Strategic report

The directors present their strategic report for BY Education (Waltham Forest) Limited (the 'Company') for the year ended 31 December 2016.

Principal Activities

The principal activity of the Company is the finance, design and construction, refurbishment and operation of educational facilities under the Government's Private Finance Initiative ("PFI"). The directors are not aware, at the date of this report, of any likely major changes in the Company's activities in the next year.

Review and analysis of the business during the current year

The Company continued its principal activities throughout the current year.

The Company has entered into a Project Agreement with the London Borough of Waltham Forest, together with an associated construction and services contract, funding agreements and ancillary project agreements. The Project Agreement requires it to finance, design, develop, construct and maintain Frederick Bremer School for a term of 26 years from the date of signing of the Project Agreement.

The results of the company are set out in the attached financial statements.

Key performance indicators (KPIs)

1. Performance deductions under the service contract

The Company is paid revenue by the Authority in accordance with the terms of the Project Agreement. Financial penalties are levied by the Authority in the event of performance standards not being achieved according to detailed criteria set out in the Project Agreement. These are passed on to the service provider. In the year ended 31 December 2016, deductions of £nil (2015: £7,000) had been levied. The directors consider the performance for the year to be satisfactory.

2. Financial Performance

The Company has modelled the anticipated financial outcome of the Project across its full term. The Company monitors actual financial performance against this anticipated performance. As at 31 December 2016, the Company's performance against this measure was satisfactory.

The results for the year are set out in the profit and loss account on page 6.

Position of the Company at the year end

The Company completed the construction phase on 31 August 2008 and began a 25 years concession period thereafter. In the opinion of the directors the operating phase of the Project is performing satisfactorily to the standards of the contract.

Development and financial performance during the year

As reported in the Group's profit and loss account, revenue has increased from £1,405,000 in 2015 to £1,463,000 in 2016 in line with expectations and an updated project margin percentage.

The profit for the year after taxation was £234,000 (2015: £200,000), the increase being due to reduced debt interest expenses following a capital repayment. The directors consider the results for the year satisfactory.

The balance sheet shows that the carrying value of the Group's net liabilities at year end was £4,822,000 (2015: £4,349,000 liabilities), the reduction from prior year being due to the change in the cash flow hedge reserve of £4,882,000 (2015: £4,175,000).

Strategic report (continued)

Principal risks and uncertainties

The Authority is the sole client of the Company but the directors consider that no strategic risk arises from such a small client base since the Secretary of State for Education has underwritten the Authority's obligations under the Project Agreement.

Performance risk under the Project Agreement and related contracts are passed on to the service providers and to the building contractor. The obligations of these subcontractors are underwritten either by performance guarantees issued by banks or by parent company guarantees.

The Company has exposures to a variety of financial risks which are managed with the purpose of minimising any potential adverse effect on the Company's performance. The Directors have policies for managing each of these risks and they are summarised below;

Interest rate risk

The Company aims to manage exposure to interest rate fluctuations through a balance of fixed rate borrowings along with floating rate borrowings. The Company has also entered into swap contracts covering all of the debt projected to be drawn down which hedges the Company's interest rate exposure on bank loans.

Credit risk

Although the Authority is the sole client of the Company, the directors are satisfied that the Authority will be able to fulfil its obligations under the Project Agreement as it is underwritten by the Secretary of State for Education.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's financial obligations, including the repayment of its borrowings which are provided on a long-term basis, have been structured to be met from the income which, under normal operating conditions, will be earned from its long-term concession contract with the Authority.

Future prospects

The Company will continue to support the Authority under the PFI scheme.

Approval

This report was approved by the board on 16 June 2017 and signed on its behalf by:

Directors' report
for the year ended 31 December 2016

The Directors present their annual report and the audited financial statements of BY Education (Waltham Forest) Limited for the year ended 31 December 2016. Principal activity, key performance indicators, financial performance and principal risks and uncertainties during the year are mentioned in the Strategic Report.

Dividend

The Directors do not propose to pay a final dividend in respect of 2016 (2015: £nil).

Directors

The Directors of the Company who held office during the year and to the date of signing these financial statements are listed below:

R Driver	
A Imber	
M Molony	
C Leverd	(appointed 21 April 2016)
M Holden	(resigned 21 April 2016)
G Quaife	(resigned 8 March 2017)
D Ward	
K Bhadra	(appointed 8 March 2017)

Going Concern

Having made appropriate inquiries the directors consider it reasonable to assume that the Company has adequate resources to continue for the foreseeable future and, for this reason, have continued to adopt the going concern basis in preparing the consolidated financial statements. The net liability position at year end is ultimately related to the cash flow hedge reserve.

Directors' indemnity

The Articles of Association of the Company provide that in certain circumstances the directors are entitled to be indemnified out of the assets of the Company against claims from third parties in respect of certain liabilities arising in connection with the performance of their functions, in accordance with the provisions of the UK Companies Act 2006. Indemnity provisions of this nature have been in place during the financial year but have not been utilised by the directors.

Political and charitable contributions

The Company made no political or charitable contributions during the current year (2015: £nil).

Disclosure of information to auditor

The Directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each Director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

By order of the Board

Statement of directors' responsibilities in respect of the Strategic report, Directors' report and the financial statements

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of BY Education (Waltham Forest) Limited

We have audited the financial statements of BY Education (Waltham Forest) Limited for the year ended 31 December 2016 set out on pages 7 to 21. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Strategic report and the Directors' report:

- we have not identified material misstatements in those reports; and
- in our opinion, those reports have been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of BY Education (Waltham Forest) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes

(forming part of the financial statements)

1 Accounting policies

BY Education (Waltham Forest) Limited (the "Company") is a company limited by shares and incorporated and domiciled in England in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("*FRS 102*") as issued in August 2014. The amendments to FRS102 issues in July 2015 have been applied. The presentation currency of these financial statements is sterling, rounded to the nearest thousand.

The Company's parent undertaking, BY Education (Waltham Forest) Holdings Limited includes the Company in its consolidated financial statements. The consolidated financial statements of BY Education (Waltham Forest) Holdings Limited are prepared in accordance with FRS102 and are available to the public and may be obtained from Companies House, Crown Way, Cardiff, CF14 3UZ. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the Company is a wholly owned subsidiary of BY Education (Waltham Forest) Holdings Limited, the Company has taken advantage of the exemption contained in FRS 102.33 and has therefore not disclosed transactions or balances with entities which form part of the group.

As the consolidated financial statements of BY Education (Waltham Forest) Holdings Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 *Basic Financial Instruments* and FRS 102.12 *Other Financial Instrument Issues* in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 17.

Notes (continued)

1 Accounting policies (continued)

1.1 Measurement convention

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: derivative financial instruments.

1.2 Going concern

The Directors have reviewed the Company's projected profits and cash flows by reference to a financial model covering accounting periods up to September 2033. Having examined the current status of the Company's principal contracts and likely developments in the foreseeable future, the Directors consider that the Company will be able to settle its liabilities as they fall due and accordingly the financial statements have been prepared on a going concern basis. Notwithstanding the net liabilities of £4,822,000 (2015: £4,349,000), which includes the cash flow hedge reserve of £4,882,000 (2015: £4,175,000) which will unwind over the life of the contract, the Company has net current assets and considerable financial resources together with a long term contract with the Authority.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements:

1.3 Classification of financial instruments issued by the group

In accordance with FRS 102.22, financial instruments issued by the Group are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the Group to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Group; and
- (b) where the instrument will or may be settled in the Group's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Group's own equity instruments or is a derivative that will be settled by the Group's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Group's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

1.4 Basic financial instruments

Trade and other debtors / creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of interest for a similar debt instrument.

Interest-bearing borrowings classified as basic financial instruments

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits.

Notes (continued)

1 Accounting policies (continued)

1.4 Basic financial instruments (continued)

Restricted cash

The Company is obligated to keep a separate cash reserve in respect of future major maintenance and vandalism costs. This restricted cash balance, which is shown on the balance sheet within the "cash at bank and in hand" balance, amounts to £433,000 at the year end (2015: £160,000).

1.5 Other financial instruments

Financial instruments not considered to be Basic financial instruments (Other financial instruments)

Other financial instruments not meeting the definition of Basic Financial Instruments are recognised initially at fair value. Subsequent to initial recognition other financial instruments are measured at fair value with changes recognised in profit or loss except as follows:

- hedging instruments in a designated hedging relationship shall be recognised as set out below.

Derivative financial instruments and hedging

Derivative financial instruments are recognised at fair value. The gain or loss on remeasurement to fair value is recognised immediately in profit or loss. However, where derivatives qualify for hedge accounting, recognition of any resultant gain or loss depends on the nature of the item being hedged (see below).

Cash flow hedges

The Company has entered into an Interest rate swaps and has designated this as a hedge for highly probable forecast transaction. The effective part of any gain or loss on the derivative financial instrument is recognised directly in other comprehensive income. Any ineffective portion of the hedge is recognised immediately in profit or loss.

When a hedging instrument expires or is sold, terminated or exercised, or the entity discontinues designation of the hedge relationship but the hedged forecast transaction is still expected to occur, the cumulative gain or loss at that point remains in equity and is recognised in accordance with the above policy when the transaction occurs. If the hedged transaction is no longer expected to take place, the cumulative unrealised gain or loss recognised in equity is recognised in the profit and loss immediately.

1.6 Impairment excluding deferred tax assets

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date.

Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

Notes (continued)

1 Accounting policies (continued)

1.7 Finance debtor and service income

The Company is an operator of a PFI contract. The underlying asset is not deemed to be an asset of the Company under old UK GAAP, because the risks and rewards of ownership as set out in that Standard are deemed to lie principally with the Authority.

As the group entered into the contract prior to the date of transition to FRS102, the group has taken advantage of the exemption in section 35.10(i) of FRS102 which permits it to continue to account for the service concession arrangements under the accounting policies adopted under old UK GAAP.

During the construction phase of the project, all attributable expenditure was included in amounts recoverable on contracts and turnover. Upon becoming operational, the costs were transferred to the finance debtor. During the operational phase income is allocated between interest receivable and the finance debtor using a project specific interest rate. The remainder of the PFI unitary charge income is included within turnover in accordance with FRS102 section 23. The Company recognises income in respect of the services provided as it fulfils its contractual obligations in respect of those services and in line with the fair value of the consideration receivable in respect of those services.

Major maintenance costs are recognised on a contractual basis and the revenue in respect of these services is recognised when these services are performed.

1.8 Expenses

Interest receivable and Interest payable

Interest payable and similar expenses include interest payable on borrowings and associated ongoing financing fees.

Other interest receivable and similar income include interest receivable on funds invested and interest recognised on the finance debtor based upon the finance debtor accounting policy above.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

1.9 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

11 Interest-bearing loans and borrowings

This note provides information about the contractual terms of the Company's interest-bearing loans and borrowings, which are measured at amortised cost.

Creditors falling due more than one year

	2016 £000	2015 £000
Bank loan	14,206	14,710
Subordinated debt	1,429	1,468
	<u>15,635</u>	<u>16,178</u>

Creditors falling due within less than one year

	2016 £000	2015 £000
Bank loan	513	627
Subordinated debt	41	57
	<u>554</u>	<u>684</u>

Included within Bank loan is an amount repayable after five years of £11,919,000 (2015: £12,604,000) and included within subordinated debt are amounts repayable after five years of £1,199,000 (2015: £1,268,000) respectively.

Terms and debt repayment schedule

	Currency	Nominal interest rate	Year of maturity	Repayment schedule	2016 £000	2015 £000
		LIBOR +				
Bank loan	GBP	0.6%	2032	Semi-annual	14,719	15,492
Subordinated debt	GBP	11.80%	2030	Semi-annual	1,470	1,525

The bank loan comprises a Senior Loan facility repayable in semi-annual instalments by March 2032. Interest charged on amounts drawn under the Senior Loan facility is based on the floating LIBOR rate, plus a margin of 0.9%. All amounts drawn under the facilities are secured by fixed and floating charges over the total assets of the Company.

12 Deferred tax asset

Deferred tax asset is attributable to the following:

	2016 £000	2015 £000
Deferred tax on accumulated losses	-	54
Deferred tax on revaluation of fair value of derivatives	1,000	916
	<u>1,000</u>	<u>970</u>

Deferred tax asset is recognised on the revaluation of the SWAP derivative on the interest rate SWAP held by the company. This is accounted for under cash flow hedges (see note 14). The bought forward deferred tax on accumulated losses has been fully offset against current taxable profits.

Reversal of the deferred tax asset on the revaluation of the fair value derivatives is shown through the cash flow hedge reserve.

13 Capital and reserves

Share capital

	2016 £000	2015 £000
Authorised		
Equity: 50,000 (2015: 50,000) ordinary shares of £1 each	50	50
Allotted, called up and fully paid		
Equity: 50,000 (2015: 50,000) ordinary shares of £1 each	50	50

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

Cash flow hedging reserve

The hedging reserve comprises the effective portion of the cumulative net change in the fair value of cash flow hedging instruments related to hedged transactions that have not yet occurred.

(c) Hedge accounting

The following table indicates the periods in which the cash flows associated with the cash flow hedging instrument are expected to occur as required by FRS102.29(a) for the cash flow hedge accounting models and also the associated cash flow hedging instruments are expected to affect profit and loss:

2016					
	Carrying Amount £000	Within 1 year £000	Between 1-2 years £000	Between 2-5 years £000	5 years and over £000
Interest rate swap	(5,881)	(729)	(703)	(1,948)	(3,328)
	<u>(5,881)</u>	<u>(729)</u>	<u>(703)</u>	<u>(1,948)</u>	<u>(3,328)</u>
2015					
	Carrying Amount £000	Within 1 year £000	Between 1-2 years £000	Between 2-5 years £000	5 years and over £000
Interest rate swap	(5,091)	(730)	(698)	(1,814)	(3,271)
	<u>(5,091)</u>	<u>(730)</u>	<u>(698)</u>	<u>(1,814)</u>	<u>(3,271)</u>

The Company has entered into an interest rate swap agreement under the bank loan which expires in March 2032. A fixed rate of 5.497% applies to all amounts drawn under the facilities plus the margins shown above. The interest rate swap converts the borrowings from the rates linked to LIBOR to the fixed rate above.

(d) Fair values

The amounts for all financial assets and financial liabilities carried at fair value are as follows:

	2016 £000	2015 £000
Interest rate swap contract	(5,881)	(5,091)

17 Accounting estimates and judgements

The preparation of financial statements in conformity with FRS102 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based upon historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily available from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Certain critical accounting judgements in applying the Group's accounting policies are described below:

- Accounting for the service concession contract and finance debtors requires estimation of service margins, finance debtors interest rates and associated amortisation profiles which are based on forecasted results of the PFI contract.
