## STRATEGIC REPORT

**FOR THE YEAR ENDED 30 SEPTEMBER 2018**

---

The directors present the strategic report for the year ended 30 September 2018.

### **Fair review of the business**

Another excellent trading year, boosted by publicity from the Winter Olympics and the best snow in the Alps for many years. Sales of £8,089k (2017: £7,499k) were achieved, generating an operating profit of £2,909k (2017: £2,593k).

### **Principal risks and uncertainties**

The underlying trend in increased bookings and yield remains strong and we look to continue to grow our income this coming year. The good snow in the Alps last year should increase confidence in booking a ski holiday this winter, and early indications show pre bookings ahead again compared to last winter.

The economic uncertainties surrounding Brexit, the continuing deterioration of the value of Sterling along with the squeeze on the public's disposable income continue to be challenges we need to tackle going forward

### **Key performance indicators**

The company monitors the following key performance indicators:

- Slope spend per guest
- Edge Cafe spend per guest
- Guest visits
- Total guest database
- Profit margin and payroll margin.

Spend per head increased 3% on slope products. The number of paying slope customers increased 4% on last year (total footfall in our centre is more than double our slope users). Our database (active email addresses) increased by 16%, however following the GDPR regulations we have seen an 2% increase in guests who do not wish to be contacted.

We focus on our customer experience and receive ongoing feedback via online surveys following a visit, social media, and Trip Advisor. We measure our NPS score which has also increased year on year. Payroll margin was 28.2% of total turnover.

Over the summer we invested heavily in refurbishing many areas of our facility ahead of this winter season.

### **Future prospects**

We expect Hemel to continue to trade well with further income and profit growth and are actively seeking opportunities for other sites through new build or acquisition. The group incurred £200k costs this year on these activities.

On behalf of the board

R J Cook

Director

7.12.18

# SNOWCENTRES LIMITED

## DIRECTORS' REPORT

**FOR THE YEAR ENDED 30 SEPTEMBER 2018**

---

The directors present their annual report and financial statements for the year ended 30 September 2018.

### Principal activities

The principal activity of the Company is that of a holding company for its subsidiary undertakings, Hemel Snowcentre Limited and Swindon Snowcentre Limited.

The principal activity of the Group is the ownership and operation of indoor real snow ski slopes.

### Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

R J Cook  
P W Harris  
T W Harris

### Results and dividends

The results for the year are set out on page 7.

No ordinary dividends were paid. The directors do not recommend payment of a further dividend.

### Political donations

The group made no charitable donations or incurred any political expenditure during the year.

### Financial instruments

#### *Financial risk management objectives and policies*

The Company makes little use of financial instruments other than an operational bank account and therefore its exposure to price risk, credit risk, liquidity risk and cash flow risk is not material for the assessment of the assets, liabilities, financial position or profit or loss of the Company.

### Auditor

In accordance with the company's articles, a resolution proposing that Mercer & Hole be reappointed as auditor of the group will be put at a General Meeting.

### Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the auditor of the company is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the auditor of the company is aware of that information.

On behalf of the board

R J Cook

Director

Date: 7.12.18

# **SNOWCENTRES LIMITED**

## **DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 30 SEPTEMBER 2018**

---

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and company, and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and company's transactions and disclose with reasonable accuracy at any time the financial position of the group and company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# SNOWCENTRES LIMITED

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF SNOWCENTRES LIMITED

---

#### Opinion

We have audited the financial statements of Snowcentres Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 30 September 2018 which comprise the group statement of comprehensive income, the group balance sheet, the company balance sheet, the group statement of changes in equity, the company statement of changes in equity, the group statement of cash flows, the company statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent company's affairs as at 30 September 2018 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's *responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# **SNOWCENTRES LIMITED**

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **TO THE MEMBERS OF SNOWCENTRES LIMITED**

---

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

# **SNOWCENTRES LIMITED**

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF SNOWCENTRES LIMITED**

---

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 30 SEPTEMBER 2018**

---

### **1 Accounting policies**

#### **Company information**

Snowcentres Limited ("the company") is a private limited company domiciled and incorporated in England and Wales. The registered office is: The Snow Centre, St Albans Hill, Hemel Hempstead, Hertfordshire, HP3 9NH.

