Draft report of the Liquidator for presentation to the final meetings convened for 4 July 2013

Realisation of Assets

I have previously reported on the realisation of assets and regret that it has not been possible to make any further recoveries in respect of the debts

Liquidation Costs

The receipts and payments summary as Appendix 2 identifies the individual categories of expenditure incurred in this liquidation and, although I do not think it requires further comment, please let me know if you require any additional explanation. Expenditure incurred where payment has not been made yet due to lack of funds relates to the Liquidator's accrued time and costs as referred to below and certain disbursements, bond premium and statutory advertising

In accordance with statutory requirements and Statement of Insolvency Practice 9, I enclose an analysis as Appendix 3 of the time incurred by myself and staff in this administration. I am obliged to record the average hourly rate in this respect which stands at £104.87. The staff engaged in this liquidation have been allocated according to the training, experience and seniority required to address the demands of the job. I have received creditors' approval to drawing my remuneration based upon time costs accrued. Although my time stands at £7,561.08, against which I have only drawn £2,700 due to lack of funds.

A Creditors Guide to Liquidation Costs and my firm's Charging Policy have been provided previously and can be accessed on the website www.lbinsolvency.co.uk. My rates are reviewed annually on 1 September. Creditors are invited to judge the levels of these fees taking into account the complexity of the case, the circumstances and the effectiveness of bringing the matter to a conclusion. I trust that the explanations given in this report provide appropriate information in agreeing to support the fee.

Creditors have the right to require further information regarding these costs. The enquiry must be made in writing within 21 days of receipt of this report. If there is any challenge to the level of remuneration drawn, application should be made within 8 weeks of this report.

Distribution Prospects

There were insufficient funds to meet the full costs of the liquidation administration and therefore there is no likelihood of funds being available for any class of creditor.
