AUDITORS

Deloitte & Touche LLP Chartered Accountants and Registered Auditors Leeds

DIRECTORS' REPORT

The directors present their annual report and the audited consolidated financial statements for the 49 weeks ended 31 December 2007

PRINCIPAL ACTIVITIES

The company was incorporated on 25 January 2007 The company's accounting reference date is 31 December

On 1 February 2007, the company purchased the entire share capital of MES Holdings Limited and Corporate Technical Services Limited for a consideration of £17 7m. The enlarged Group provides exhibition and data registration services to organisers of exhibitions and events, exhibitors and exhibition venues.

Turnover for the Group amounted to £47 8m in the current period. The profit for the period amounted to £1 2m

The results of the Group continue to develop in line with expectations

DIVIDENDS

No interim dividend was paid during the period and the directors recommend that no final dividend be declared Accordingly, the profit for the period of £1 2m will be transferred to the reserves

BUSINESS REVIEW

The market in which the Group operates continues to be challenging as a result of

- Continuous price pressure on core services flowing from an extremely competitive market
- Smaller niche exhibitions being launched which generate smaller average exhibition revenues but still require the same level of management resource as a larger, more mature exhibition
- Increased Health and Safety regulation
- Scarce availability of skilled resource

However, the market does also present some real opportunities such as

- Development and extension of existing client relationships
- Smaller niche exhibitions maturing into larger exhibitions

STRATEGY

The Group is well positioned to continue delivering and developing its level of profitability through the following strategic objectives

- Deepening relationships with existing clients
- Targeting new relationships
- Cross selling between divisions
- Seizing and executing exceptional project opportunities

RESEARCH AND PRODUCT DEVELOPMENT

The Group continually looks to innovate and develop new products

PRINCIPAL RISKS AND UNCERTAINTIES

The management of the business and the execution of the Group's strategy are subject to a number of risks. These are set out below. Risks are formally reviewed by management and appropriate procedures put in place to monitor and mitigate them.

Renewal of Contracts

The Group is in the enviable position of having a substantial amount of its future revenues contracted on a long-term basis. The loss of a contract could have a detrimental effect on the Group although this could release equipment and resource for use in other exhibitions or events.

DIRECTORS' REPORT

PRINCIPAL RISKS AND UNCERTAINTIES (continued)

Cancellation of an Event at Short Notice

The consequences of the above may mean the loss of revenue and because of the short notice an inability to use the equipment on other projects, thus not generating replacement revenues

Health and Safety

The Group has a stated commitment to and a reputation for rigorous health and safety compliance. An incident relating to the use of company's equipment could have a detrimental effect of the future performance of the company. The Group employs a full time Health and Safety Officer dedicated to ensuring the safety of clients, visitors and staff on site and on the Group's premises.

Credit Management

Credit risk is mitigated by ensuring that a significant proportion of a contract's value is collected before the handover of the project to the client

PERFORMANCE MANAGEMENT

The performance of the Group is continually reviewed formally at executive team meetings. Management accounts are prepared and reviewed each month and on a quarterly basis, trading and cashflows for the remainder of the financial period are reforecast and reviewed in comparison to budget and any previous forecasts completed

DIRECTORS AND INTERESTS

The following directors held office during the period

N J Marshall (Appointed 31 January 2007)
P B Dykstra (Appointed 25 January 2007)
E M Ingersoll (Appointed 25 January 2007)

Instant Companies Limited (Appointed 25 January 2007, resigned 31 January 2007)

CREDITOR PAYMENT POLICY

Where the supply of goods and services is satisfactory and in the absence of any dispute, the Group's policy is to pay its suppliers in accordance with the terms agreed upon prior to the supply of goods and services. Where no such agreement exists, the Group's policy is to pay suppliers in accordance with the terms contained in the invoice.

