- 7 1 the liability of each Guarantor shall continue as if the payment, discharge, release, settlement, avoidance, adjustment or reduction had not occurred,
- 7 2 the Security Agent or any other Secured Party shall be entitled to recover the value or amount of that security or payment from each Guarantor, as if the payment, discharge, release, settlement, avoidance, adjustment or reduction had not occurred, and
- 7 3 the Security Agent as trustee for the Secured Parties shall be entitled to enforce this Deed subsequently as if such payment, discharge, release, settlement, avoidance, adjustment or reduction had not occurred and any such payment had not been made

8. APPROPRIATIONS AND SUSPENSE ACCOUNT

8 1 Right of appropriation

8 1 1 All monies received or recovered by the Lender (or any trustee or agent acting on its behalf) from any of the Principals or the Guarantors or any other person in respect of the Guaranteed Obligations may be applied by the Lender (or any trustee or agent acting on its behalf) to reduce any part of the Guaranteed Obligations or as it sees fit or in accordance with clause 13 1

8 1 2 Any such appropriation shall override any appropriation by the Principals

9. PAYMENTS

- 9 1 All payments by each Guarantor under this Deed shall be made to the Security Agent to its account at such office or such bank as it may notify to the Guarantors or the Parent for this purpose
- 9 2 Payments under this Deed to the Security Agent shall be made for value on the due date at such times and in such funds specified by the Security Agent as being customary at the time for the settlement of transactions in the relevant currency in the place for payment
- 9 3 If a payment under this Deed is due on a day which is not a Business Day, the due date for that payment shall instead be the next Business Day in the same calendar month (if there is one or the preceding Business Day (if there is not))
- 9 4 Save as may be required by law, each Guarantor will pay all monies due under this Deed free and clear of and without deduction for or on account of any set-off or counterclaim or any and all present or future taxes, levies, imposts, charges, fees, deductions or withholdings. If any sums payable under this Deed shall be or become subject to any such deduction or withholding, the amount of such payments shall be increased so that the net amount received by the Security Agent shall equal the amount which, but for such deduction or withholding, would have been received by the Security Agent under this Deed
- 9 5 If any payment to be made by a Guarantor under this Deed would attract a liability to tax in the hands of the Security Agent and if such payment were made by the Principals it would in

the hands of the Security Agent either be tax free or attract a lesser liability to tax, then that Guarantor will concurrently pay to the Security Agent such additional amount as will compensate the Security Agent for such tax or increased tax

9 6 If any Guarantor is required to make any payment to the Security Agent pursuant to either clause 9 4 and/or clause 9 5 and the Security Agent subsequently receives or utilises a refund or tax credit equal to the amount of the increased payment made by a Guarantor hereunder then the Security Agent shall pay or repay an amount to that Guarantor which will leave that Guarantor (after that payment or repayment) in the same position as it would have been in had the increased payment not have been required to be made to that Guarantor

9 7 A Guarantor is not required to make an increased payment under clause 9 4 for a Tax Deduction on account of Tax imposed by the United Kingdom if on the date on which the payment falls due

9 7 1 the payment could have been made to the relevant Secured Party without a Tax Deduction if it was a Qualifying Lender but, on that date, the Secured Party is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Secured Party under this Deed in (or in the interpretation, administration, or application of) any law or Tax Treaty, or any published practice or concession of any relevant tax authority, or

9 7 2 the relevant Secured Party is a Treaty Lender and the Guarantor is able to demonstrate that the payment could have been made to the Secured Party without the Tax Deduction had that Secured Party co-operated in completing any procedural formalities necessary for that Guarantor to obtain authorisation to make that payment without a Tax Deduction

10 SET-OFF

10 1 Each Guarantor hereby agrees that each Secured Party may at any time without notice and notwithstanding any settlement of account or other matter whatsoever

10 1 1 set-off any matured obligation due from a Guarantor under this Deed or under any of the Finance Documents (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party, regardless of the origin of such obligations, place of payment, booking, branch or currency of either obligation, and/or

