Notes to the Abbreviated Accounts for the period ended 30 June 2012**1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company.

Turnover policy

Turnover represents net invoiced sales of goods and services, excluding value added tax.

Tangible assets depreciation policy

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are:

Equipment, fixtures and fittings 25% on Reducing balance method
Computer equipment 33% on Reducing balance method

Other accounting policies**Stocks**

Stock and work in progress is valued at the lower of cost and estimated net realisable value. Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale.

Deferred taxation

Deferred tax is provided in respect of the tax effect of all timing differences that have originated but not reversed at the balance sheet date.

Deferred tax is measured on the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Ultimate controlling party

As at balance sheet date, the director Mr Stephen Beney owns 100% shares in the company, therefore he is the ultimate controlling party of the company.

Related party transaction

As at balance sheet date the company owed £ 40,138.13 (2011: £ 21,852.04) to the director, which was an interest free loan to the company.
