Joint Liquidators' First Progress Report 29 August 2014

**APPENDIX C** 

# LEONARD CURTIS CHARGE OUT RATES AND POLICY REGARDING STAFF ALLOCATION, SUPPORT STAFF, THE USE OF SUBCONTRACTORS AND THE RECHARGE OF DISBURSEMENTS

The following information relating to the policy of Leonard Curtis is considered to be relevant to creditors

#### Staff Allocation and Support Staff

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution of the secured creditors, a creditors' committee or creditors generally, that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters arising in the appointment, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rate given below.

With effect from 6 January 2014, the following hourly charge out rates apply to all assignments undertaken by Leonard Curtis

#### **Subcontractors**

Details and the cost of any work which has been or is intended to be sub-contracted out that could otherwise be carried out by the office holders or their staff will be provided in any report which incorporates a request for approval of the basis upon which remuneration may be charged

#### Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements. The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

#### Disbursements

- a) Category 1 disbursements. These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision.

Internal photocopying General stationery, postage, telephone etc Storage of office files (6 years) Business mileage 10p per copy £100 per 100 creditors/ members or part thereof £66 09 per box 45p per mile