The group consists of Snowcentres Limited, Hemel Snowcentre Limited and Swindon Snowcentre Limited.

#### **1.1 Accounting convention**

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £000.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

The company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements for parent company information presented within the consolidated financial statements:

- Section 4 'Statement of Financial Position': Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows': Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues': Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 26 'Share based Payment': Share-based payment expense charged to profit or loss, reconciliation of opening and closing number and weighted average exercise price of share options, how the fair value of options granted was measured, measurement and carrying amount of liabilities for cash-settled share-based payments, explanation of modifications to arrangements;
- Section 33 'Related Party Disclosures': Compensation for key management personnel.

#### **1.2 Change in accounting estimate**

The directors have revised their estimates of the useful economic lives of certain of the group's tangible fixed assets (plant & equipment) to better reflect the period over which they will be used. This change has increased the depreciation charge in the current year.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

---

### 1 Accounting policies

(Continued)

#### 1.3 Basis of consolidation

In the parent company financial statements, the cost of a business combination is the fair value at the acquisition date of the assets given, equity instruments issued and liabilities incurred or assumed, plus costs directly attributable to the business combination. The excess of the cost of a business combination over the fair value of the identifiable assets, liabilities and contingent liabilities acquired is recognised as goodwill. The cost of the combination includes the estimated amount of contingent consideration that is probable and can be measured reliably, and is adjusted for changes in contingent consideration after the acquisition date. Provisional fair values recognised for business combinations in previous periods are adjusted retrospectively for final fair values determined in the 12 months following the acquisition date. Investments in subsidiaries, joint ventures and associates are accounted for at cost less impairment.

Deferred tax is recognised on differences between the value of assets (other than goodwill) and liabilities recognised in a business combination accounted for using the purchase method and the amounts that can be deducted or assessed for tax, considering the manner in which the carrying amount of the asset or liability is expected to be recovered or settled. The deferred tax recognised is adjusted against goodwill or negative goodwill.

The consolidated financial statements incorporate those of Snowcentres Limited and all of its subsidiaries (ie entities that the group controls through its power to govern the financial and operating policies so as to obtain economic benefits). Subsidiaries acquired during the year are consolidated using the purchase method. Their results are incorporated from the date that control passes.

All financial statements are made up to 30 September 2018. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by other members of the group.

All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

#### 1.4 Going concern

The consolidated financial statements have been prepared on the going concern basis. The group has recorded a profit before tax of £2,916k for the year ended 30 September 2018, although it has net current liabilities of £3,021k at that date.

Post year-end management accounts indicate that the Group has continued to be profitable in the following period and that the group has been able to meet its liabilities as they fall due.

The directors have considered the cash and profit forecasts prepared by the Group which indicate that the Group will be able to meet its liabilities as they fall due.

The financial statements do not include any adjustments which may be required should the basis of preparation turn out to be inappropriate.

#### 1.5 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

When cash inflows are deferred and represent a financing arrangement, the fair value of the consideration is the present value of the future receipts. The difference between the fair value of the consideration and the nominal amount received is recognised as interest income.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

---

### 1 Accounting policies

(Continued)

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer (usually on dispatch of the goods), the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue from contracts for the provision of services is recognised by reference to the stage of completion.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets, for example land is treated separately from buildings.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

The Snowcentre	50 years
Leasehold property	125 years
Plant and equipment	3-10 years

Assets in the course of construction are not depreciated.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the profit and loss account.

#### 1.7 Fixed asset investments

Equity investments are measured at fair value through profit or loss, except for those equity investments that are not publicly traded and whose fair value cannot otherwise be measured reliably, which are recognised at cost less impairment until a reliable measure of fair value becomes available.

In the parent company financial statements, investments in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less any accumulated impairment losses.

A subsidiary is an entity controlled by the group. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

#### 1.8 Impairment of fixed assets

At each reporting period end date, the group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

The carrying amount of the investments accounted for using the equity method is tested for impairment as a single asset. Any goodwill included in the carrying amount of the investment is not tested separately for impairment.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

---

### 1 Accounting policies

(Continued)

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

#### 1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Stocks held for distribution at no or nominal consideration are measured at the lower of replacement cost and cost, adjusted where applicable for any loss of service potential.

