**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016**

1. STATUTORY INFORMATION

HGB Enterprises Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

The company has applied early adoption of the July 2015 amendments to Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland." As a consequence of early adoption "The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015" are also applied. This is the first time the company has adopted Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland."

The company's functional and presentation currency is the pound sterling, rounded to the nearest £.

Significant judgements and estimates

In preparing these financial statements the company's management make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities at the statement of financial position date and the amounts reported in the income statement for the year under review.

The nature of estimates means that the actual outcome could differ and the company's management consider there are no estimates or assumptions that have a significant risk of causing a material adjustment to the amounts reported for assets and liabilities within the next financial year.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 33% on cost

Tangible fixed assets are initially recorded at cost.

Tax

Current tax represents the amount of tax payable or receivable in respect of the taxable profit (or loss) for the current or past reporting periods. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Pension costs and other post-retirement benefits

The company contributes to a defined contribution pension scheme. Contributions payable by the company are charged to profit or loss in the period to which they relate.

3. ACCOUNTING POLICIES - continued**Financial instruments**

Basic financial assets, including trade and other debtors and cash at bank, are initially recognised at transaction price and are subsequently measured at amortised cost. Basic financial liabilities, including trade and other creditors, are initially recognised at transaction price and are subsequently measured at amortised cost.

Employee benefits

When employees have rendered service to the company, short-term employee benefits to which the employees are entitled are recognised at the amount expected to be paid in exchange for that service.

4. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 1 (2015 - 1) .
