### **DIRECTORS' REPORT**

The Directors present their Directors' report and Group financial statements for the year ended 31 March 2012

#### **GROUP RESULTS AND DIVIDENDS**

The profit for the year, after taxation, amounted to £103,825,000 (2011 £110,606,000) During the year interim dividends of £26,141,000 (2011 £21,618,000) were declared

#### PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

The Company's principal activity in the year was that of a holding company. The Company's subsidiary Enrichment Investments Limited owns 33.3% of URENCO Limited. URENCO's main activity is the supply of enriched uranium produced in enrichment plants using the centrifuge process.

### PRINCIPAL RISKS AND UNCERTAINTIES

The Directors believe that the principal risk to the Group is the performance of its subsidiary and associated undertaking. The Group regularly monitors the performance of its subsidiary and associated undertaking.

#### **DIRECTORS**

The Directors who served during the year were as follows

S Lovegrove R Nourse

#### **AUDITORS**

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting

## DIRECTORS' STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all the steps that he is obliged to take as a director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information

By order of the Board

Richard Nourse

Director

21 December 2012

## **DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the Directors' report and Group financial statements in accordance with applicable United Kingdom law and those International Financial Reporting Standards as adopted by the European Union

Under Company Law the directors must not approve the Group financial statements unless they are satisfied that they present fairly the financial position, financial performance and cash flows of the Group and parent Company for that period. In preparing the Group financial statements the directors are required to

- select suitable accounting policies in accordance with IAS 8<sup>-</sup> Accounting Policies, Changes in Accounting Estimates and Errors and then apply them consistently,
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information,
- provide additional disclosures when compliance with the specific requirements in IFRSs is
  insufficient to enable users to understand the impact of particular transactions, other events and
  conditions on the Group's and parent Company's financial position and financial performance,
- state that the Group and parent Company has complied with IFRSs, subject to any material departures disclosed and explained in the financial statements, and
- make judgements and estimates that are reasonable and prudent

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and parent Company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and parent Company and enable them to ensure that the Group financial statements comply with the Companies Act 2006 and Article 4 of the IAS Regulation. They are also responsible for safeguarding the assets of the Group and parent Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ENRICHMENT HOLDINGS LIMITED

We have audited the Directors' Report and Financial Statements of Enrichment Holdings Limited for the year ended 31 March 2012 which comprise the Group Statement of Comprehensive Income, the Group and Parent Company Statements of Changes in Equity, the Group and Parent Company Statements of Financial Position, the Group and Parent Company Statement of Cash Flow and the related notes 1 to 14 The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union and, as regards the parent company financial statements, as applied in accordance with the provisions of the Companies Act 2006. The financial statements have been prepared on a 'break-up' basis

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the group's and the parent company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### Opinion on financial statements

In our opinion

- the financial statements give a true and fair view of the state of the group's and of the parent company's affairs as at 31 March 2012 and of the group's profit for the year then ended,
- the group financial statements have been properly prepared in accordance with IFRSs as adopted by the European Union,
- the parent company financial statements have been properly prepared in accordance with IFRSs as adopted by the European Union and as applied in accordance with the provisions of the Companies Act 2006, and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006

## Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ENRICHMENT HOLDINGS LIMITED (continued)

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- · we have not received all the information and explanations we require for our audit

## Notes to the Financial Statements Year Ended 31 March 2012

#### 4 Authorisation of financial statements and statement of compliance with IFRSs

The financial statements of Enrichment Holdings Limited and its subsidiaries (the "Group") for the year ended 31 March 2012 were authorised for issue by the board of directors on 21December 2012 and the statement of financial position was signed on the board's behalf by Richard Nourse. Enrichment Holdings Limited is a private limited company incorporated and domiciled in England and Waters.

The Group's financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union as they apply to the financial statements of the Group for the year ended 31 March 2012

The Group's financial statements are also consistent with International Financial Reporting Standards as issued by the IASB. The principal accounting policies adopted by the Group are set out in note 2.

#### 2 Accounting policies

#### a Basis of preparation

These financial statements have been prepared under the historical cost convention

The Group's financial statements have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union as they apply to the financial statements of the Group for the year ended 31 March 2012 and applied in accordance with the Companies Act 2006. The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 March 2012.

The Group financial statements are presented in Sterling and all values are rounded to the nearest one thousand pounds (£ 000) except when otherwise indicated

A separate income statement for the parent Company has not been presented as permitted by section 408(3) of the Companies Act 2006. The parent Company earned a profit after taxation of £26,123,000 (2011 £21,649,000) for the year ended 31 March 2012.

