# TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 5 APRIL 2020

#### GOVERNANCE, STRUCTURE AND MANAGEMENT

#### **Governing Instrument**

The Goshen Trust is a company limited by guarantee, registered in England (date of incorporation 16 February 2007).

The charity's activities are regulated by its Memorandum and Articles of Association. The objects of the charity are to apply the income and capital of the charity for such charitable purposes as the charity shall in its absolute discretion determine. 'Charitable' shall mean charitable according to the law of England and Wales.

#### **Directors**

The charity currently has four directors. The directors of the charity are also trustees for the purpose of charity law.

#### Day to Day Management

The day to day management and running of the charity is undertaken by Mrs. A. Dicken, Trustee.

#### **Objects and Activities**

The principal activity of the charity is to encourage and develop Christian projects which otherwise would not be able to reach an effective operational conclusion.

#### **Appointment and Training of Directors**

The charity ensures that existing directors are kept informed of the activities and performance of the charity and are provided with regular management information. Directors meet periodically throughout the year to review all aspects of the charity's activities. The directors keep the composition of the Board under review and will seek to appoint additional members known to have the appropriate skills and expertise should the need arise. Interested parties are given details of the background of the charity in order to make them aware of current activities.

#### Procedures and Policies for Grant Making

The charity invites written applications for grants from Christian organisations in England and Wales, although grants are made to other parts of the UK and overseas, and the trustees are particularly interested in supporting charities in the North East of England where possible. The charity receives many more applications than it has funds to support.

It is the aim of the charity to encourage and develop Christian projects which otherwise may not be able to reach an effective operational conclusion as well as supporting those that are already well established.

The trustees consider that the number of charities supported during the year demonstrates to its beneficiaries and through them to the public, that the charity meets the Charity Commission's guidance on Charity and Public Benefit.

All applications are logged, referenced on receipt and acknowledged via email stating that, should the applicant not receive further communication after the date of the, stated, next trustee meeting, then they should consider the application to have been unsuccessful.

The trustees generally meet several times a year to consider and review applications which have already been referenced and a summary distributed to the trustees. Some grant making decisions may already have been agreed verbally by the trustees in the interim period and these are ratified at the next trustee meeting.

#### ACHIEVEMENTS AND PERFORMANCE

When planning the activities for the year, the directors have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. The charity is based in the North East of England but aims to support charitable activities both in the UK and abroad. This support is achieved by means of loans and grants and the charity aims to provide finance to help churches and other charitable organisations initiate projects that might otherwise not be started. The charity hopes to continue and expand this work in future years.

# TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 5 APRIL 2020

#### **ACHIEVEMENTS AND PERFORMANCE (continued)**

During the year, the charity has continued to pursue its main objectives as outlined above, as well as investigating the possibilities of providing loans for the purpose of purchasing premises for use as places of worship and ministry by others. The directors have also entered into informal arrangements with UK churches to provide aid and support following global natural disasters, thus enabling accountability to be readily available.

The main achievement during the year was:

Grants and donations totalling £648,729 (2019: £789,490) were made to more than 31 (2019: 37) charitable organisations.

Success is measured by the level of charitable donations that are able to be made, monitoring of beneficiary responses, requesting information on outcomes and visiting projects supported by the charity.

#### FINANCIAL REVIEW

The charity has received incoming resources amounting to £236,253 (2019: £477,633). Total resources expended amounted to £773,832 (2019: £942,070) including grants and donations of £648,729 (2019: £789,490). There was an unrealised loss of £832,233 (2019: unrealised surplus of £49,784) arising on the revaluation of investments and investment property.

#### **Investment Policy**

The directors seek to invest a significant proportion of the charity's investments in bank deposit accounts. These, together with listed securities held with Ruffer, Investee and Charities Official Investment Fund, are held with a view to sustained income and capital growth. In 2019, the trustees decided to transfer the Ruffer investments to Investee and CCLA as they had been under-performing in comparison. As bank deposit rates have declined and cash deposits have matured, further investments have been made in managed funds in order to generate longer term capital growth and income. The charity follows an investment strategy with a view to maintaining an income stream to meet existing and future donations. The charity also holds programme related investments in the form of freehold property and concessionary loans. These are all held to further the charitable objectives of the charity.

#### Reserves Policy

The charity receives income from rents and interest on investments; in addition, unsolicited gifts, which are generally of an unrestricted nature, are received and distributed in accordance with the general purposes of the Memorandum and Articles of Association. In order to continue to make charitable donations of the size historically achieved within the activities of the charity, the directors accept that the charity must maintain a significant level of reserves.

The charity's policy is to spend any cash income received in the year and to use reserves for any expenditure over and above this income. However, any surplus may be carried forward for use in the foreseeable future.

#### Risk Management

The directors have considered the major risks to which the charity may be exposed and have taken necessary steps to mitigate the impact of these should unforeseen circumstances arise. The major risk noted by the directors is that of interest rate exposure. As a significant amount of investments are on deposit with various financial institutions, there is a risk that lower interest rates will have a detrimental impact on income. The directors seek to mitigate this risk by utilising both short-term and longer-term deposits to achieve the most beneficial return and ensure that loans made are at appropriate rates.

Given the simplicity of operations, no other significant risk factors are noted.

