PART 7 – INTEREST PAID AT A PERFORMANCE-RELATED RATE

This part should only be completed if the company has, at any time during the financial year to which this report relates, had a debt outstanding, or a debenture in issue on which a performance-related rate of interest was payable. A performance-related rate of interest is a rate which varies according to the level of the company's profits or turnover, or any item on its balance sheet. See further Chapter 6.3 of the Regulator's information and guidance notes, and regulation 21 of the Community Interest Company Regulations 2005 (this part is designed to monitor compliance with regulation 21 and Schedule 4 to the Regulations, which set out the interest capping regime and define its key terms).

Under the Regulations, the rate of performance-related interest payable is capped by reference to the Bank of England's base lending rate. However, this cap only applies in respect of agreements to pay a performance-related rate, which were entered into on or after the date on which the company became a community interest company.

In order to demonstrate compliance with the rules on performance-related rates of interest, please give the following details:

- (i) The rates of interest paid on any debt or debenture of the company on which a performance-related rate of interest was payable as calculated over a 12 month period ending with the most recent date on which interest became payable in respect of that debt or debenture during the financial year.

Not applicable - no trading activities within year ending 31st March 2008

- (ii) (If the interest cap applied to that debt or debenture) how any such rates of interest were calculated.

Not applicable - no trading activities within year ending 31st March 2008

- (iii) Either the interest cap applicable to the debt or debenture concerned (with an explanation of how it has been calculated), or an explanation of why the cap does not apply to it (i.e. because the agreement was entered into before the company became a community interest company).

Not applicable - no trading activities within year ending 31st March 2008

(Please continue on separate continuation sheet if necessary.)