#### b Changes in accounting policy and disclosure

The following new and amended IFRS and IFRIC interpretations are mandatory as of 1 January 2011 unless otherwise stated and the impact is described below.

### IAS 24 Related Party Disclosures (Amendment)

The IASB issued an amendment to IAS 24 that clarifies the definitions of a related party. The new definitions emphasise a symmetrical view of related party relationships and clarifies the circumstances in which persons and key management personnel affect related party relationships of an entity. In addition, the amendment introduces an exemption from the general related party disclosure requirements for transactions with government and entities that are controlled jointly controlled or significantly influenced by the same government as the reporting entity. The adoption of the amendment did not have any impact on the financial position or performance of the Group.

#### IAS 31 Interests in Joint Ventures

Whilst there is no impact on the primary financial statements of the Group, as an associate of the Group has an interest in a joint venture and as a result of amendments in IAS 31 Interests in Joint Ventures, there is a requirement to restate certain disclosures. Details of this restatement can be found in note 8c. There has been no impact on the Group's share of the Net Income and Net Assets of the associate as a result of this.

#### IAS 32 Financial Instruments Presentation - Classification of Rights Issues (Amendment) (effective 1 February 2010)

The IASB issued an amendment that alters the definition of a financial liability in IAS 32 to enable entities to classify rights issues and certain options or warrants as equity instruments. The amendment is applicable if the rights are given pro-rate to all of the existing owners of the same class of an entity's non-derivative equity instruments, to acquire a fixed number of the entity's own equity instruments for a fixed amount in any currency. The amendment has had no effect on the financial position or performance of the Group because the Group does not have these type of instruments.

### IFRIC 14 Prepayments of a minimum funding requirement (Amendment)

The amendment removes an unintended consequence when an entity is subject to minimum funding requirements and makes an early payment of contributions to cover such requirements. The amendment permits a prepayment of future service cost by the entity to be recognised as pension asset. There has been no impact on the financial position or performance of the Group.

## IFRIC 19 Extinguishing Financial Liabilities with Equity Instruments (effective 1 July 2010)

IFRIC 19 clanfies that equity instruments issued to a creditor to extinguish a financial liability qualify as consideration paid. The equity instruments issued are measured at their fair value. In case that this cannot be reliably measured, the instruments are measured at the fair value of the liability extinguished. Any gain or loss is recognised immediately in profit or loss. There has been no impact on the financial position or performance of the Group.

## Notes to the Financial Statements (continued) Year Ended 31 March 2012

#### 2 Accounting policies (continued)

#### b. Changes in accounting policy and disclosure (continued)

#### Improvements to IFRS (issued in May 2010)

In May 2010, the IASB issued its third omnibus of amendments to its standards, primarily with a view to removing inconsistencies and clarifying wording. There are separate transitional provisions for each standard. The adoption of the following amendments resulted in changes to accounting policies but no impact on the financial position or performance of the Group.

- IFRS 7 Financial Instruments Disclosures. The amendment emphasises the interaction between quantitative and qualitative disclosures and the nature and extent of risks associated with financial instruments. Financial instruments have been disclosed in Note 16.
- IAS 1 Presentation of Financial Statements. The amendment clarifies that an entity may present an analysis of each
  component of other comprehensive income maybe either in the statement of changes in equity or in the notes to the
  financial statements. The Group provides this analysis in the statement of changes in equity.

Other amendments resulting from Improvements to IFRSs to the following standards did not have any impact on the accounting policies, financial position or performance of the Group

- IFRS 3 Business Combinations (Contingent consideration arising from business combination prior to adoption of IFRS 3
  (as revised in 2008))
- IFRS 3 IFRS 3 Business Combinations (Measurement of non-controlling interests)
- IFRS 3 Business Combinations (Un-replaced and voluntarily replaced share-based payment awards)
- IAS 27 Consolidated and Separate Financial Statements
- IAS 34 Interim Financial Statements

The following interpretation and amendments to interpretations did not have any impact on the accounting policies, financial position or performance of the Group

- IFRIC 13 Customer Loyalty Programmes (determining the fair value of award credits)
- IFRIC 19 Extinguishing Financial Liabilities with Equity Instruments

### c New standards and interpretations not applied

The IASB and IFRIC have issued a number of new standards and interpretations with an effective date after the date of these financial statements. The Directors do not anticipate that the adoption of these standards and interpretations will have a material impact on the Group's and Company's financial statements in the period of initial application.

