosed transactions with group companies which are wholly owned subsidiaries of VVX Investments Limited.