#### **Related Parties**

None of the charity's trustees receive remuneration or other benefit from their work with the charity. For details of related party transactions during the year under review please see note 23 to the financial statements.

# TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 5 APRIL 2020

#### PLANS FOR FUTURE PERIODS

The directors intend to continue investing in Christian projects and activities in accordance with the charity's governing instrument and, to that end, to safeguard the fixed and net current asset base as a means of generating sustainable annual income for this purpose.

#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors (who are also trustees of the charitable company for the purposes of charity law) are responsible for preparing the Report of the Directors and the financial statements in accordance with general applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained
  in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors have prepared this report in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by the directors on 22 December 2020 and signed on their behalf by:

Mrs. A. Dicken Director

### INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF THE GOSHEN TRUST FOR THE YEAR ENDED 5 APRIL 2020

I report to the charity trustees on my examination of the accounts of the company for the year ended 5 April 2020 which are set out on pages 6 to 17.

#### Responsibilities and Basis of Report

As the charity trustees of the company (who are also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The directors/trustees are satisfied that the charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2020.

The members have not required the charitable company to obtain an audit of its financial statements for the year ended 31 March 2020 in accordance with Section 476 of the Companies Act 2006.

The directors/trustees acknowledge their responsibilities for:

- (i) ensuring that the charitable company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006; and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Sections 394 and 395, and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as are applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2020

#### 1. CHARITY INFORMATION

The charity (registered number 1119064) is a public benefit entity incorporated in the UK on 16 February 2007 as a company limited by guarantee. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The charity's operation and principal activity is to encourage and develop Christian projects which otherwise would not be able to reach an effective operational conclusion.

#### 2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

#### Basis of Preparation and Assessment of Going Concern

The charity constitutes a public entity as defined by FRS 102. The financial statements have been prepared on a going concern basis under the historical cost convention and in accordance with applicable accounting standards, the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011 and the Companies Act 2006. The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### 3. ACCOUNTING POLICIES

#### (a) Income Recognition

All income is recognised once the charity has entitlement to income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income can be measured reliably.

#### **Grants and Donations**

- when donors specify that grants or donations must be used in a future accounting period, the income is deferred until
  those periods;
- when donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred until the period in which the pre-conditions are met.

When donors specify that grants or donations are for a particular restricted purpose, which do not amount to pre-conditions regarding entitlement, the income is included in incoming resources within restricted funds when receivable.

#### Legacies

Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is probable in that confirmation has been received from the personal representatives of the estate that payment will be made.

#### (b) Resources Expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of VAT.

Any expenditure which is for a specific purpose is shown against the restricted fund for that purpose. All other expenditure is deemed to be for the general purposes of the charity and is recorded against general unrestricted funds.

Individual costs are allocated between the various headings in the Statement of Financial Activities by reference to the underlying nature or reason for which those costs were incurred.

Grants and donations payable are accounted for when the directors have accepted a legal or moral obligation to make a donation.

Other expenditure includes costs incurred in the management of the charity's assets, organisational administration and compliance with constitutional and statutory requirements.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2020

#### 3. ACCOUNTING POLICIES (Continued)

#### (c) Tangible Fixed Assets

Tangible fixed assets are included at cost less depreciation. Assets costing under £1,000 are not capitalised but are written off to expenditure as incurred.

Depreciation is provided on a straight line basis and is calculated to write off the cost of the assets over their expected useful economic lives at the following annual rates.

Freehold land and buildings

2% per annum

Fixtures and fittings

- 15% per annum

Office equipment

25% per annum

#### (d) Investments

Marketable investment assets are included in the financial statements at market value, either at closing market prices (listed investments) or through independent valuation (unlisted direct property) or from valuations provided by the investment manager (unlisted hedge funds, private equity and indirect property). The charity enters into forward currency contracts to reduce exposure within its investment portfolio. The basis for fair value of these forward exchange contracts is estimated by using the gain or loss that would arise from closing the contract at the Balance Sheet date. All investment and currency gains and losses are recognised as incurred.

Programme related investments are included at cost less any provision for diminution in value.

Investment properties are included in the financial statements at fair value. Any surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

#### (e) Foreign Currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities are re-translated at the rate of exchange ruling at the Balance Sheet date. All differences are taken to the Statement of Financial Activities.

#### (f) Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost using the effective interest method.

Financial assets held at amortised cost comprise cash at bank, together with trade and other debtors. Financial liabilities held at amortised cost comprise trade and other creditors.

Concessionary loans include those receivable from third parties which are interest free or below market interest rates and are made to advance charitable purposes. All loans are measured at cost less impairment.

#### (g) Operating Leases

Rentals applicable to operating leases, where substantially all the benefits and risks of ownership remain with the lessor, are charged against revenue on a straight line basis over the period of the lease.

#### (h) Fund Accounting

Funds held by the charity are either:

- unrestricted funds these are funds which can be used in accordance with the objects of the charity at the discretion of
  the directors. They may include designated funds which have been set aside by the directors for particular purposes.
- restricted funds these are funds which can only be used for particular restricted purposes within the objects of the charity; whether it be for the purchase or construction of a fixed asset or in respect of a specific project. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Once the restrictions imposed by the provider of the grant/the donor have been observed, the fund is then transferred to unrestricted funds but designated where relating to a specific ongoing purpose.