## Notes to the Financial Statements (continued) Year Ended 31 March 2012

#### 2 Accounting policies (continued)

#### c New standards and interpretations not applied (continued)

\*The effective dates stated above are those given in the original IASB/IFRIC standards and interpretations. As the Group prepares its financial statements in accordance with IFRS as adopted by the European Union, the application of new standards and interpretations will be subject to their having been endorsed for use in the EU via the EU Endorsement mechanism. In the majority of cases this will result in an effective date consistent with that given in the original standard or interpretation but the need for endorsement restricts the Group's discretion to early adopt standards. The Group has not early adopted any of the above standards.

The standards and interpretations noted in the table above are not expected to have any impact on the financial position or performance of the Group but in some cases may have an impact on the disclosure requirements of the Group

#### d Significant judgements and estimates

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the end of the reporting date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. It also requires management to exercise judgement in the process of applying the Group's accounting policies.

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting date that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year relate to the fair value of the investment in Enrichment Investment Limited and its associate URENCO Limited

At 1 April 2008 the assets and flabilities of Enrichment Investment Limited and its associate URENCO Limited were fair valued based on URENCO Limited's financial statements for the year ended 31 December 2007 after adjusting for trading to 31 March 2008 and goodwill previously written off in its accounts. The carrying value of the investment is subject to an annual impairment review to ensure that the carrying value of the investment held by the Group and parent Company does not exceed its recoverable amount.

#### e Basis of consolidation

The Group financial statements consolidate the financial statements of Enrichment Holdings Limited and the entities it controls (its subsidiary and associate) drawn up to 31 March each year

Subsidiaries are consolidated from the date of their acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases. The financial statements of subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting year as the parent Company and are based on consistent accounting policies. All intragroup balances and transactions, including unrealised profits arising from them, are eliminated

#### f Interests in associates

The Group's interests in its associates, being those entities over which it has significant influence and which are neither subsidianes nor joint ventures, are accounted for using the equity method of accounting

Using the equity method, the investment in an associate is carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associate, less distributions received and less any impairment in value of individual investments. The Group income statement reflects the share of the associate's results after tax. Where there has been a change recognised in other comprehensive income of the associate, the Group recognises its share of any such change in the Group statement of other comprehensive income.

Any goodwill arising on the acquisition of an associate, representing the excess of the cost of the investment compared to the Group's share of the net fair value of the associate's identifiable assets, liabilities and contingent liabilities, is included in the carrying amount of the associate and is not amortised. To the extent that the net fair value of the associate's identifiable assets, liabilities and contingent liabilities is greater than the cost of the investment, a gain is recognised and added to the Group's share of the associate's profit or loss in the period in which the investment is acquired.

The financial statements of the associate are prepared to 31 December which is within three months of the year end as permitted by IAS 28 Investments in associates. Where necessary adjustments are made to bring the accounting policies used in line with those of the Group, to take into account fair values assigned at the date of acquisition and to reflect impairment losses where appropriate. Adjustments are also made in the Group's financial statements to eliminate the Group's share of unrealised gain and losses on transactions between the Group and its associates.

#### g Foreign currency translation

Transactions in foreign currencies are initially recorded in the entity's functional currency by applying the spot exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the end of the reporting date. All differences are taken to the income statement, except when hedge accounting is applied and for differences on monetary assets and liabilities that form part of the Group's net investment in a foreign operation. These are taken to other comprehensive income until the disposal of the net investment, at which time they are reclassified from equity to retained earnings.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

## Notes to the Financial Statements (continued) Year Ended 31 March 2012

#### 2 Accounting policies (continued)

#### g Foreign currency translation (continued)

The assets and liabilities of foreign operations are translated into sterling at the rate of exchange ruling at the end of the reporting date. Income and expenses are translated at weighted average exchange rates for the year. The resulting exchange differences are recognised in other comprehensive income. On disposal of a foreign entity, the deferred cumulative amount recognised in equity relating to that particular foreign operation.

#### h Impairment of assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists or when annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount

#### i Investments

Investments comprise investments in subsidiaries and associates. The carrying values of investments are reviewed for impairment if events or changes in circumstances indicate that a provision for Impairment is required.

#### j Trade and other receivables

Trade receivables are recognised and camed at the lower of their original invoiced value and recoverable amount. Where the time value of money is material, receivables are camed at amortised cost. Provision is made when there is objective evidence that the Group will not be able to recover balances in full. Balances are written off when the probability of recovery is assessed as being remote.

#### k Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash. For the purpose of the consolidated cash flow statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts

#### I Trade and other payables

Trade and other payables are not interest bearing and are stated at their nominal value
