1. EXECUTIVE SUMMARY

Key Messages	Commentary
Progress of the liquidation during the report period	The Joint Liquidators have worked with the Company's former management to confirm the value of the Company's assets and liabilities. During the report period, a revised asset balance has been confirmed.
Costs	- There are no funds in the estate. Our fees and the costs of the liquidation are being met by The Co-operative Bank Plc. We have been paid £152,470 plus VAT and disbursements in respect of this liquidation and 19 other related entities to date. - The basis of our remuneration has been fixed by reference to time costs. - Further detail on our remuneration is on page 6.
Outstanding matters	- The Joint Liquidators will be required to file a corporation tax return as a result of the distribution which the Company is expected to receive from its subsidiary, together with settling any resulting sums owed to HM Revenue & Customs ("HMRC"). - The Company has a liability of £12,500 which is owed to an associated entity. This liability will be settled in full prior to the distribution of surplus assets.
Distributions made during the period	No distributions have been made to the member during the report period.
Future Distributions and Closure	A first and final distribution of surplus assets will be made following the Company's receipt of a first and final distribution from its subsidiary and any sums owed to HMRC or other creditors have been settled in full. Steps will then be taken to close the liquidation.

2. PROGRESS OF THE LIQUIDATION

Work done during the report period

Asset Realisations

The Company's assets as recorded on the Declaration of Solvency comprised of an investment in subsidiary for £12,500 and a receivable balance of £1 due from an associated entity. During February 2017 the Joint Liquidators were advised by the Company's former management that the realisable value of the Company's investment in its subsidiary had increased to £299,567 following a review of that entity's affairs.

Liabilities

The Company's liabilities as recorded on the Declaration of Solvency comprised of a payable balance for £12,500 due to The Co-operative Bank plc. No additional liabilities arose during the period.

Corporation Tax

The Joint Liquidators have been advised by the Company's former management of the revisions described above to the Company's assets. As a result, the Joint Liquidators have sought clarification of whether these adjustments will result in any additional tax liabilities. It has been identified that a chargeable gain may arise when the Company receives a first and final distribution from its subsidiary. The Joint Liquidators will be required to file a corporation tax return and settle any sums due to HMRC as a result of the Company receiving a distribution from its subsidiary.

Distributions and Estimated Future Realisations

No distributions have been paid to the members during the report period.

Following clarification of the Company's financial position, the Joint Liquidators anticipate that it will receive a first and final distribution from its subsidiary within twelve months. The Joint Liquidators should then be in a position to distribute the Company's surplus assets once any sums due to HMRC and other creditors have been settled and final tax clearance has been received.

Statutory tasks

During the period we have carried out the following tasks which primarily relate to fulfilment of statutory and compliance obligations and other tasks of an administrative nature:

- case management;
- statutory reporting;
- correspondence;
- case reviews; and
- general liquidation administration and filing.

These tasks are a necessary part of the engagement but do not generate any direct financial benefit for the members.

Cost of the work done during the report period

No expenses were incurred during the report period and further information on our remuneration is provided on page 5.

3. LIQUIDATORS' RECEIPTS AND PAYMENTS ACCOUNT

A receipts and payments account is provided at Appendix 1, detailing the transactions in the 12 month period since our last report together with a summary of all transactions since our appointment.

4. INFORMATION FOR THE MEMBERS

Distributions made

No distributions have been made to the members during the report period.

Future Distributions

A first and final distribution of surplus assets will be made to the member once the Company has received a first and final distribution from its subsidiary, any sums due to HMRC and other creditors have been settled and final tax clearance has been received.

5. LIQUIDATORS' REMUNERATION AND DISBURSEMENTS

The amount paid to date is £152,470, plus VAT and disbursements, in connection with the liquidation of the Company and 19 other related entities.