Cost is calculated using the first-in first-out method.

At each reporting date, an assessment is made for impairment. Any excess of the carrying amount of stocks over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss. Reversals of impairment losses are also recognised in profit or loss.

#### 1.10 Cash at bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.11 Financial instruments

The group has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the group's balance sheet when the group becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 30 SEPTEMBER 2018

---

#### 1 Accounting policies

(Continued)

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Impairment of financial assets**

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

##### **Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the group transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

##### **Classification of financial liabilities**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities.

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the group's contractual obligations expire or are discharged or cancelled.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

---

### 1 Accounting policies

(Continued)

#### 1.12 Equity instruments

Equity instruments issued by the group are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the group.

#### 1.13 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

##### *Current tax*

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

##### *Deferred tax*

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset if, and only if, there is a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

#### 1.14 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

*The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.*

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.15 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

#### 1.16 Leases

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the lease asset are consumed.

Rental income from operating leases is recognised on a straight line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight line basis over the lease term.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

### 1 Accounting policies

(Continued)

#### 1.17 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in the profit and loss account for the period.

#### 1.18 Interest receivable and interest payable

Interest payable and similar charges include interest payable and finance charges on shares classified as liabilities recognised in profit and loss using the effective interest method.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method. Dividend income is recognised in the profit and loss account on the date the company's right to receive payments is established. Foreign currency gains and losses are reported on a net basis.

#### 1.19 Classification of expenses

The directors have restated certain cost of sales and administrative expenses during the previous year in order to reclassify expenses originally treated as interest payable and similar expenses. There has been no effect on the reported prior year profit from this reclassification. The directors consider that this accounting treatment better reflects the nature of these costs.

### 2 Judgements and key sources of estimation uncertainty

In the application of the group's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### Critical judgements

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

#### Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. The assessment of indicators of impairment require judgements to be made.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 30 SEPTEMBER 2018

#### 10 Taxation

(Continued)

The actual charge for the year can be reconciled to the expected charge based on the profit or loss and the standard rate of tax as follows:

	2018 £000	2017 £000
Profit before taxation	2,913	2,571
Expected tax charge based on the standard rate of corporation tax in the UK of 19.00% (2017: 19.50%)	553	501
Adjustments in respect of prior years	5	-
Depreciation on assets not qualifying for tax allowances	39	2
Under/(over) provided in prior years	-	(44)
Effect of deferred tax being calculated at a different rate	(12)	(20)
Taxation charge	585	439
Taxation charge in the financial statements	586	439
<b>Reconciliation - the current year tax charge does not reconcile to the above analysis. Please review figures in the database.</b>	(1)	-

#### Factors that may affect future current and total tax charges

At Summer Budget 2015, the government announced legislation setting the Corporation Tax main rate (for all profits except ring fence profits) at 19% for the years starting the 1 April 2017, 2018 and 2019 and at 18% for the year starting 1 April 2020. At Budget 2016, the government announced a further reduction to the Corporation Tax main rate (for all profits except ring fence profits) for the year starting 1 April 2020, setting the rate at 17%.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

### 11 Tangible fixed assets

Group	The Snowcentre £000	Leasehold property £000	Assets under construction £000	Plant and equipment £000	Total £000
<b>Cost</b>					
At 1 October 2017	19,944	1,050	-	1,967	22,961
Additions	-	-	216	572	788
Disposals	(210)	-	-	(565)	(775)
At 30 September 2018	19,734	1,050	216	1,974	22,974
<b>Depreciation and impairment</b>					
At 1 October 2017	3,363	79	-	1,401	4,843
Depreciation charged in the year	398	9	-	349	756
Eliminated in respect of disposals	(40)	-	-	(565)	(605)
At 30 September 2018	3,721	88	-	1,185	4,994
<b>Carrying amount</b>					
At 30 September 2018	16,013	962	216	789	17,980
At 30 September 2017	16,581	971	-	566	18,118

The company had no tangible fixed assets at 30 September 2018 or 30 September 2017.

The Directors have considered the carrying value of the Snow Centre asset without undergoing a formal valuation exercise, and in doing so have satisfied themselves that the aggregate value of that class of assets at the balance sheet date was not less than the aggregate amount at which they are stated in the Group's accounts.

