<b>Total equity</b>		<u>105,331</u>	<u>63,974</u>

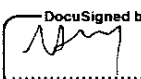

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies' regime and in accordance with the provisions of FRS 102 Section 1A - small entities. The Company has elected not to file a Profit and Loss Account.

For the year ending 29 February 2020 the company was entitled to exemption from audit under section 479A of the Companies Act 2006 relating to subsidiary companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

Approved and authorised by the Board on 25/11/2020 | 10:16 GMT and signed on its behalf by:

 Director  
 Nicola Lucy Aubrey

The notes on pages 3 to 9 form an integral part of these financial statements.

## **Ludlow Visionplus Limited**

### **Notes to the Financial Statements for the Year Ended 29 February 2020**

#### **1 General information**

The company is a private company limited by share capital incorporated in the United Kingdom.

The address of its registered office is:

Forum 6  
Parkway  
Solent Business Park  
Whiteley, Fareham  
United Kingdom  
PO15 7PA

#### **2 Accounting policies**

##### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Statement of compliance**

These financial statements have been prepared in accordance with the provisions of Financial Reporting Standard 102 Section 1A – small entities.

##### **Basis of preparation**

The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling which is the functional currency of the company and are rounded to the nearest £.

##### **Reclassification of comparative amounts**

It was decided in the current financial year that the balance sheet account “customer deposits” is better presented for statutory reporting purposes as “deferred income” instead of being shown as an item in its own right within the creditors note. Therefore, the prior year creditors note has been restated such that the balance previously reported separately as “customer deposits” has been added to the “deferred income” line item.

##### **Revenue recognition**

## **Ludlow Visionplus Limited**

### **Notes to the Financial Statements for the Year Ended 29 February 2020**

#### **2 Accounting policies (continued)**

Revenue is recognised to the extent that the Company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes. The following criteria must also be met before revenue is recognised:

Revenue from the sale of goods and services is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch of the goods, or when services are provided and the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Deferred revenue arises when cash is received in advance of revenue being earned, either in the form of deposits received for spectacles which have not been collected or direct debit payments received for contact lenses in advance of delivery of the lenses to the customer. Deferred revenue is a liability on the Balance Sheet until it is earned.

## **Ludlow Visionplus Limited**

### **Notes to the Financial Statements for the Year Ended 29 February 2020**

#### **2 Accounting policies (continued)**

##### **Tax**

Current tax is provided at amounts expected to be paid (or recovered) using tax rates and laws which have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements, except that unrelieved tax losses and other deferred tax assets are recognised only to the extent that the directors consider that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

##### **Key areas of estimation uncertainty and judgments**

###### **Impairment of non-financial assets**

Where there are indicators of impairment of individual assets, the company performs impairment tests based on fair value less costs to sell or a value in use calculation. The fair value less costs to sell calculation is based on available data from binding sales transactions in an arm's length transaction on similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the company is not yet committed to or significant future investments that will enhance the performance of the cash generating unit being tested. The recoverable amount is most sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash flows and the growth rate used for extrapolation purposes.

###### **Taxation**

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable profits together with an assessment of the effect of future tax planning strategies.

###### **Deferred revenue**

Customer data is used to estimate the value of uncollected spectacle sales which should be deferred at the year-end. Deferred revenue for contact lens sales purchased by direct debit is estimated using system reports which allow a calculation of where each customer is in their payment cycle, and therefore how much has been paid in advance of delivery of goods.

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand, call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value. The directors have included the balances owed to and from Specsavers Finance (Guernsey) Limited, the Group Treasury Company within cash equivalents. If the overall cash balance with the Group Treasury Company is overdrawn, this is classified as a current liability alongside any other overdrawn external cash balances.

##### **Short term debtors and creditors**

## Ludlow Visionplus Limited

### Notes to the Financial Statements for the Year Ended 29 February 2020

#### 2 Accounting policies (continued)

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other operating expenses.

#### Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

#### Dividends

Dividend distribution to the company's shareholders is recognised as a liability in the financial statements in the reporting period in which the dividends are declared.

#### Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

#### 3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 20 (2019: 20).

#### 4 Debtors

	Note	2020 £	2019 £
Trade debtors		18,906	21,284
Amounts owed by related parties	9	22,243	222
Prepayments		292	873
Accrued income		1,167	1,313
Deferred tax assets		264	154
Total trade and other debtors		<u>42,872</u>	<u>23,846</u>

#### Total trade and other debtors

Deferred tax assets of £264 (2019: £154) are classified as non current.

## **Ludlow Visionplus Limited**

### **Notes to the Financial Statements for the Year Ended 29 February 2020**

#### **10 Parent and ultimate parent undertaking**

As at the year end Specsavers International Healthcare Limited was the ultimate parent company of Ludlow Visionplus Limited. Mr and Mrs Perkins have the controlling interest in the ordinary share capital of Specsavers International Healthcare Limited, the ultimate parent company. Specsavers International Healthcare Limited is a Guernsey registered company and its accounts are not available to the public.

Specsavers UK Holdings Limited is the parent company of the smallest group for which consolidated financial statements are drawn up in which this company is a member.

Specsavers UK Holdings Limited registered office is:

Forum 6  
Parkway  
Solent Business Park  
Whiteley  
Fareham  
Hampshire  
PO15 7PA

The company's immediate parent company is Ludlow Specsavers Limited, a company registered in England and Wales.

#### **11 Events after the reporting period**

If dividends were paid after the year ended 29 February 2020, which will be accounted for in the shareholders' equity as an appropriation of retained earnings in the year ended 28 February 2021, the financial statements do not reflect these. The company has controls in place to ensure that there are sufficient retained earnings to cover dividend payments based on the latest available management information at the dividend declaration date so that the company remains in a net asset position.

The cost of disclosing and repeatedly updating the quantum of these dividends, right up to the date of signing the financial statements, is therefore considered to exceed any benefit to the users thereof.

Subsequent to the balance sheet date, the World Health Organization declared a global pandemic on 11 March 2020 due to the ongoing effects of COVID-19. The store remained open in some capacity, complying with the relevant restrictions and government advice in place at the time. Consequently there has been a reduction in the company's revenue which cannot be reliably estimated, however the company continues to trade and the directors do not expect the going concern status of the company to be affected.
