Notes to the Abbreviated Accounts for the period ended 28 February 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Office equipment - Straight line over 3 years

Motor vehicles - 25% reducing balance

Other accounting policies

Provision is made for deferred tax using the liability method to take account of timing differences between the income and expenditure for taxation and accounting purposes except to the extent that the directors consider that a liability to taxation is unlikely to materialise.
