NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 JUNE 2021

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is 168 Church Road, Hove, East Sussex, BN3 2DL.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The financial statements have been prepared under the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends upon the continuing support of the company's group companies and directors. If the company were unable to continue in operational existence for the foreseeable future, adjustment would have to be made to reduce the balance sheet values of the assets to their recoverable amounts, and to provide for further liabilities that might arise. The director believes that it is appropriate for the financial statements to be prepared on the going concern basis.

The directors consider that the uncertainty caused in the industry as a result of Coronavirus and the restrictions put in place by the government should not materially affect the company's ability to continue as a going concern.

The company may take advantage of the support packages offered by the government, as appropriate and will continue to review and monitor costs as the situation develops.

Income statement

The company is dormant as defined by section 1169 of the Companies Act 2006. The company received no income and incurred no expenditure during the current year or prior year and therefore no income statement is presented within these financial statements. There have been no movements in shareholder deficit during the current year or prior year.
