## Directors' report

Registered Number - 06120431

The directors present their report and financial statements for the year ended 31 December 2011

### Results and dividends

The profit for the year after taxation amounted to £1,816,000 (2010 – £565,000) The directors do not recommend the payment of a dividend (2010 – £nil)

### Principal activity and review of the business

The company's principal activities are

- 1) The manufacture and sales of mini-condensate pumps for the refrigeration and air conditioning industry
- 2) The design, manufacture and sale of accessory products and services for the air conditioning industry
- 3) The administration of the group treasury function,

The key performance indicators monitored by management are regional and product sales volumes and mix, regional and product gross margin, divisional operating margin, banking covenants headroom, the group foreign currency exposure and working capital

In 2010 the group restructured its business the assets and liabilities of Aspen Oldco Limited and the assets and liabilities of the BBJ Engineering division of Big Foot Systems Limited were acquired by Aspen Pumps Limited, effective 30<sup>th</sup> June 2010 at net book value The company continued the trade of the group post acquisition Subsequent to the restructuring the company changed its name from Acquaspen Limited to Aspen Pumps Limited effective the 22nd September 2010

The group measures its performance by the following indicators

|                         | 2011   | 2010   |
|-------------------------|--------|--------|
|                         | £000   | £000   |
| Turnover – total sales  | 23,343 | 11,594 |
| Adjusted gross profit % | 45.5   | 48.4   |

*In 2011, costs of £nil (2010 - £76,000), classified in cost of sales, relating to break costs on various foreign currency contracts, have been excluded from the calculation of adjusted gross profit*

On the 6<sup>th</sup> March 2012, Aspen Pumps Limited's immediate parent undertaking, The Pump Group Limited was acquired by PG Bidco Limited As a consequence of this acquisition, the Company restructured its loans and borrowings, all the current banking facilities held with Lloyds TSB Ltd were repaid in full, new banking facilities were entered into with Lloyds TSB Ltd, and the current funding through Loan notes were rolled up the group from Aspen Pumps Limited to PG Bidco Limited

Following the acquisition the ultimate parent undertaking and controlling party remained Inflexion 2006 Buyout Fund Limited Partnership

### Future developments

The growth achieved in 2011 is expected to continue in the forthcoming year with exports markets continuing to be developed along with the newer products in the range Improvements in the supply chain should also lead to development of the margin

## Directors' report

Registered Number - 06120431

### Principal risks and uncertainties

The business of the group is subject to certain risks. The key business risks relate to competition, ensuring that the company continues at the forefront of product development and introduction, and the health of the markets which it serves.

Key financial risks include the exposure to foreign currency, particularly the Euro in which a significant proportion of sales are made and borrowings are held, and interest rate risk on those borrowings, which affect the group's pricing and cash flow risks.

The risk management objectives and policies in relation to financial risks are as follows:

#### Foreign currency

A significant proportion of cash inflows from short term trade receivables in the company's subsidiaries are in foreign currency, particularly in the Euro. The group's policy to manage this currency risk includes denominating its bank borrowings in Euros. This creates a price risk as the market value of these borrowings changes in relation to movements in the Euro against Sterling (and as detailed above has resulted in an unrealised gain of £0.25 million in the current year (2010 – gain of £0.6 million)). The cash flow risk is however managed by a natural hedge, whereby repayments of debt, capital and interests are made utilising surplus foreign currency inflows.

The remaining currency risk on surplus inflows from short term trade receivables is managed through the use of forward foreign exchange contracts. Contracts were established in during 2011 to hedge the estimated Euro and US Dollar cash flow through to December 2012. The value of these at 31 December 2011 was an asset of £341,000 (2010 – £213,000) which is not recognised in these financial statements.

#### Interest rate risk

The company's bank borrowings are subject to variable interest rates, which give a cash flow risk in relation to interest charges. The company's policy to manage this risk includes the company fixing its interest rate using interest rate swaps. The current swap extended to December 2011.

#### Credit risk

Trade receivables are short-term and without undue concentration, and are subject to a strong credit control process to mitigate credit risk.

#### Other risks

The company is exposed to credit risk in relation to the counter party of the above derivatives, a major clearing bank. The group does not hold significant cash deposits, but again these are held with the same clearing bank.

