Notes to the Abbreviated Accounts for the period ended 31 May 2013

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover comprises the value of goods and services supplied by the company.

Turnover is recognised by reference to an assessment of the fair value of the services provided at the balance sheet date.

Tangible assets depreciation policy

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Equipment straight line 20%

Other accounting policies**Going Concern**

These financial statements have been prepared on the assumption that the company is able to carry on business as a going concern, which the director considers appropriate having regard to the circumstances outlined in the notes to the accounts.

Taxation

Corporation tax payable is provided on taxable profits at the current rates.

Provision is made for deferred taxation in so far as a liability or asset has arisen as a result of transactions that had occurred by the balance sheet date and have given rise to an obligation to pay more tax in the future, or the right to pay less tax in the future. An asset has not been recognised to the extent that the transfer of economic benefits in the future is uncertain. Deferred tax assets and liabilities recognised have not been discounted.
