CAREIF

(A company limited by guarantee)

**TRUSTEES' REPORT
FOR THE YEAR ENDED 30 APRIL 2020**

The Trustees present their annual report together with the financial statements of the company for the 1 May 2019 to 30 April 2020. The Trustees confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

Objectives and Activities

a. POLICIES AND OBJECTIVES

The company's main aim is to share knowledge internationally about mental health in order to improve people's wellbeing. The objects of the charity are as follows:

To preserve and protect good mental health, in particular but not exclusively by:

- conducting study and research for the public benefit and publishing and disseminating the useful results;
- increasing awareness of mental health in its local, national and global context amongst health professionals, service providers and the public

b. ACTIVITIES FOR ACHIEVING OBJECTIVES

The charity encourages research, knowledge development and dissemination, policy development, and personal development, to promote culturally safe health and well being. In order to assist the charity in meeting the above objectives, they deliver this work through:

- high quality learning and teaching locally, nationally and internationally;
- research, evaluation and practice development into culture, health and wellbeing;
- providing international volunteering, exchange and twinning schemes, and promoting and developing positive practice on sports, young people and the wellbeing of individuals and communities.

c. MAIN ACTIVITIES UNDERTAKEN TO FURTHER THE CHARITY'S PURPOSES FOR PUBLIC BENEFIT

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

The Trustees believe that the activities undertaken in the year for achieving the objectives of the Charity have met the public benefit requirement.

CAREIF

(A company limited by guarantee)

**TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 30 APRIL 2020**

Achievements and performance

a. KEY FINANCIAL PERFORMANCE INDICATORS

The total incoming resources for the year were £3,585 (2019: £661), while total resources expended were £4,289 (2019: £2,765), leaving net outgoing resources of £704 (2019: £2,104). In financial terms, therefore, this has been a relatively quiet year for Careif. However, this does not reflect a lack of activity as a number of important projects and initiatives were in train.

b. REVIEW OF ACTIVITIES

There have been some changes in the membership of the charity's trustees. Dr Albert Persaud retired, while Professor Kam Bhui and Professor Edgar Jones stepped down as trustees. Their contributions to Careif were significant in a wide range of ways and their contributions are acknowledged, they will all be missed. Professor Shanaya Rathod, Mr Rick O'Shea and Professor Bhaumik joined the trustees, although we are very sorry to report that Professor Bhaumik passed away in November 2019. Subsequently we have appointed three additional trustees who are Dr Valsraj Menon, Dr Jed Boardman and Dr Jane Ferguson and this will strengthen the board in a variety of ways. Mr Rick O'Shea has taken on the role of treasurer and Professor Rachel Tribe has taken on the role of Chair of Careif for the year.

Rick O'Shea, managing director of Renelec Groundworks organised another annual Careif Golf Day at the PGA Bowood Golf and Country Club on 18th May 2019 which helped raise funds for the charity. Also Jo Reed has kindly offered to run the London Marathon for Careif.

A significant achievement of the last year was the publication of a Special edition of the World Cultural Psychiatry Research Review journal (the Journal of the World Association of Cultural Psychiatry), this was published in 2019 featuring 5 of the Careif Global position statements, it also featured a tribute to the work of one of Careif's co-founders - Dr Albert Persaud, who has retired from Careif.

Discussions are under way regarding work with the Chartered Institute of Building and the Careif team to use our expertise to develop resources on mental health and well-being in the construction industry. Plans are also underway to develop a mental health resource, meetings have been held with various interested parties in relation to this. A meeting was held between Careif and the European Test Publishers Group about future work together and this project is ongoing. A meeting was also held with the Chief Executive of the Refugee Council about future collaboration.

Dr Menon and Dr Boardman provided a statement for the website on Covid-19 and provided a range of relevant websites where people could obtain additional information. Careif was a collaborator on a Covid-19 study led by Professor Rathod.

A conference on International Collaboration on Cultural Relevance in Global Health: A Call to Action Culturally adapted Interventions (I-CAN) was planned, but this was postponed due to Covid-19. A virtual conference was held in early September 2020 on Forced Migration in collaboration with the University of East London.

Mental health 4 life, this resource was put together under the auspices of Careif and needed updating. It was reviewed by a small working group of Careif trustees, Valsraj, Jane and Rachel provided detailed feedback on it. It is currently with Falmouth college, who are hoping to turn the section on young people into an app. Careif is a contributor and collaborator on this project which is led by Professor Kam Bhui.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 30 APRIL 2020

Financial review

a. GOING CONCERN

COVID-19 has meant that all trustee meetings have moved on-line. We also put a list of relevant resources for people to access onto our website. In addition, a conference on International Collaboration on Cultural Relevance in Global Health: A Call to Action Culturally adapted Interventions (I-CAN) was planned, but this was postponed due to COVID-19. A virtual conference was held instead in early September 2020 on the topic of Forced Migration in collaboration with the University of East London.