To manage the company's liquidity risk bank borrowings and loan notes have been secured on a long term basis. At 31 December 2011 only £4.1 million of borrowings were repayable on demand or within one year (2010 – £3.6 million). In contrast £9.8 million of borrowings are repayable after three years (2010 – £10.1 million).

### Going concern

Aspen Pumps Limited is a trading company. Management expects the trading of Aspen Pumps Limited and its subsidiary Big Foot Systems Limited to grow in 2012 and continue to generate positive cash flows sufficient to meet the day to day working capital requirements and the terms of the bank borrowings. To manage the group's liquidity risk, the company has secured bank borrowings and loan notes on a long term basis.

The company's forecast and projections, taking into account of reasonably possible changes in trading performances of the company and/or its subsidiaries, show that the company should be able to operate

## Directors' report

Registered Number - 06120431

within the level of its current facilities. The directors believe that the company is well placed to manage its business risks successfully, as detailed above, despite the challenging market conditions and have reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparation of the annual financial statements.

### Directors

The directors who served the company during the year were as follows

S G Becker (Appointed 1<sup>st</sup> April 2011)  
C S Hamilton  
B Leach (Appointed 1<sup>st</sup> April 2011) (Resigned 6<sup>th</sup> March 2012)  
H D W Middleton  
A W Thompson  
C C Thompson

### Political and charitable contributions

During the year the company made the following contributions

|            | 2011  | 2010 |
|------------|-------|------|
|            | £     | £    |
| Charitable | 1,223 | 200  |

### Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, the directors have taken all the steps that they are obliged to take as directors in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

### Auditors

In accordance with section 485 of the Companies Act 2006, a resolution is to be proposed at the Annual General Meeting for reappointment of Ernst & Young LLP as auditor of the company.

On behalf of the Board

Hamish Middleton

Director

Date

27/3/2012

## Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **Independent auditors' report**

## **to the members of Aspen Pumps Limited**

We have audited the financial statements of Aspen Pumps Limited the year ended 31 December 2011 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet, and the related notes 1 to 25. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report and Financial Statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on the financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its profits for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

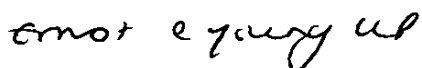

# Independent auditors' report

to the members of Aspen Pumps Limited

## Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Julie Carlyle (Senior Statutory Auditor)  
For and on behalf of Ernst & Young LLP (Statutory Auditor)

## Notes to the financial statements

at 31 December 2011

### 1. Accounting policies

#### *Basis of preparation and prior period adjustment*

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards

In preparing the financial statements the company has restated the prior year profit & loss account to exclude revenue earned by sister company Big Foot Systems Limited. This revenue was invoiced to customers through Aspen Pumps Limited and then passed to Big Foot Systems Limited through intercompany transactions. As a result, this revenue was incorrectly recorded in both companies. Following the restatement this revenue has been excluded from Aspen Pumps Limited to ensure that it is not accounted for in both companies. The effect of this on the prior year figures is a presentational adjustment of £0.9 m between revenue and cost of sales, with no net effect on the result for the year.

#### *Group financial statements*

In accordance with the exemption allowed by section 400 of the Companies Act 2006, the company has not presented group financial statements.

#### *Going concern*

As disclosed in the directors report on pages 2-4, the financial statements have been prepared on the going concern basis, which assumes that the company will be able to meet its liabilities as and when they fall due for the foreseeable future.

#### *Statement of cash flows*

The company has taken advantage of the exemption available under FRS 1 not to prepare a statement of cash flows.

#### *Goodwill*

Goodwill is the difference between the cost of an acquired entity and the aggregate of the fair value of that entity's identifiable assets and liabilities.

Positive goodwill is capitalised, classified as an asset on the balance sheet and amortised on a straight line basis over its useful economic life. It is reviewed for impairment at the end of the first full financial year following the acquisition and in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable. Goodwill arising on the acquisition of Orchard Electronic has been fully amortised over a three years period from the acquisition date 7<sup>th</sup> September 2007.

#### *Intangible fixed assets*

Expenditure on software is stated at cost less accumulated amortisation. Patents are stated at cost less accumulated amortisation which is charged over the effective life of the patent.

