**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's objectives are to promote any charitable purpose for the benefit of the community in the Staffordshire Moorlands and surrounding areas, by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress.

The Charity is registered as a Local Citizens Advice. All of the advice services are to be free and confidentially provided to anyone who may need them. The Charity will be robustly impartial and independent despite the use of several substantial grants and contracts to deliver specified types of advice service locally, all of which are received with gratitude from funders.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

OBJECTIVES AND ACTIVITIES

Aims, Objectives, Strategies and Activities for the Year

Citizens Advice Cheadle provides free, independent, confidential and impartial advice to everyone on their rights and responsibilities. It values diversity, promotes equality and challenges discrimination. The service aims to provide the advice people need for the problems they face, and to improve the policies and practices that affect people's lives.

The Charity also seeks to influence social policy, both locally and nationally, where instances of clients suffering are detected and where it is felt that policies could be altered.

Citizens Advice Cheadle covers an area of both rural and semi-rural wards; some of which are acknowledged to contain areas of deprivation whereby residents are living with the effects of poverty and ill health. The area experiences a number of socio economic problems with the wards of Cheadle North East, Cheadle South East, Cheadle West, Caverswall and Checkley, reporting low levels of access to geographical services and high levels of limiting long term illness.

We aim to meet the needs of the community we service and our service aims to be as accessible as possible to all. We aim to reduce the barriers faced by people in accessing advice by:

- a. In addition to continuing our provision of high quality advice from our main outlet in Cheadle, we also continued to provide a specialist debt advice service in Leek & Biddulph.
- b. We provided educational work in the areas of digital and money skills.
- c. Managing energy better to reduce fuel poverty.
- d. Specialist Homelessness and Housing Advice.
- e. Support and advice to beneficiaries of the HMRC service.
- f. Citizens Advice Cheadle is a member of the UK online centres providing free informal access to the internet, basic computer training courses for beginners and advice about getting online to members of the community who are disadvantaged or digitally excluded.
- g. Employability skills and confidence building.

The principle activity of Citizens Advice Cheadle remained the provision of free, confidential, independent and impartial advice, information and counsel for members of the public. In addition to generalist advice, specialist services were provided on debt provision.

In common with many organisations Covid-19 had a substantial impact on our ability to deliver face to face services to clients. At an early stage we identified the risks which might arise out of the pandemic both financially and to staff and volunteers. When lockdown was announced the management team moved swiftly to adapt the service to provide advice by telephone and digital means and for support staff and volunteers to work from home. Unfortunately many of our volunteers paused their volunteering and funding was sought to increase capacity and provide the necessary equipment to support remote work during these challenging times.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

OBJECTIVES AND ACTIVITIES

Social investments

- a. Generalist advice provision in the areas of welfare benefits, debt, housing, employment, family and personal, tax and legal issues.
- b. Information, signposting and referral to support and empower people to take positive action to help themselves
- c. Specialist advice in complex areas of law such as debt.

We aim to reduce the barriers faced by people in accessing advice through:

- a. Continuing our provision of high quality advice from our main outlet in Cheadle, we have also established our specialist advice service within Biddulph and Leek.
- b. To extend the means of service provision to the extent that necessary knowledge and skills were not pre-existing. This was achieved through successful applications for funding to various local and national providers of community finance.

Citizens Advice Cheadle intervention maximises peoples' income through Welfare Benefits and Debt advice ensuring that people have sufficient income to meet their basic needs for food, fuel, high level basic needs for social interaction and are more able to make healthier lifestyle choices, all of which will have a positive impact on their health.

People reliant on Welfare Benefits as their only source of household income have less financial resources to cope with expected and unexpected financial pressure and their level of indebtedness is likely to be higher. Citizens Advice Cheadle takes a holistic approach to advice, providing a range of options to address multiple issues.

Volunteers

The Charity receives help and support in the form of voluntary assistance in advising the public and administering the Charity.

10 volunteers contributed approximately 2,150 hours of work for the bureau during the year. We estimate the value of this help at £50,180 in respect of the current year (2020/21). In 2019/20, 5,400 hours of work were contributed at a value of £125,446.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In 2020/21 we saw 1,693 clients (up 10% on 2019/20 and 67% on 2018/19) with 9,576 issues (up 9% on 2019/20) due, in part, to increasing our presence on phone and digital access channels and the phenomenal demand caused by the pandemic.

The areas of welfare benefits (60%), employment (9%) and debt (6.7%) remain the highest areas of concern to our clients. Whilst having a professional team of volunteers and paid staff to support beneficiaries, there has been increased pressure to see beneficiaries with demand continuing to exceed resources.

The LCA assisted its clients to claim an additional £882,135 in benefits, money which will not only provide clients with a better standard of living but also prove of benefit to the local economy when used to purchase goods in the local community.

The level of our beneficiaries' indebtedness was recorded at £148,586 in the Staffordshire Moorlands. This is a decrease of £1,404,901 due to the Breathing Space Measures, a debt respite scheme for clients, put in place by the Government during the pandemic.

