In selecting the Relevant Security to be released, the Security Agent shall take into account the legitimate interests (*berechtigten Interessen*) of the Transferor.
- (c) In calculating the realisable value of the Relevant Security, no assets or their value shall be double-counted.
- (d) For the purposes of assessing the realisable value of any Transferred Assets the following shall, without double-counting, be deducted from the value of any Transferred Asset:
 - (i) the value of:

- (A) assets located outside of Germany;
 - (B) assets the location of which are unknown;
 - (C) assets not validly transferred to the Security Agent;
 - (D) damaged assets; and
 - (E) assets which cannot be lawfully used for their intended purposes;
- (ii) the amount secured by any prior ranking Security or retention right in favour of a third person in relation to any of the Transferred Assets; and
 - (iii) a discount of 25 per cent. for the risk of non-recovery.
- (e) In case the realisable value of the Relevant Security has decreased below the Limit (or would decrease below this amount upon a drawdown permitted under a Finance Document) and provided the Security Agent has prior to such decrease released Relevant Security, the Transferor shall, upon request by the Security Agent, promptly re-grant (or procure to be granted) such Security previously released as the Security Agent may in its reasonable discretion determine so as to increase the realisable value of the Relevant Security up to the Limit.
 - (f) All reasonable costs and expenses in relation to any retransfer, re-granting or valuation (irrespective of its result) pursuant to this clause 14 shall be borne by the Transferor.

15. TRANSFER

- (a) The Transferor shall not assign or transfer any of its rights, claims or obligations under or in connection with this Agreement without prior consent of the Security Agent.
- (b) The Security Agent may at any time assign and transfer its rights, claims and obligations, including by way of assumption of contract (*befreiende Vertragsübernahme*), under or in connection with this Agreement to a person appointed as successor security agent in accordance with and under the terms of the other Finance Documents. The Transferor hereby consents to any such transfer.

16. LIABILITY AND INDEMNITY

16.1 Liability for damages

The Security Agent shall not be liable for any losses, damages, costs, expenses, actions, claims, demands and liabilities suffered or incurred by or made against the Transferor except in case of wilful misconduct (*Vorsatz*) or gross negligence (*grobe Fahrlässigkeit*) of the Security Agent.

16.2 Indemnification

The Transferor shall indemnify the Security Agent and keep the Security Agent indemnified against any losses, damages, costs, expenses, actions, claims, demands and liabilities which may be incurred by or made against the Security Agent for anything done or omitted in the exercise or purported exercise of the powers contained herein and occasioned by any breach

of the Transferor of any of its obligations or undertakings hereunder other than to the extent that such losses, damages, expenses, actions, claims, demands and liabilities are incurred or made against the Security Agent as a result of the wilful misconduct or gross negligence of the Security Agent.

17. COSTS AND EXPENSES

All costs, charges, (legal) fees and expenses reasonably incurred in connection with this Agreement, in particular:

- (a) the preparation, execution, translation, administration or modification of this Agreement;
- (b) the enforcement, attempted enforcement or preservation of any right or remedy under this Agreement; and
- (c) the realisation of Collateral;

shall be borne by the Transferor and the Transferor shall promptly upon demand pay to the Security Agent any such amounts (including any VAT thereon).

18. DURATION AND INDEPENDENCE

- (a) This Agreement shall remain in full force and effect until complete discharge of the Secured Obligations.
- (b) This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in any Finance Document or in any document or agreement related to any of the Finance Documents shall affect the validity or the scope of this Agreement or the obligations of the Transferor under it.
- (c) This Agreement is independent from any other security or guarantee which may have been or will be granted to any Finance Party in relation to the Secured Obligations (or parts thereof). No such other security or guarantee shall prejudice, shall be prejudiced by or shall be merged in any way with this Agreement.
- (d) Waiving the provisions of section 418 BGB, the Transferor hereby agrees that the security created hereunder shall not be affected by any transfer of the Secured Obligations to any third person.

19. PARTIAL INVALIDITY, WAIVERS

19.1 Invalidity

If any provision of this Agreement should be or become invalid or unenforceable in whole or in part, this shall indisputably (*unwiderlegbar*) not affect the validity of the remaining provisions of this Agreement. The invalid or unenforceable provision shall be deemed replaced by such provision which best meets the intent and the economic purpose of the invalid or unenforceable provision. The same shall apply *mutatis mutandis* in case of omissions (*Vertragslücken*).

19.2 Waiver

No failure to exercise, nor any delay in exercising, on the part of any Finance Party, any right or remedy hereunder shall operate as a waiver of such right or remedy, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided under this Agreement are cumulative and not exclusive of any rights or remedies provided by law.

20. AMENDMENTS

Any amendments to this Agreement, including to this clause 20, must be in writing or in stricter form, if required by law.
