Notes to the Abbreviated Accounts for the period ended 31 March 2015**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the revenue resulting from exchange transactions under which a seller supplies to customers the goods or services that it is in business to provide, exclusive of value added tax. Following the principles of revenue recognition as stated in UITF 40 and Application Note G of Financial Reporting Standard 5, income is recognised as the right to consideration is obtained through application of contractual performance.

Tangible assets depreciation policy

The cost of tangible fixed assets includes expenditure incurred in bringing the assets into working condition for their intended use. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Rate Method

Office equipment 25% per annum reducing balance

Vehicles 25% per annum reducing balance

Equipment and tools 25% per annum reducing balance