The trustees have reviewed the company's forecasts and projections, and, in particular, have considered the potential implications of the Coronavirus (COVID-19) pandemic. Whilst the eventual financial impact of the pandemic on the company, and on the overall economy, remains uncertain, the directors are confident that the company will be able to continue to trade.

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

b. RESERVES POLICY

The Trustees have examined the charity's requirements and are working together to develop a coherent forward plan for the charity. The present level of reserves stands at £98,941 (2019: £99,645) of which £72,269 (2019: £72,562) is restricted and therefore can only be used in accordance with specific restrictions imposed by donors. Taking this into consideration, it is the view of the Trustees that prudence is necessary to ensure that there are sufficient free reserves to provide financial flexibility over the next two to three years as the charity grows.

Structure, governance and management

a. CONSTITUTION

The company is registered as a charitable company limited by guarantee and was set up under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association.

The company is constituted under a Trust deed and is a registered charity number 1121374.

The company was incorporated on 30 April 2007 and registered as a charity on 26 October 2007.

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

New Trustees are appointed by the existing board at a meeting of the Committee. All new Trustees are provided with guidance obtained from the Charity Commission.

c. RISK MANAGEMENT

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

CAREIF

(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 30 APRIL 2020

Plans for future periods

a. FUTURE DEVELOPMENTS

Careif will develop the work already underway with the Chartered Institute of Building, the Refugee Council, EPTG and several international organisations. We will also work with partners to develop the Mentalhealth4life resource. The publication of a Special Edition of the World Cultural Psychiatry Research Review journal (the Journal of the World Association of Cultural Psychiatry), was published in 2019 featuring 5 of the Careif Global position statements, it is anticipated that this may lead to future collaborations.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees (who are also directors of CAREIF for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

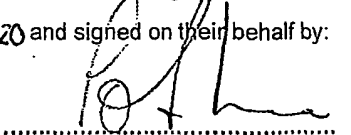

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, on 21/12/20 and signed on their behalf by:

CAREIF

(A company limited by guarantee)

**CHARTERED ACCOUNTANTS' REPORT TO THE TRUSTEES ON THE PREPARATION OF THE
UNAUDITED STATUTORY FINANCIAL STATEMENTS OF CAREIF
FOR THE YEAR ENDED 30 APRIL 2020**

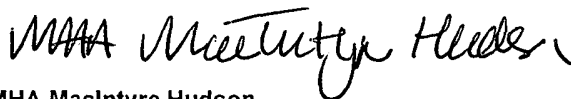

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of CAREIF for the year ended 30 April 2020 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet, the Statement of cash flows and the related notes from the company's accounting records and from information and explanations you have given to us.

As a member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/membership/regulations-standards-and-guidance>.

This report is made solely to the Trustees in accordance with the terms of our current engagement letter. Our work has been undertaken solely to prepare for your approval the financial statements of CAREIF and state those matters that we have agreed to state to the Trustees in this report in accordance with ICAEW Technical release TECH07/16AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than CAREIF and its Trustees for our work or for this report.

It is your duty to ensure that CAREIF has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and net resources expended of CAREIF. You consider that CAREIF is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or review of the financial statements of CAREIF. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

CAREIF

(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2020**

1. ACCOUNTING POLICIES**1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

CAREIF meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Company status

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

The address of the registered office is given in the company information page of these financial statements. The nature of the charity's operations and principal activities are preserve and protect good mental health.

1.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2020

1. ACCOUNTING POLICIES (CONTINUED)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Support costs are those costs incurred directly in support of expenditure on the objects of the company. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

1.6 Going concern

The financial statements are prepared on a going concern basis and there are no material uncertainties that cast significant doubt on the Company's ability to continue as a going concern. The Trustees have considered the impact of COVID-19 as part of their going concern assessment.

1.7 Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Computer equipment	- 10% straight line
--------------------	---------------------

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

1.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

CAREIF

(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2020**

1. ACCOUNTING POLICIES (CONTINUED)**1.10 Cash at Bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.12 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

No judgements have been made in the process of applying the above accounting policies that have had any significant effect on amounts recognised in the financial statements, except for those detailed in the above accounting policies.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2. INCOME FROM DONATIONS AND LEGACIES

	Unrestricted funds 2020 £	Restricted funds 2020 £	Total funds 2020 £	Total funds 2019 £