### 12 Fixed asset investments

Deferred tax liabilities	20	<u>1,351</u>	<u>1,250</u>	<u>-</u>	<u>-</u>

### 20 Deferred taxation

The following are the major deferred tax liabilities and assets recognised by the group and company, and movements thereon:

Group	Liabilities 2018 £000	Liabilities 2017 £000
Accelerated capital allowances	<u>1,351</u>	<u>1,250</u>

The company has no deferred tax assets or liabilities.

	Group 2018 £000	Company 2018 £000
<b>Movements in the year:</b>		
Liability at 1 October 2017	1,250	-
Charge to profit or loss	<u>101</u>	<u>-</u>
Liability at 30 September 2018	<u>1,351</u>	<u>-</u>

None of the deferred tax liability set out above is expected to reverse within the next 12 months. It relates to accelerated capital allowances that are expected to mature over the remaining economic life of the assets.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

### 21 Retirement benefit schemes

	2018	2017
	£000	£000
Defined contribution schemes		
Charge to profit or loss in respect of defined contribution schemes	15	14

A defined contribution pension scheme is operated for all qualifying employees. The assets of the scheme are held separately from those of the group in an independently administered fund.

### 22 Share capital

	Group and company	
	2018	2017
	£000	£000
Ordinary share capital		
Issued and fully paid		
3,239,885 Ordinary shares of £1 each	3,240	3,240
Preference share capital		
Issued and fully paid		
6,480,117 Redeemable preference shares of £1 each	6,480	6,480
	9,720	9,720
Shares classified as liabilities	6,480	6,480
Shares classified as shareholders' funds	3,240	3,240
	9,720	9,720

#### Ordinary shares

The holders of these share are entitled to participate in voting, dividends and distribution of capital subject to the terms of the preference shares.

#### Redeemable preference shares

The holders of these shares are entitled to a fixed non-cumulative preferential dividend at the rate of 10 per cent per annum on the capital for the time being paid up thereon, to be declared and paid at the company's directors' sole discretion. On a return of capital the assets of the Company available for distribution among the members shall be applied in repaying to the holders of the Preference Shares the amounts paid up on such shares together with a sum equal to any arrears and accruals of the fixed dividend thereon. The Preference shares shall not entitle the holders thereof to any further or other right of participation in the assets of the Company. The preference shares shall rank in priority to any Ordinary shares for dividend or on a return of capital. There are limited situations in which the Redeemable preference share holders are entitled to vote. The company may at any time redeem any or all Preference shares from the holders of such Preference shares at a price not exceeding the nominal amount of a Preference Share together with a sum equal to any arrears and accruals of the fixed dividend thereon.

### 23 Profit and loss reserves

The profit and loss reserves include all current and prior period retained profits and losses.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2018

### 24 Operating lease commitments

#### Lessee

At the reporting end date the group had outstanding commitments for future minimum lease payments under non-cancellable operating leases, which fall due as follows:

	Group		Company	
	2018	2017	2018	2017
	£000	£000	£000	£000
Within one year	296	296	-	-
Between two and five years	1,156	1,167	-	-
In over five years	31,208	31,493	-	-
	<u>32,660</u>	<u>32,956</u>	<u>-</u>	<u>-</u>

#### Lessor

At the reporting end date the group had contracted with tenants for the following minimum lease payments:

	Group		Company	
	2018	2017	2018	2017
	£000	£000	£000	£000
Within one year	169	170	-	-
Between two and five years	640	645	-	-
In over five years	120	280	-	-
	<u>929</u>	<u>1,095</u>	<u>-</u>	<u>-</u>

During the year £328,000 was recognised as an expense in the profit and loss account in respect of operating leases (2017: £285,000)

### 25 Related party transactions

#### Remuneration of key management personnel

The remuneration of key management personnel is as follows.

	2018	2017
	£000	£000
Aggregate compensation	<u>184</u>	<u>182</u>

At the year end, shareholder loans of £500k (2017: £500k) were owed by the company to certain shareholders in respect of monies loaned to the company to finance the acquisition of minority interest shareholdings in Hemel Snowcentre Limited in 2011.

# SNOWCENTRES LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
