Notes to the Abbreviated Accounts for the Period 17 March 2008 to 30 April 2009

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

Turnover

Turnover, stated net of value added tax, is recognised when the company obtains the right to consideration. Consequently turnover comprises the net amount invoiced during the year adjusted for work in progress, valued at the lower of the carrying value based upon charge out rates and the recoverable amount. Closing work in progress recognised as turnover is included in debtors.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2008, is being amortised evenly over its estimated useful life of twenty years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc

- 25% on reducing balance and

25% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Operating leases

Property rental is charged to the profit and loss account on an accruals basis.

Pension contributions

Contributions are paid to a defined contribution scheme and contributions are charged to the profit and loss account in the period during which they are paid.