Amortisation is provided on computer software included as intangible assets at a rate of 33% straight line per annum.

Other identifiable intangible assets have been recognised at their fair value on acquisition.

Amortisation is provided on all intangible fixed assets at rates calculated to write off the valuation of each asset evenly over its expected useful life.

The carrying value of intangible assets is reviewed for impairment at the end of the first full year following acquisition and in other periods if events or changes in circumstances indicate the carrying value may not be recoverable.

## Notes to the financial statements

at 31 December 2011

### 1. Accounting policies (continued)

#### **Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Such cost includes costs directly attributable to making the asset capable of operating as intended. Borrowing costs attributable to assets under construction are recognised as an expense when incurred.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset evenly over its expected useful life, as follows:

|                        |   |                                |
|------------------------|---|--------------------------------|
| Leasehold improvements | – | 20% straight line per annum    |
| Plant and machinery    | – | 20% straight line per annum    |
| Fixtures and fittings  | – | 15-33% straight line per annum |

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

#### **Revenue recognition**

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes or duty. Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch.

#### **Stocks**

Stocks are stated at the lower of cost incurred in bringing each product to its present location and condition, and net realisable value as follows:

|  |   |   |
|--|---|---|
| Raw materials, consumables<br>and goods for resale | – | purchase cost on a first-in, first-out basis  |
| Work in progress and finished goods                | – | cost of direct materials and labour plus attributable overheads based on a normal level of activity |

Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal.

#### **Deferred taxation**

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more, tax, with the following exception:

- Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, or gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.
- Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

## Notes to the financial statements

at 31 December 2011

### 1. Accounting policies (continued)

#### *Investments*

Investments are stated at cost less accumulated impairment losses

The carrying values of fixed asset investments are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable

#### *Foreign currencies*

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction or at the contracted rate if the transaction is covered by a forward foreign currency contract. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date or if appropriate at the forward contract rate. All differences are taken to the profit and loss account.

#### *Leasing commitments*

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

#### *Pensions*

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

#### *Derivative instruments*

The company uses forward exchange contracts to mitigate exposure to foreign currency risk and interest rates cap and swaps to mitigate exposure to interest rate risk. Gains or losses from utilising these instruments are implicitly recognised at settlement date as the company has not adopted FRS26 – Financial Instruments Recognition and Measurement.

#### *Finance costs*

Finance costs of debt are recognised in the profit and loss account over the term of such instruments at a constant rate on the carrying amount.

### 2. Turnover

An analysis of Turnover by geographical market is given below

|                     | 2011   | Restated<br>2010 |

### 8. Tax

#### (a) Tax on profit on ordinary activities

The tax charge is made up as follows

|  | 2011<br>£000 | 2010<br>£000 |
|--|--------------|--------------|
| <i>Current tax</i>   |              |              |
| UK corporation tax on the profit for the year              | 560          | –            |
| Total current tax (note 8(b))                              | <u>560</u>   | <u>–</u>     |
| <i>Deferred tax</i>  |              |              |
| Origination and reversal of timing differences (note 8(c)) | 46           | (22)         |
| Total deferred tax   | <u>46</u>    | <u>(22)</u>  |
| Tax on profit on ordinary activities                       | <u>606</u>   | <u>(22)</u>  |

## Notes to the financial statements

at 31 December 2011

### 8. Tax (continued)

#### (b) Factors affecting current tax charge for the year

The tax assessed for the year is lower than the average rate of corporation tax in the UK of 26.5% (2010 – standard rate 28%). The differences are explained below

|  | 2011<br>£000 | 2010<br>£000 |
|--|--------------|--------------|
| Profit on ordinary activities before tax   | 2,422        | 543          |
| Profit on ordinary activities multiplied by average rate<br>of corporation tax in the UK of 26.5% (2010 – standard rate 28%) | 642          | 152          |
| <i>Effects of</i>  |              |              |
| Expenses not deductible for tax purposes   | 18           | 29           |
| Other timing differences   | –            | (8)          |
| Capital allowances in advance of depreciation  | (16)         | (27)         |
| Group relief surrendered for nil consideration   | –            | 390          |
| Utilisation of brought forward tax losses  | (84)         | –            |
| Prior year unrecognised tax losses utilised  | –            | (536)        |
| Current tax for the year (note 8(a))   | 560          | –            |

