Directors' report (continued)

The directors submit their annual report on the affairs of the company together with the financial statements and auditor s report for the year ended 31 December 2012. This directors report has been prepared in accordance with the special provisions relating to small companies.

Principal activities and business review

The company started direct sales to the UK and Irish markets from 1 January 2009. The main activities of the company are to promote sales in the UK and Irish market for organic laboratory chemicals for academic/industrial research and development activities. Furthermore, the company continues to investigate the UK and Irish markets in order to increase sales.

The results for the year are given in the profit and loss account on page 6 of the financial statements. The company incurred a loss after taxation of £196,005 (2011 loss of £223,064)

On 27 June 2013, 101 ordinary shares of £1 00 each were transferred from TCI Europe N V to TCI Deutschland GmbH As a result, the immediate parent company of TCI Europe Limited changed to TCI Deutschland GmbH On 13 July, the company allotted and issued 1,000 shares of £1 and at a premium of £1,499 per share to TCI Deutscland GmbH

Prospects

The directors anticipate that they will further develop the business in the future. To be able to do so a recruitment of an extra sales person is planned in the year 2013

Directors

The directors who served during the year are set out on page 1

Going concern

The company meets its day-to-day working capital requirements through support offered by its parent company. The ultimate parent company, Tokyo Chemical Industry Co, Ltd, has provided a written commitment of financial support, which is legally binding for at least 12 months from the date of approval of these financial statements

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies in note 1 of the financial statements

Financial risk management objectives and policies

Foreign exchange risk represents a challenging issue for the company as most purchases are denominated in foreign currency and the company does not use derivatives to manage its financial risks. In order to mitigate the risk the company looks to settle the creditor position with its sole supplier, TCI Europe NV, as regularly as possible to reduce the exposure to currency fluctuations.

Because of the trading nature of the company, the directors consider credit risk to be relevant to the company This risk is mitigated through credit control procedures and regular reviews of the trade debtors balance

Liquidity risk is also relevant for the company as, being in its infancy, it is yet to become profitable. This risk is mitigated through support from its parent company

Dividend

The directors do not propose the payment of a dividend in 2012 (2011 £nil)

Information to the auditor

Each of the persons who is a director at the date of approval of this report confirms that

Directors' report (continued)

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware,
- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

Auditor

Deloitte LLP have expressed their willingness to continue in office as auditor and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting

Approved by the board of Directors and signed on behalf of the Board

30 Sintember 2013

Seuchiro Asakawa

Director

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- · make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Tokyo Chemical Industry UK Limited

We have audited the financial statements of Tokyo Chemical Industry UK Limited for the year ended 31 December 2012 which comprise the profit and loss account, the balance sheet and the related notes 1 to 17 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditor

As explained more fully in the Directors Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of the company's loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- · certain disclosures of directors remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the Directors' Report

Notes to the financial statements Year ended 31 December 2012

1 Accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom. The accounting policy has been applied consistently in the current and prior year.

Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention

Going concern

The company s business activities, together with the factors likely to affect its future development, performance are set out in the Directors' Report on page 2. The company meets its day-to-day working capital requirements through support offered by its parent company. The ultimate parent company, Tokyo Chemical Industry Co., Ltd, has provided a written commitment of financial support, which is legally binding for at least 12 months from the date of approval of these financial statements.

As a result, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the accounts

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Office equipment

25% on cost

Taxation

Current tax, including UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Turnover

Turnover is stated net of VAT and trade discounts. Turnover from the sale of goods is recognised when the goods are physically delivered to the customer. Turnover from the supply of services represents the value of services provided under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due.

Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

Leases

Rental costs under operating leases are charged to the profit and loss account in equal annual amounts over the periods of the leases

Notes to the financial statements Year ended 31 December 2012

1 Accounting policies (continued)

Cash flow statement

The company has taken advantage of the exemption in FRS 1 from the requirement to produce a cash flow statement on the basis that it qualifies as a small company

2 Turnover

7 Taxation

	2012	2011
Analysis of tax charge in year Current tax	£	£
UK corporation tax on losses for the year	<u> </u>	-
Total current tax	-	-
	2012 £	2011 £
Deferred tax Total deferred tax	-	-
Tax charge on loss on ordinary activities		
Factors affecting tax charge for year Loss on ordinary activities before tax	(196,005)	(223,064)
Loss on ordinary activities multiplied by the relevant standard rate of corporation tax in the UK of 24 5% (2011 26 5%)	(48,021)	(59,112)
Effects of Expenses not deductible for corporation tax Capital allowances less than (in excess of) depreciation Tax losses not utilised	- 420 47,601	613 58,499
Current tax charge for year	-	-

A deferred tax asset has not been recognised in respect of timing differences relating to unutilised trading losses as there is insufficient evidence that the asset will be recovered. The amount of the asset not recognised is £242,979 (31 December 2011 £216,207)

Under UK GAAP, deferred tax is calculated at the tax rate that has been enacted or substantively enacted at the balance sheet date Legislation was passed in July 2012 to reduce the main rate of UK corporation tax from 24% to 23% from 1 April 2013 Hence, the tax rate of 23% has been applied in the calculation of the unrecognised deferred tax asset disclosed above

Further legislation was passed in July 2013 to further reduce UK corporation tax rate to 21% from 1 April 2014 and 20% form 1 April 2015 However, these further reductions to the tax rates have not been substantively enacted at te balance sheet date (31 December 2012) and are therefore not reflected in these financial statements
