DIRECTORS' REPORT

The directors present their report and financial statements for the year to 31 December 2014.

Principal activities

The principal activities of the company are the provision of internet and consultancy services and the sale of internet/intranet computer software.

Results and Dividends

The results for the year are set out in the profit and loss account on page 3. The company did not trade during the period. The directors do not recommend a dividend.

Directors

The directors who served during the year were

M Ingelborn P Floyd

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the provisions of the Companies Act 2006 applicable to the small companies' regime.

By order of the board

NOTES TO THE ACCOUNTS - 31 December 2014

1. Accounting policies

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities.

Turnover

Turnover represents the amounts receivable for the provision of goods and services excluding value added tax.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated on a straight line basis so as to write down the cost of tangible assets, less their estimated residual value, over their estimated useful lives. The rates used are:

Fixtures, fittings and equipment

20% to 35% per annum as appropriate

Deferred taxation

Deferred taxation is provided on all timing differences which are expected to reverse in the foreseeable future. Deferred tax assets are recognised to the extent they are expected to be recoverable.

Leasing

Assets obtained under hire purchase contracts and finance lease are capitalised as tangible assets and depreciated over their lease term. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Foreign Currencies

Transactions in foreign currencies are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Exchange differences are dealt with through the profit and loss account.

2. Turnover and operating loss

The turnover was derived from the company's principal activity which was carried on throughout Europe. The company did not trade during the period.