#### (c) Deferred tax

Deferred taxation recognised in the financial statements is as follows

|  | 2011<br>£000 | 2010<br>£000 |
|--|--------------|--------------|
| Depreciation in (arrears)/advance of capital allowances              | (24)         | 22           |
| Deferred taxation (liability)/asset (note 14)                        | (24)         | 22           |
|  |              | £000         |
| At 1 January 2011  |              | 22           |
| Profit and loss account movement arising during the year (note 8(a)) |              | (46)         |
| At 31 December 2011  |              | (24)         |

## Notes to the financial statements

at 31 December 2011

### 8. Tax (continued)

Deferred taxation asset not provided are as follows

|                                | <i>Not provided</i> |              |
|--------------------------------|---------------------|--------------|
|                                | <i>2011</i>         | <i>2010</i>  |
|                                | <i>£000</i>         | <i>£000</i>  |
| Accelerated capital allowances | –                   | –            |
| Losses carried forward         | (563)               | (631)        |
|                                | <u>(563)</u>        | <u>(631)</u> |

#### Factors that may affect future tax charges

The Finance Act 2011 included legislation to reduce the main rate of corporation tax from 26% to 25% from 1 April 2012. As this change was substantively enacted on 5 July 2011 and therefore before the balance sheet date, deferred tax is recognised at 25% in the current period.

On 21 March 2012, the Chancellor announced that the main rate of corporation tax will in fact reduce from 26% to 24% from 1 April 2012. With further reductions to the main rate to reduce the rate by 1% per annum to 22% by 1 April 2014.

The effect on the company of further proposed reductions in the UK main rate of corporation tax will be reflected in the company's financial statements in future years, as appropriate, once the changes have been substantively enacted.

The rate changes will also impact the amount of future tax payments to be made by the company.

The company has met all of its covenants in the current year

## Notes to the financial statements

at 31 December 2011

### 16. Loans and other borrowings(continued)

(b) Loan notes

|                              | 2011<br>£000 | 2010<br>£000 |
|------------------------------|--------------|--------------|
| Principal amount             | 7,940        | 7,940        |
| Accrued interest             | 985          | 587          |
| Less unamortised issue costs | (91)         | (133)        |
|                              | <u>8,834</u> | <u>8,394</u> |

These loan notes are secured by a debenture over the assets of the company and also by guarantees and debentures given by fellow group undertakings. The loan notes are repayable in 2014 and accrue interest at a rate of 14.25%.

### 17. Provisions for liabilities

|                        |            |
|------------------------|------------|
| Deferred consideration | £000       |
| At 1 January 2011      | 818        |
| Paid out               | (409)      |
| Provided               | 326        |
| At 31 December 2011    | <u>735</u> |

Deferred consideration is payable under the terms of acquisition of the business of Orchard Electronic. The final Fixed Deferred Consideration of £409,000 is payable in August 2012 and incurs interest at a rate of 5%. A further amount of up to a maximum of £1,227,000 is payable on an Exit and achieving designated compound growth hurdle rates. As of December 2011 the directors estimate that an amount of £326,000 will become payable on Exit as there is a strong likelihood that the designated compound growth hurdles will now be met.

### 18. Issued share capital

|   | No | 2011<br>£000 | No | 2010<br>£000 |
|---|----|--------------|----|--------------|
| <i>Allotted, called up and fully paid</i> |    |              |    |              |
| Ordinary shares of £1 each                | 1  | —            | 1  | —            |

| At 1 January 2010                  | -                                 | 123                                      | (6,837)   | (6,714)  |
| Profit for the year                | -                                 | -  | 565   | 565  |
| Dividends received                 | -                                 | -  | 10,704  | 10,704   |
| At 1 January 2011                  | -                                 | 123                                      | 4,432   | 4,555  |
| Contingent consideration provision | -                                 | -  | (326)   | (326)  |
| Profit for the year                | -                                 | -  | 1,816   | 1,816  |
| At 31 December 2011                | -                                 | 123                                      | 5,922   | 6,045  |

### 20. Derivatives and other financial instruments

The company's bank borrowings are subject to variable interest rates, which give a cash flow risk in relation to interest charges. The company fixed its interest rate for using an interest rate swap which extended to December 2011.

