Tottenham Hotspur Academy (Chigwell) Limited

Directors' report

The directors present their report and the financial statements of Tottenham Hotspur Academy (Chigwell) Limited ('the Company') for the year ended 30 June 2015. The Directors' report has been prepared in accordance with the special provisions relating to small companies under section 444(5) of the Companies Act 2006 and the company is therefore exempt from preparing a Strategic Report.

Principal activities

The principal activity of the company is that of holding a training facility on behalf of the Tottenham Hotspur group. The training facility was disposed of on 30 September 2015.

Risks and uncertainties

The risks and uncertainties of the company are aligned to those of Tottenham Hotspur Limited and discussed in page 3 of the consolidated Group accounts.

Directors

The directors who served during the year, except as noted, were as follows:

D P Levy
M J Collecott
D Cullen
D G Eales (resigned 13 November 2014)
R Caplehorn (appointed 2 March 2015)

Dividends and results

The directors do not recommend the payment of a dividend in the current period (2014: £nil). The company made a loss after tax for the year of £338,980 (2014: £41,460 loss) and the net liabilities as at 30 June 2015 were £1,054,947 (2014: £715,967).

Post balance sheet events

On 30 September 2015 the company disposed of its freehold land and buildings for notional consideration of £1 to a newly formed Joint Venture in which the company has a 50% share. In the view of the Directors the 50% share in the Joint Venture is worth in excess of the net book value of the freehold land and buildings of £1,525,033.

Going concern

The company has net current liabilities and net liabilities at 30 June 2015 and was loss-making during the financial year. The financial statements have been prepared on the going concern basis because the parent company, Tottenham Hotspur Limited, stated that it will provide the necessary financial support to the company for at least twelve months from the date these accounts are signed. The parent company directors prepare budgets and forecasts and have produced detailed and realistic cash flow projections which are reviewed on an ongoing basis. These demonstrate that the parent company has the financial capability to satisfy this obligation.

Disclosure of information to the auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- So far as the director is aware, there is no relevant audit information of which the company's auditor is not aware; and
- The director has taken all steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Directors' responsibilities statement

The directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Tottenham Hotspur Academy (Chigwell) Limited

We have audited the financial statements of Tottenham Hotspur Academy (Chigwell) Limited for the year ended 30 June 2015 which comprise the profit and loss account, the balance sheet and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors:

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies exemption in preparing the Directors' report and Strategic report.

Notes to the accounts Year ended 30 June 2015

1. Accounting policies

The financial statements are prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies adopted, which have been applied consistently throughout the current year and prior year, are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Cash flow statement

Under the provisions of Financial Reporting Standard 1 (Revised) the company has not presented a cash flow statement as Tottenham Hotspur Limited, a company registered in England and Wales, the parent undertaking of the largest and smallest group which includes the company, prepares consolidated financial statements which include the results of the company and contains a cash flow statement.

Going concern

The company has net liabilities and net current liabilities at 30 June 2015 and was loss-making during the financial year. The financial statements have been prepared on the going concern basis because the parent company, Tottenham Hotspur Limited, stated that it will provide the necessary financial support to the company for the period of at least 12 months from the date these accounts were signed and the directors are satisfied that the parent company has the financial capability to satisfy this obligation.

Tax

The tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profits differ from net profit as reported in the profit and loss account because they exclude items of income or expense that are taxable or deductible in other years and they further exclude items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been substantively enacted by the balance sheet date.

Deferred tax is the tax expected to be payable on the differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

Deferred tax is charged or credited in the profit and loss account.

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment.

Depreciation is provided on cost in equal annual instalments over the estimated useful lives of the assets. The rates of depreciation are as follows:

Freehold land and buildings	2% straight-line
General plant and equipment	20% straight-line

Tottenham Hotspur Academy (Chigwell) Limited

Notes to the accounts Year ended 30 June 2015

2. Operating loss

	2015 £	2014 £
Operating loss is stated after charging:		
Depreciation	40,375	42,626

There were no employees during the current or preceding year and the directors did not receive any remuneration in respect of their services to the company in either period.

The audit fee of £2,000 (2014: £2,000) is borne by another group company in the current and prior period. No fees were paid to the company's auditor or affiliated entities, relating to other services, during the current or prior period. Refer to the Tottenham Hotspur Limited financial statements for full disclosure of fees payable to the auditor.

3. Tax credit on loss on ordinary activities

	2015 £	2014 £
Reconciliation of the current tax credit		
Loss on ordinary activities before taxation	(339,874)	(42,639)
Tax credit on loss on ordinary activities before taxation at 20.75% (2014: 22.5%)	70,524	9,594