10 1 2 combine or consolidate all or any of that Guarantor's then existing accounts wheresoever located (including accounts in the name of that Secured Party or of that Guarantor jointly with others) whether such accounts are current, deposit, loan or of any other nature whatsoever, whether they are subject to notice or not and whether they are denominated in sterling or in any other currency, and/or

10 1 3 set-off or transfer any sum standing to the credit of any one or more such accounts referred to at sub-clause 10 1 2 in or towards the satisfaction of any monies owing to that Secured Party or obligations or liabilities of any Guarantor to that Secured Party, whether such liabilities be present, future, actual, primary or collateral, several or joint or matured

10 2 Where such combination, set-off or transfer requires the conversion of one currency into another, such conversion shall be calculated at the then prevailing spot rate of exchange of the

relevant Secured Party (as conclusively determined by that Secured Party) for purchasing the currency required with the other currency

11. NEW ACCOUNTS

If this Deed is determined or a demand is made on a Guarantor under this Deed or if for any reason whatsoever this Deed ceases to be binding as a continuing security on any Guarantor, each Secured Party may in its discretion open a fresh account or accounts for any of the Principals. If a Secured Party does not open a new account, it will nevertheless be deemed to have done so at the time of determination of or of the making of the demand under this Deed or this Deed ceasing to be binding as a continuing security. As from that time, all payments made to or for the account of any of the Principals shall be credited or will be deemed to be credited to the new account and will not operate to reduce the amount for which this Deed is available as security at that time.

12. RECEIPTS

Each Guarantor agrees that any dividends or payments received by or on behalf of any Secured Party in respect of the Guaranteed Obligations in any insolvency shall, for the purposes of this Deed be taken to discharge those obligations only to the extent of the actual amount so received.

13. POWERS OF THE SECURITY AGENT AND THE SECURED PARTIES

13.1 Until the Guaranteed Obligations have been irrevocably paid and discharged in full and the Secured Parties are not under any obligation to grant or continue any loans, advances or other facilities to any Principal, each Secured Party may

13.1.1 refrain from applying or enforcing any other monies, security or rights held or received by that Secured Party in respect of the Guaranteed Obligations, or apply and enforce the same in such manner and order as it sees fit (whether against the Guaranteed Obligations or otherwise) and no Guarantor shall be entitled to the benefit of the same, and

13.1.2 hold in an interest-bearing suspense account any monies received from any Guarantor or on account of any Guarantor's liability under this Deed

13.2 In the event of any proceedings in or analogous to insolvency of or concerning any Principal, the Security Agent and the other Secured Parties may notwithstanding any payment made under this Deed approve and agree to accept any dividend or composition in respect of the whole or any part of that Principal's Obligations in the same manner as if this Deed had not been given.

13.3 The Security Agent as trustee for itself and the other Secured Parties shall be entitled to retain this Deed and any security held for the liability of any Guarantor under this Deed after as well as before payment or discharge of the Guaranteed Obligations under this Deed for such period as the Security Agent as trustee for itself and the Secured Parties may determine.

14. IMMEDIATE RECOURSE

14.1 Each Guarantor waives any right it may have of first requiring the Security Agent or any other Secured Party to make demand upon, proceed against or enforce any other rights or security or claim payment from or make or file any proof or claim in any insolvency proceedings relative to any other Guarantor, any Principal or any other person before

claiming from that Guarantor under this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

- 14.2 Each Guarantor confirms to each Secured Party that it need not advise that Guarantor or any other person of its dealings with the Principals or any default by any Principal of which any Secured Party may have notice.

