NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 AUGUST 2012

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 15% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value.

Deferred tax

Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date.

Going concern

The financial statements have been prepared on a going concern basis. This basis may not be appropriate as current liabilities exceeded current assets by £50,655 at 31 August 2012 and at that date the Company was insolvent to the extent of £30,611. These factors indicate that the Company may not be able to continue trading. The Company is reliant on the continuing support of the director and there is no evidence that this support will be withdrawn.

Should the company be unable to continue trading, adjustments would have been made to reduce the value of the assets to their recoverable amount and to provide for any further liabilities which might arise.

Intangible assets

Patent & License costs, being the amount paid in connection with the Patent, is being amortised over 10 years, being the life of the game expected by the Director.

Development costs, being the amount paid in connection with the development of the game, are being amortised evenly over its fixed term period of 10 years.
