Please note that the above company is a Private Company limited by Guarantee. It is a dormant company because there are no bank accounts for this company and no money is exchanged. The sole purpose of this company is to maintain a communal driveway, parking area and communal paths. The two previous years' accounts that were sent to you have been incorrectly filed and recorded as a company owning shares. I have informed Companies House that these were wrongly filed (I have recently taken over from the previous company secretary and noticed the error made). Companies House have noted this on their records and advised me to record the accounts for 2010 as above.

Signed

Mrs Fiona Foord, Company Secretary