EMPLOYEE INVOLVEMENT

The Group has a policy of keeping employees informed and seeks their views on matters of common concern. This is principally dealt with through the managers of each division and via regular works council meetings with employees

DISABLED EMPLOYEES

The Group gives full consideration to applications for employment from disabled persons where the requirements of the job can be adequately fulfilled by a disabled person

Where existing employees become disabled, it is the Group's policy wherever practicable to provide continuing employment under normal terms and conditions and to provide training, career development and promotion to disabled employees wherever appropriate

DIRECTORS' REPORT

AUDITORS

The directors who held office at the date of approval of this report confirm that

- so far as they are aware, there is no relevant audit information which the company's auditors are unaware, and
- each director has taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

The confirmation is given and should be interpreted in accordance with the provisions of s234ZA of Companies Act 1985

During the period Deloitte & Touche LLP were appointed as auditors and have expressed their willingness to continue in office as auditors. A resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors and signed on behalf of the Board

P D McKenna

Secretary 28th October 2008

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GES SERVICE COMPANIES LIMITED

We have audited the financial statements of GES Service Companies Limited for the 49 weeks ended 31 December 2007 which comprise the Consolidated profit and loss account, the Consolidated and company balance sheets, the Consolidated cash flow statement and the related notes 1 to 23 These financial statements have been prepared under the accounting policies set out therein

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements. In addition, we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances of the company and the Group, consistently applied and adequately disclosed

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the Group and company's affairs as at 31 December 2007 and of the Group's profit for the 49 weeks then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and

the information given in the Directors' report is consistent with the financial statements

NOTES TO THE FINANCIAL STATEMENTS For the 49 weeks ended 31 December 2007

1. ACCOUNTING POLICIES

Basis of preparation

These financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 1985, through consistent application of these accounting policies

Basis of consolidation

The Group financial statements consolidate the accounts of the Company and all its subsidiary undertakings made up to 31 December for each year Business combinations are accounted for by the acquisition method of accounting The results of subsidiary undertakings acquired during the period are included in the consolidated profit and loss account from the effective date of acquisition. Those companies sold during the period are included up to the effective date of disposal. Turnover and profits arising on trading between Group companies are eliminated fully on consolidation.

On acquisition of a subsidiary, all of the subsidiary's assets and liabilities that exist at the date of acquisition are recorded at their fair values reflecting their condition at that date. All changes to these assets and liabilities that arise after the Group gained control of the subsidiary are charged or credited to the post acquisition profit and loss account.

The result for the financial year dealt with in the financial statements of the parent company was £nil As permitted by section 230 of the Companies Act 1985, no separate profit and loss account is presented in respect of the parent company

Investments

Fixed asset investments are shown at cost less, where appropriate, provision for impairment

Goodwill

Goodwill is calculated as the difference between the cost of an acquired entity or business and the aggregate of the fair values of that entity's or business's separately identifiable assets and liabilities at the date of acquisition. Positive purchased goodwill is capitalised in the balance sheet at cost and amortised over its estimated useful life, not exceeding 20 years, on a straight line basis

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any incidental expense of acquisition

Depreciation is provided by the Group to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Assets held for hire 2 to 5 years Plant and equipment 2 to 5 years

Leasehold improvements 10 years or over the lease term if shorter

Office equipment and furniture 5 to 10 years Motor vehicles 4 to 6 years

Tangible fixed assets acquired as part of businesses acquired are depreciated over the remaining estimated useful economic lives of those assets

NOTES TO THE FINANCIAL STATEMENTS For the 49 weeks ended 31 December 2007

1. ACCOUNTING POLICIES (continued)

Leases

Costs in respect of operating leases are charged to the profit and loss account on a straight line basis over the life of the lease

Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value. Provision is made where necessary for obsolete, slow moving and defective stock

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date

Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements

A net deferred tax asset is regarded as recoverable and, therefore, recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Pension costs

The Group operates a defined contribution pension scheme The assets of the scheme are held separately from those of the Group in independently administered funds. Contributions to the scheme are charged to the profit and loss account in the year in which accrued

Turnover

Turnover which excludes value added tax and trade discounts, represents the value of goods and services supplied

Turnover for short term events is recognised at the end of the event

Provision for bad debts

Provisions for bad debts are made against specific balances that are considered by the Group to be irrecoverable, or where there may exist a risk that a debtor balance may not be fully recoverable

NOTES TO THE FINANCIAL STATEMENTS For the 49 weeks ended 31 December 2007

2. TURNOVER

	2007 £'000
United Kingdom	45,667
Rest of EU	1,889