The currency risk on surplus inflows from short term trade receivables is managed through the use of forward foreign exchange contracts. Contracts have been established to hedge the estimated Euro and US Dollar cash flow through to December 2012.

At 31 December 2011 the mark to market valuations of the above derivatives are as set out below

|                        | <i>2011<br/>£000</i> | <i>2010<br/>£000</i> |
|------------------------|----------------------|----------------------|
| Forward contract asset | 341                  | 213                  |
| Rate swap liability    | -                    | (142)                |

### 21. Pension commitments

The company operates a defined contribution pension scheme for its senior employees. The assets of the scheme are held separately from those of the company in an independently administered fund. There were no contributions outstanding to the pension scheme at either year end.

### 22. Other financial commitments

At 31 December 2011 the company had annual commitments under non-cancellable operating leases as set out below

|   | <i>2011<br/>Land and<br/>buildings<br/>£000</i> | <i>Other<br/>£000</i> | <i>2010<br/>Land and<br/>buildings<br/>£000</i> | <i>Other<br/>£000</i> |
|---|---|-----------------------|---|-----------------------|
| Operating leases which expire<br>In two to five years | 238   | 59                    | 238   | 46                    |

## Notes to the financial statements

at 31 December 2011

The company has entered into a cross guarantee of the bank borrowings of fellow subsidiaries which is secured by charges and a debenture over the assets of the company

### 23. Related party transactions

The company has taken advantage of the exemption available under FRS 8 not to disclose transactions with other members of the Pump Group Limited group on the basis the company is a wholly owned subsidiary undertaking and its results are included in group financial statements, which are publicly available

During the year the company entered into the following transactions with other related parties

| <i>Name of company</i>      | <i>Nature of transaction</i> | <i>2011<br/>£000</i> | <i>2010<br/>£000</i> |
|-----------------------------|------------------------------|----------------------|----------------------|
| AB&B                        | Purchases                    | 111                  | 55                   |
|                             | Trade creditors              | —                    | —                    |

B Leach was a director of the company and a shareholder in Pump Group Limited. He is also a director and shareholder in Apex Manufacturing Limited and BMB Pumps Limited, a director of Aspen AC Limited, Aspen Electrical Limited and Aspen Service Limited and is a shareholder in those companies' holding company, Perbeck Holding Limited. He is a partner in AB&B, has a significant holding in BL Trading Property, and is a shareholder in Mellor Electrics Limited.

## Notes to the financial statements

at 31 December 2011

### 24. Ultimate parent undertaking and controlling party

The immediate parent undertaking is the Pump Group Limited. The directors consider the ultimate parent undertaking and controlling party to be Inflexion 2006 Buyout Fund Limited Partnership.

The parent undertaking of the group of undertakings for which group financial statements are drawn up and of which the company is a member is The Pump Group Limited. Copies of the financial statements can be obtained from Aspen Building, Apex Way, Hailsham, East Sussex, BN27 3WA.

### 25. Events since the balance sheet date

On the 6<sup>th</sup> March 2012, Aspen Pumps Limited's immediate parent undertaking, The Pump Group Limited, was acquired by PG Bidco Limited. As a consequence of this acquisition, the Company restructured its loans and borrowings, all the current banking facilities held with Lloyds TSB Ltd were repaid in full, new banking facilities were entered into with Lloyds TSB Ltd, and the current funding through Loan notes were rolled up the group from Aspen Pumps Limited to PG Bidco Limited.

Following the acquisition the ultimate parent undertaking and controlling party remained Inflexion 2006 Buyout Fund Limited Partnership.

The new banking facilities are as follows:

#### A Euro loan facility

- interest rate of Euribor + 4.25%
- value of the loan facility on drawdown was €16,655,000
- repaid annually over 6 years from date of drawdown

#### B Euro loan facility

- interest rate of Euribor + 4.75%
- value of the facility on drawdown was €11,104,000
- bullet repayment on 7<sup>th</sup> anniversary of drawdown
