Appendix 4 - Breakdown of the Liquidator's time costs for the entire period of the liquidation

# 1. Introduction

The purpose of this report is to detail the acts and dealings of the Liquidator and it should be read in conjunction with previous reports to creditors.

I was appointed Liquidator of the Company on 13 October 2021.

Since 1 January 2021, I have been licensed to act as an Insolvency Practitioner in the UK by the Institute of Chartered Accountants in England and Wales and prior to that date I was licensed by the Insolvency Practitioners Association. I can confirm that there has been no change in office-holder since the date of the liquidation.

Statutory information regarding the Company is provided at Appendix 1.

## 2. Progress

### Administration

There are certain administrative tasks which I am required to undertake whilst acting as Liquidator of the Company. These actions contribute to the efficient running of the estate and are required by statute and regulation. There is no direct financial benefit for creditors.

These include reviewing the circumstances of the case to determine the appropriate strategy, regular reviews of the case and dealing with any post appointment tax matters and HMRC correspondence.

### Assets

Actions taken in relation to assets may have a direct financial benefit for creditors by way of a distribution to creditors after settlement of properly incurred costs.

According to the Statement of Affairs lodged in these proceedings, the assets of the Company had an estimated value of £2,500.00.

Creditors should refer to previous reports for details of assets realised in prior periods.

There have been no asset realisations during the period of this report.

## 3. Investigations

Actions taken in relation to investigations will only have a direct financial benefit for creditors if actions or assets are identified for realisation into the estate. The Liquidator has a statutory and regulatory duty to complete investigations into the conduct and affairs of the Company and its directors.

An initial investigation into the Company's affairs was undertaken to establish whether there were any potential asset recoveries or conduct matters that justified further investigation.

These investigations included reviewing the changes in the Company's assets and liabilities in the period from its last accounts for the financial period ending 31 August 2020 to the date of Liquidation and a review of the Company's bank statements.

I have also considered the Company's use of Covid support schemes and its entitlement to the same.

My initial investigations have identified some matters of interest which warrant further explanation by the Director of the Company. These queries relate to the following:

- transactions with unknown parties in the period leading up to the liquidation

During the period I have issued correspondence in respect of the same, however I am yet to receive a response. It is currently uncertain whether the queries identified will result in realisations, however the relevant action will be taken on receipt of further information in respect of the same.

I am also continuing to pursue documents which will allow me to progress my investigations further in this matter. A review of these documents will be conducted on receipt to establish whether there are any potential asset recoveries or conduct matters in the liquidation.

A report on the conduct of any individuals, who have been directors of the Company in the three years prior to the insolvency, is required to be submitted to the Secretary of State within three months of my appointment. I confirm that this has been submitted, however the content of this report is confidential.

## 4. Costs and Expenses

A Receipts & Payments Account for the period covered by this report and the liquidation in its entirety is enclosed at Appendix 2. Receipts relating to asset realisations have been detailed in the progress section above. Information in relation to the costs and expenses of the liquidation are detailed below.

### Pre-Appointment Costs

At the decision procedure held on 16 November 2021 it was resolved that the Liquidator's fee in relation to assisting the directors with preparing the Statement of Affairs be fixed at £2,500.00 plus VAT. I have drawn the sum of £2,500.00 plus VAT.

The fixed fee is considered to be fair and reasonable as it provides creditors with certainty as to the level of the fee to be charged for this work. Further, the Liquidator considers that the fee is commensurate with the amount of work required to carry out these activities in their professional experience.

### Liquidator's Remuneration

On 16 November 2021 creditors agreed the basis upon which I was to be remunerated. A resolution was passed that I be remunerated on the basis of time properly spent by me and my staff in attending to matters arising in the administration of the liquidation. A fee estimate of £23,500.00 was provided when seeking the resolution.

My time costs for the period 13 October 2022 to 12 October 2023 total £2,740.00 represented by 9.60 hours at an average hourly rate of £285.42. A breakdown of these time costs is enclosed at Appendix 3.

The total time costs during the period of appointment amount totals £5,775.00 represented by 21.70 hours at an average hourly rate of £266.13. A breakdown of these time costs can be seen at Appendix 4.

The sum of £34.64 has been drawn in respect of these time costs to date.

As set out above, a fee estimate was agreed by creditors to limit my liquidator's fees to £23,500.00 plus VAT. It is not anticipated that time costs will exceed the amount provided in the fee estimate.

### Liquidator's Expenses

My category 1 expenses paid for the period up to the end of this report are detailed below. None of these costs have been recovered to date.

## 6. Further Information

As a creditor, you have a right to request further information with regard to any aspect of this report or to challenge my fees and expenses. If you require further information, please do not hesitate to contact me.

If you require any further information, please make a request in writing within 21 days of receipt of this report. I shall provide this information within 14 days of the request unless it is considered that:

If you are not satisfied with my response, you have the right to request further information from me with regard to my remuneration and expenses, with either the permission of the Court or with a collective request from 5% in value of unsecured creditors. This request must be made within eight weeks of receipt of this report.

Further, creditors have the right to apply to Court to challenge the amount of, or the basis of, my remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This application must be made within eight weeks of receipt of this report.

## 7. Conclusion

As set out in further detail throughout this report, I am currently unable to conclude the liquidation as the following matters are outstanding:

- I am querying transactions of interest with the Director and pursuing further documents which might assist in progressing my investigations.
- I am also continuing to meet my post-appointment taxation obligations.

The next report will either be to conclude the liquidation or will be issued within two months of the next anniversary.

If you have any queries, please contact Sam Smith at this office.
