## Meighs & Westleys Limited

### Strategic Report for the Year Ended 30 June 2018

The directors present their strategic report for the year ended 30 June 2018.

#### Principal activity

The principal activity of the company is manufacture and supply of non-ferrous casting in finished machined and un-machined state.

#### Fair review of the business

At the end of the previous financial year the Company acquired the trade and assets of a sister company, Westleys Limited, which was also a sand-casting business. This has led to an improvement in the trading performance as the resources employed have been more aligned to the volume of work available.

Further to this an improvement in the mix of work, with an increase in higher margin defence work and also a re-emergence of casting work within the art sector, which has subdued for a number of years, have assisted the business in returning a profitable performance, generating EBITDA of £596,977.

The Directors are confident that this performance will continue to improve the forthcoming financial year as the order book position is stronger and order intake performance is more robust than in recent times. There are still risks surrounding the pricing, cost and therefore profitability of some of the commercial work undertaken and the management is working to ensure that controls are in place and risks managed with this workload.

The company's key financial and other performance indicators during the year were as follows:

	Unit	2018	2017
Turnover	£	16,469,670	5,538,791
Turnover per employee	£	121,998	149,697
Gross Profit	£	2,908,670	1,278,029
Gross Profit %	%	18	23
EBITDA (before exceptional items)	£	678,134	(198,860)
EBITDA %	%	4	(4)

#### Principal risks and uncertainties

The management continually monitors the key risks facing the business as well as assessing the controls used for managing these risks.

The markets the Company mainly operates in expose it to a demand led by oil and gas prices. The oil price has gradually improved in recent times but the large scale infrastructure projects in this area take time to recommence in line with the price improvements. Therefore, the Company continues to explore and service new markets including obtaining regulatory approvals to serve these markets and this is having the benefit of diversification for the business.

The company also operates in the defence market in which material contracts tend to run for a number of years. The business is dependent upon winning new contracts when long term contracts are completed and works closely with its customer base to remain the preferred supplier. The timing of these contracts is dependent upon both the policies of the government and customers and the business must manage capacity in light of these factors.

The metal content of the Company's product expose it to fluctuations in metal prices. The Company manages this by purchasing strategies and sales contracts linked to material prices.

**Meighs & Westleys Limited**

**Strategic Report for the Year Ended 30 June 2018 (continued)**

Approved by the Board on 21 March 2019 and signed on its behalf by:

.....  
Michael James Richards  
Director

## **Meighs & Westleys Limited**

### **Directors' Report for the Year Ended 30 June 2018**

The directors present their report and the financial statements for the year ended 30 June 2018.

#### **Directors of the company**

The directors who held office during the year were as follows:

James Michael Salisbury

Robert John Salisbury

Michael James Richards

#### **Financial instruments**

#### ***Objectives and policies***

The company's activities expose it to a number of financial risks including price risk, credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the company's policies approved by the board of directors, which provide written principles on the use of financial derivatives to manage these risks. The company does not use derivative financial instruments for speculative purposes.

#### ***Price risk, credit risk, liquidity risk and cash flow risk***

##### **Price risk:**

The Company is exposed to commodity price risk. The Company does not manage its exposure to commodity price risk where it is considered financially appropriate, presently this is only in respect of metal purchasing.

##### **Credit risk:**

The Company's principle financial assets are bank balances and cash, trade and other receivables.

The Company's credit risk is primarily attributed to trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in recoverability of cash flows.

The company has no significant concentration on credit risk, with exposure spread over a large number of customers.

##### **Liquidity risk:**

The Company has funded and intends to continue funding its ongoing operations and future developments through cash generated from operating activities and secured bank borrowings.

##### **Cash flow risk:**

The Company is not significantly exposed to the financial risk of foreign currency exchange rates. Interest bearing assets are held at fixed rates to ensure certainty of cash flows.

#### **Disclosure of information to the auditors**

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditors are unaware.

## **Meighs & Westleys Limited**

### **Directors' Report for the Year Ended 30 June 2018 (continued)**

#### **Reappointment of auditors**

The auditors Walker Hubble are deemed to be reappointed under section 487(2) of the Companies Act 2006.