15.1.2 accept from the Principals either directly or indirectly any undertaking, obligation or security whereby any Guarantor or any person claiming through such Guarantor by endorsement, assignment or otherwise would or might on the liquidation of the Principals and to the prejudice of the Security Agent or any other Secured Party increase the proofs in such liquidation or diminish the assets distributable amongst the creditors of the Principals,

any document guarantee or security taken pursuant to, or in connection with, any Principal's Obligations by the Security Agent or any other Secured Party

- 15 2 If a Guarantor receives any benefit, payment or distribution in relation to the rights specified in clause 15 1 it shall hold on trust for the Security Agent as trustee for the Secured Parties that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to by the Principals under or in connection with the Guaranteed Obligations to be repaid in full and shall immediately pay or transfer the same to the Security Agent or as the Security Agent may direct
- 15 3 Each Guarantor waives all or any of its rights as surety which may be inconsistent with any provisions of this Deed
- 15 4 The provisions of clause 15 2 stating that a trust is created shall have effect only to the extent that such provisions do not constitute or create any charge and if they are so deemed to create a charge then the Guarantors agree that a debt instead shall be due from them to the Security Agent and each Secured Party in an amount equivalent to the benefit, payment or distribution received by it as referred to in clause 15 2

16. ADDITIONAL SECURITY

- 17 2 For the purpose of, or pending the discharge of, any of the Guaranteed Obligations, the Security Agent may convert any monies received, recovered or realised by the Security Agent under this Deed (including the proceeds of any previous conversion under this clause 17) from their existing currencies of denomination into such other currencies of denomination as the Security Agent may think fit (and the provisions of clause 17 3 shall apply) Each reference in this clause 17 2 to a currency extends to funds of that currency
- 17 3 The equivalent on any day in one currency of any amount denominated in another currency shall be an amount in the first currency equal to the amount which the Security Agent would have received if the Security Agent had on such day (or, if such day shall not be a Business Day, on the next succeeding Business Day) made a purchase of the first currency with such amount of such other currency at the then prevailing spot rate of exchange of the Security Agent less all costs, charges and expenses incurred by the Security Agent as trustee for the Secured Parties in connection with such a purchase Each Guarantor waives any right it may have in any jurisdiction to pay any amount under this Deed in a currency or currency unit other than that in which it is expressed to be payable

18 REPRESENTATIONS AND WARRANTIES

- 18 1 Each Guarantor makes the representations and warranties set out in schedule 7 to the Security Agent and each other Secured Party on the date of this Deed and acknowledges that the Security Agent and each other Secured Party has accepted this Deed in full reliance on such representations and warranties

21 JOINT AND SEVERAL LIABILITY

- 21 1 The Guarantors shall be jointly and severally liable in the same manner and with the same effect as if each of them had signed separate guarantees and indemnities in the form of this Deed. This Deed shall not be revoked or otherwise prejudiced or impaired as to any one or more Guarantors by the incapacity or insolvency of any other Guarantor
- 21 2 Each person who shall have executed this Deed as Guarantor or on whose behalf this Deed shall have been executed agrees to be bound hereby notwithstanding that any other person intended to execute or to be bound by this Deed may not do so or may not be effectively bound and notwithstanding that this Deed may be determined or be or become invalid or unenforceable against any other person whether or not the deficiency is known to the Security Agent or any other Secured Party
- 21 3 No release, discharge, composition or other arrangement between the Security Agent (and/or any other Secured Party) and any Guarantor shall release or discharge, or prejudice, impair or otherwise affect, either the Security Agent's or any other Secured Party's rights and remedies under this Deed against any other Guarantor

26. RELIANCE

Each Guarantor acknowledges that it has not relied on any warranty or representation made by or on behalf of the Security Agent or any other Secured Party to induce it to enter into this Deed and that it has made and will continue to make, without reliance on the Security Agent or any other Secured Party, its own independent investigation of the financial condition and affairs of the Principals and assessment of the creditworthiness of each of the Principals, and each Guarantor further acknowledges that neither the Security Agent nor any other Secured Party has any duty or responsibility either now or in the future to provide the Guarantors with any information relating to the financial condition or other affairs of the Principals

28. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of the Security Agent or any other Secured Party, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. No action taken by the Security Agent or any other Secured Party, shall be construed as an election to abandon rights arising from a breach of any Finance Document, which rights shall continue to be exercisable by the Security Agent or any other Secured Party except to the extent expressly waived in writing by the Security Agent or any other Secured Party. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.
