Report of the Directors
for the Year Ended 31 December 2010

The directors present their report with the financial statements of the company and the group for the year ended 31 December 2010

PRINCIPAL ACTIVITY

The principal activity of the group in the year under review was that of an internet based price comparison for financial and non-financial products. The company is a non-trading holding company.

REVIEW OF BUSINESS

Turnover for the year was £101,494K compared to £74,990K for the previous period. Gross profit margin of 29.7% has increased significantly from 17.9% in 2009.

The group has maintained its position as a market leader within the comparison website industry. Quote volumes for core products have continued to grow, with a total of 28.5 million in 2010 compared to 19.4 million in 2009. Growth continues to be experienced across all product segments. Although income from motor insurance comparison continues to comprise a substantial amount of the company's turnover there have been particularly encouraging results outside of this vertical in 2010, with opportunities for significant growth in future years.

The group continues to invest in the development of the website to ensure customer expectations are exceeded and activity to maintain the strength and depth of panels has continued.

Marketing spend continues to comprise a significant proportion of total expenditure and remains in line with the sector. The group continues to seek opportunities to develop the Gocompare.com brand.

Staff levels have continued to increase throughout 2010 in order to provide the group with the necessary skills to support continued growth. The company continues to invest in staff development as it recognises that their skills and enthusiasm are vital to maintain its position as a market leader.

The principal risks facing the group relate to the competitive environment in which it operates and the potential impact of loss of market share. The group continues to develop its overall proposition to customers and responds to both market conditions and competition in order to maintain and grow the brand.

The group has established a risk committee of appropriate senior management in order to fulfil its risk objectives and responsibilities, the output of which is communicated directly to the directors. The risk committee monitors risk indicators in relation to principal risks and the progress of risk mitigation plans are regularly reviewed.

DIVIDENDS

Interim dividends were paid as follows

£	
3,934,600	1 April 2010
3,934,600	23 July 2010
<u>3,934,600</u>	6 September 2010
<u>11,803,800</u>	

The directors recommend that no final dividend be paid.

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the group and parent company financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and parent company and of their profit or loss for that period. In preparing each of the group and parent company financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and the parent company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the parent company's transactions and disclose with reasonable accuracy at any time the financial position of the parent company and enable them to ensure that its financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the group and to prevent and detect fraud and other irregularities

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information

ON BEHALF OF THE BOARD:

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