Approved by the Board on 21 March 2019 and signed on its behalf by:

.....  
Michael James Richards  
Director

## **Meighs & Westleys Limited**

### **Statement of Directors' Responsibilities**

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Meighs & Westleys Limited**

### **Independent Auditor's Report to the Members of Meighs & Westleys Limited**

#### **Opinion**

We have audited the financial statements of Meighs & Westleys Limited (the 'company') for the year ended 30 June 2018, which comprise the Profit and Loss Account and Statement of Retained Earnings, Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **Meighs & Westleys Limited**

### **Independent Auditor's Report to the Members of Meighs & Westleys Limited (continued)**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities [set out on page 6], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

## Meighs & Westleys Limited

### Independent Auditor's Report to the Members of Meighs & Westleys Limited (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Gavin Richard Pearson (Senior Statutory Auditor)  
For and on behalf of Walker Hubble, Statutory Auditor

# **Meighs & Westleys Limited**

## **Notes to the Financial Statements for the Year Ended 30 June 2018**

### **1 General information**

The company is a private company limited by share capital, incorporated in England.

The address of its registered office is:

Doulton Road  
Cradley Heath  
West Midlands  
B64 5QS

The principal place of business is:

Holditch Road  
Newcastle  
Staffordshire  
ST5 9JG

These financial statements were authorised for issue by the Board on 21 March 2019.

### **2 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

- The principal accounting policies applied in the preparation of these financial statements are set out below.
- These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Statement of compliance**

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

#### **Basis of preparation**

- These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

#### **Revenue recognition**

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;  
it is probable that future economic benefits will flow to the entity;  
and specific criteria have been met for each of the company's activities.

#### **Tax**

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

## **Meighs & Westleys Limited**

### **Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)**

#### **2 Accounting policies (continued)**

##### **Tangible assets**

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

## Meighs & Westleys Limited

### Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)

#### 2 Accounting policies (continued)

##### Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Leasehold property	Over 4 to 25 years straight line
Plant & Machinery	Over 5 to 20 years straight line
Fixtures & Fittings	Over 3 to 10 years straight line
Motor Vehicles	Over 4 years straight line
Equipment	Over 3 to 10 years straight line

##### Business combinations

Business combinations are accounted for using the purchase method. The consideration for each acquisition is measured at the aggregate of the fair values at acquisition date of assets given, liabilities incurred or assumed, and equity instruments issued by the group in exchange for control of the acquired, plus any costs directly attributable to the business combination. When a business combination agreement provides for an adjustment to the cost of the combination contingent on future events, the group includes the estimated amount of that adjustment in the cost of the combination at the acquisition date if the adjustment is probable and can be measured reliably.

##### Investments

Investments in equity shares which are publicly traded or where the fair value can be measured reliably are initially measured at fair value, with changes in fair value recognised in profit or loss. Investments in equity shares which are not publicly traded and where fair value cannot be measured reliably are measured at cost less impairment.

Interest income on debt securities, where applicable, is recognised in income using the effective interest method. Dividends on equity securities are recognised in income when receivable.

##### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

##### Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

## **Meighs & Westleys Limited**

### **Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)**

#### **2 Accounting policies (continued)**

##### **Stocks**

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first-in, first-out (FIFO) method.

The cost of finished goods and work in progress comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. At each reporting date, stocks are assessed for impairment. If stocks are impaired, the carrying amount is reduced to its selling price less costs to complete and sell; the impairment loss is recognised immediately in profit or loss.

##### **Trade creditors**

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Profit and Loss Account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

##### **Leases**

Leases in which substantially all the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease.

##### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

##### **Defined contribution pension obligation**

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

## Meighs & Westleys Limited

### Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)

#### 3 Turnover

The analysis of the company's turnover for the year by class of business is as follows:

	2018 £	2017 £
Sale of goods	<u>16,469,670</u>	<u>5,538,791</u>

The analysis of the company's turnover for the year by market is as follows:
