**DIRECTORS' REPORT**  
**5 APRIL 2012**

The directors present the Annual Report and Financial Statements of Ingenious Broadcasting 43 plc ("the Company") for the year ended 5 April 2012

**Principal activities**

The Company is a member of Ingenious Broadcasting 2 LLP ("the Partnership"), a limited liability partnership formed to produce and exploit a high quality portfolio of television programmes with ongoing potential for commercial exploitation across all media

In assessing which programmes to produce, the Partnership endeavours to work with the most successful broadcasters and sales agents, and to work with, and engage the highest quality co-producers and production services companies and personnel to carry out its production activities. The Partnership also benefits from its relationship with Ingenious Media Holdings plc and its subsidiaries ("the Ingenious Group") in sourcing television projects, and has created a diverse portfolio of programmes with both domestic and international appeal

**Review of the year**

The Company made a loss after tax of £17,797 for the year ended 5 April 2012 (year ended 5 April 2011 £12,608)

The net assets of the Company at 5 April 2012 were £1,788,720 (year ended 5 April 2011 £1,806,517)

The directors will continue to monitor the trading activities undertaken through the Partnership and the performance of Ingenious Media Investments Limited ("the Operator"), the operator of the Partnership

**Dividends**

No interim dividends were paid during the year (year ended 5 April 2011 £nil). The directors do not propose to recommend the payment of a final dividend (year ended 5 April 2011 £nil)

**Production activities**

The Company has raised capital of £2.0 million to date of which £1.9 million has been deployed into the Partnership. The Partnership has engaged in £2.9 million (year ended 5 April 2011 £40.7 million) of television production expenditure for the year ended 5 April 2012. The production involved working with a leading independent television producer and a key UK broadcaster acquired the programme for domestic broadcast on delivery.

**Completed activities**

During the year, the Partnership committed to co-produce one new programme (year ended 5 April 2011 eight) and this programme was still in production at the year end (year ended 5 April 2011 four).

## **INGENIOUS BROADCASTING 43 PLC**

### **DIRECTORS' REPORT (CONTINUED)**

**5 APRIL 2012**

#### **Future prospects**

The directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future. Both the Company and the Partnership are in a net asset position, and the Partnership has sufficient liquidity to meet current capital distribution obligations. The Partnership continues to be well placed to benefit from the future exploitation of the film and television productions currently in development and accordingly the directors consider the Company's investment in the Partnership will continue to generate future revenues. Accordingly, they continue to adopt the going concern basis in preparing the Annual Report and Financial Statements. Information relating to the re-registration of the Company and capital reduction after the year end date is detailed in note 11.

#### **Directors**

The directors who served throughout the year were as follows:

J L Boyton  
M T Bugden  
J H M Clayton  
N A Forster  
D M Reid  
S J Speight

#### **Payment of suppliers**

The Company agrees payment terms as part of the commercial arrangements negotiated with suppliers. Payments are made on these terms provided the supplier meets its obligations.

The trade creditor days at 5 April 2012 were nil (year ended 5 April 2011: nil).

#### **Financial risk management objectives and procedures**

As the Company's key activity is investment in the Partnership, the directors have deemed it appropriate to consider the key risks to which the Partnership is exposed. Due to the nature of the Partnership's business and the assets and liabilities contained within its Balance Sheet, the key financial risk the directors consider relevant is credit risk. This risk is mitigated by the Partnership's credit control policies and greenlighting procedure. In assessing which programmes to produce, the Partnership endeavours to work with the most successful co-producers, distributors and broadcasters, and to work with and engage the highest quality personnel to carry out its production activities. The Partnership continues to monitor the exploitation of programmes in international markets and anticipates further income from those sources.

**DIRECTORS' REPORT (CONTINUED)**

**5 APRIL 2012**

**Statement of directors' responsibilities**

The directors are responsible for preparing the Annual Report and Financial Statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable United Kingdom Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware

- there is no relevant audit information of which the Company's auditors are unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

**Auditors**

Shipleys LLP have indicated their willingness to remain in office and in accordance with section 489 of the Companies Act 2006, a resolution proposing that they be reappointed as auditors will be put to the next Annual General Meeting.

This report was approved and signed on behalf of the board of directors on 16 August 2012 by

### **NOTES TO THE FINANCIAL STATEMENTS**

**5 APRIL 2012**

#### **1. Accounting policies**

##### **Basis of accounting**

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with applicable United Kingdom Accounting Standards. The significant accounting policies adopted are summarised below. These policies have been consistently applied in the current and prior year.

##### **Investment in the Partnership**

The investment in the Partnership is accounted for using the equity method. The Profit and Loss Account includes the Company's share of the Partnership's profits less losses while the Company's share of the net assets of the Partnership is shown in the Balance Sheet.

##### **Taxation**

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the Balance Sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the Balance Sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

##### **Financial instruments**

The Company's principal financial instrument is its bank balance. The main purpose of the bank balance is to provide funding for the Company's operations and to ensure the Company can meet its liabilities as they fall due.

Due to the nature of the financial instrument used by the Company, there is no exposure to price risk. Credit risk of receivables is closely monitored.

The Company makes use of money market facilities when appropriate.