The population of the Staffordshire Moorlands is aging and our client profile shows the ages of clients approaching us for assistance as:

Under 25	7.3%
25-29	9%
30-34	12%
35-39	10.5%
40-44	10.3%
45-49	10.6%
50-54	10.6%
55-59	8.9%
60-64	9.5%
65-69	5.6%
70-74	2.3%
75+	3.4%

With females making up 57% of those who accessed our service.

43% of clients reported that they suffered from some form of physical or mental illness.

14% of our client group stated that their ethnicity was other than White British (up 7% from 2019/20).

Fundraising activities

Total income for the year was £231,541 with the overall position at the end of the year being satisfactory.

FINANCIAL REVIEW

Principal funding sources

The Trustees extend their gratitude to Staffordshire Moorlands District Council and Cheadle Town Council who continued to support the core operating capacity of the Charity. Additionally, project specific funding was received from Staffordshire Moorlands District Council in support of homelessness prevention, the Money Advice Service in support of debt advisory work, Energy Advice Project (EAP) in the area of energy advice, Good Things Foundation (HMRC, HMCTS, Make It Click Financial inclusion projects) in the area of tax advice, Help to Claim Project (DWP), Up Your Game project to provide employability skills and confidence building for vulnerable clients seeking work.

Emergency funding was received from BEIS, National Lottery and Staffordshire Community Foundation to increase our capacity in the provision of a phone and digital service to the community.

Staffordshire Moorlands District Council also provided 100% relief on the business rates at the balance sheet due date.

FINANCIAL REVIEW

Investment policy and objectives

Apart from retaining a prudent amount in reserves each year, most of the charity's funds are to be spent in the short term, resulting in there being no funds for long term investment.

Reserves policy

Citizens Advice Cheadle is required to ensure that free monies are available in each financial year to meet any reasonable, foreseeable contingency. The bureau will maintain a projection of income for at least 3 years ahead and will ensure that this continues to be derived from as wide a variety of sources as possible. They will take all necessary steps to ensure that at no time within this period would it be possible for the cessation of one or more funding streams to present so serious a challenge to the future of the organisation that it could not be managed so as to continue to provide a best value advice service.

In reviewing the potential costs that could arise should a significant reduction in income be incurred, the Trustees have determined that 'free' reserves should be maintained to equal 4 months operating expenditure and a redundancy fund being placed in a restricted tailored deposit account.

The Trustees currently have £14,095 in a deposit account in relation to the redundancy fund.

Going concern

The trustees consider that the charity has sufficient funds to continue as a going concern for the foreseeable future.

FUTURE PLANS

Citizens Advice Cheadle aims to continually improve access to its service for beneficiaries.

Citizens Advice Cheadle intends to look for a merger partner to secure the future of the service in the long term.

Citizens Advice Cheadle continues to collaborate with their Citizens Advice neighbours and other third sector organisations to secure their future.

Public Benefit Statement

The Trustees have paid due regard to the Charity Commissions guidance on public benefit in deciding the activities undertaken by the bureau during the year. The Trustees are satisfied that the information provided in the report and accounts contained therein meet the public benefit reporting requirement.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Citizens Advice Cheadle is a Registered Charity. The maximum liability of each member is limited to £1. Citizens Advice Cheadle is governed by its Memorandum and Articles of Association.

Citizens Advice Cheadle was incorporated as a Company Limited by Guarantee on 18th March 2008. The Charity commenced operations on 1st April 2009 at which date all assets and liabilities of the unincorporated Cheadle Citizens Advice Bureau were acquired.

The day to day running of Citizens Advice Cheadle was delegated to its Chief Officer, Julie Billingham.

Recruitment and appointment of new trustees

Trustees, who are also Directors of the Company, are elected from the local community. Trustees will be selected and appointed in line with the organisations Memorandum and Articles of Association.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

Citizens Advice Cheadle is governed by its Trustee Board, which is responsible for setting the strategic direction of the organisation and the policy of the Charity. The Trustees carry the ultimate responsibility for the conduct of Citizens Advice Cheadle for ensuring that the Charity satisfies its legal and contractual obligations. Trustees meet as a minimum four times a year and delegate the day to day operation of the organisation to senior management. The Trustee Board is independent from the management.

Induction and training of new trustees

Newly appointed Trustees are offered a comprehensive induction to the Citizens Advice Service and the work of Citizens Advice Cheadle. Citizens Advice Cheadle also offers ongoing support and training to Trustees.

Related parties

Citizens Advice Cheadle is a member of Citizens Advice, the operating name of the National Association of Citizens Advice Bureaux, which provides for standards of advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the Trustee Board of the organisation in order to fulfil its charitable objectives and comply with the national membership requirements.

The Charity also co-operates and liaises with a number of other advisory services, local charities and social service departments on behalf of clients. Where one of the Trustees hold the position of trustee/director of another Charity, they may be involved in discussions regarding that other Charity, but not in the ultimate decision making process.

Independent examiner

A resolution to re-appoint Curtis Accountants Ltd as independent examiner for the ensuing year will be proposed at the Annual General Meeting.
