The notes form part of these abbreviated accounts

**Notes to the Abbreviated Accounts
for the Year Ended 31 December 2013**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account is the amount receivable for the provision of goods and services falling within the Company's activities, net of Value Added Tax, rebates and trade discounts.

Turnover from the provision of goods and services is recognised in the accounting period in which the Company obtains the right to consideration in exchange for its performance and when the amounts to be recognised are fixed or determinable and collectability is reasonably assured.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2008, is being amortised evenly over its estimated useful life of ten years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|-----------------------|---------------------------|
| Plant and machinery | - 15% on reducing balance |
| Fixtures and fittings | - 15% on reducing balance |
| Motor vehicles | - 25% on reducing balance |

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as the financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the asset of the company after deducting all of its liabilities.
