BETWEEN:

- (1) **PENARTH MASTER ISSUER PLC** a public limited company incorporated under the laws of England and Wales (registered number 6615304) whose registered office is at 35 Great St. Helen's, London EC3A 6AP (the "**Issuer**"); and
- (2) **DEUTSCHE BANK TRUST COMPANY AMERICAS** a company incorporated in the state of New York, whose office is 60 Wall Street, 26th Floor, Mail Stop NYC 60-2606, New York, New York 10005, United States of America (the "**Note Trustee**", which expression includes, where the context admits, all persons for the time being the trustee or trustees of this Note Trust Deed).

WHEREAS

- (A) The Issuer has authorised the establishment of the Programme. Notes may be issued pursuant to the Programme.
- (B) Each Series of Notes issued in accordance with the Programme will be constituted and secured by this Note Trust Deed and the relevant Note Trust Deed Supplement executed on or about the relevant Issue Date.
- (C) The Note Trustee has agreed to act as trustee of the Security Documents for each Series and to hold the Security on trust for the Secured Creditors on the terms and conditions contained in this Note Trust Deed and any relevant Note Trust Deed Supplement.

NOW THIS NOTE TRUST DEED WITNESSES AND IT IS HEREBY DECLARED as follows:

1. DEFINITIONS

- 1.1 Unless otherwise defined in this Note Trust Deed or the context requires otherwise, words and expressions used in this Note Trust Deed have the meanings and constructions ascribed to them in the Master Definitions Schedule set out in Schedule 1 of the Issuer Master Framework Agreement dated 16 October 2008 and amended and restated on or about the date hereof between, *inter alios*, the Issuer and the Note Trustee.

1.2 Incorporation of Common Terms

Except as provided below, the Common Terms apply to this Note Trust Deed, where applicable, and shall be binding on the parties to this Note Trust Deed and the Noteholders as if set out in full in this Note Trust Deed.

1.3 Amendment to Common Terms

The Common Terms are, for the purposes of this Note Trust Deed, amended as follows:

- 1.3.1 Paragraph 1 (*Further Assurance*) of the Common Terms applies to this Note Trust Deed as if set out in full in this Note Trust Deed, and as if the Issuer were the Obligor (as defined therein) and the Note Trustee were the Obligee (as defined therein).

1.4 Conflict with Common Terms

If there is any conflict between the provisions of the Common Terms and the provisions of this Note Trust Deed, the provisions of this Note Trust Deed shall prevail, save for where any provision of this Note Trust Deed relates to VAT, in which case the provisions of the Common Terms shall prevail.

2. AMOUNT AND ISSUE OF THE SERIES OF NOTES

2.1 Issuance in Series

The Issuer shall be at liberty from time to time (but subject always to the provisions of this Note Trust Deed) without the consent of the Noteholders or any other party to this Note Trust Deed or any other beneficiary of the trusts of this Note Trust Deed to create and issue new Series of Notes upon such terms as to ranking, interest, conversion, redemption and otherwise as the Issuer may at the time of issue of such Series determine, **provided that** such Series of Notes are not consolidated, and do not form a single Series with any existing Series and are not secured on the Secured Property in respect of any existing Series. A Series of Notes shall be secured on, and only on, such Secured Property as may be specified in the Note Trust Deed Supplement constituting such Series of Notes.

2.2 Constitution of Notes

The Notes of any Series which are to be created and issued pursuant to the provisions of Clause 2.1 (*Issuance in Series*) shall be constituted pursuant to a Note Trust Deed Supplement. On any Issue Date, the Issuer shall procure the registration in the applicable Register of the relevant Note(s) in the name of each relevant initial Noteholder upon receipt by the Note Trustee of the following documents in form and substance satisfactory to it:

- 2.2.1 an executed Note Trust Deed Supplement (duly stamped or denoted with any applicable stamp duties or when documentation taxed) in respect of the Series of Notes to be issued satisfying the criteria set out in Clause 2.3 (*Note Trust Deed Supplement*) below and specifying the Principal Terms (as defined below) of such Series and the supplements, amendments and variations to this Note Trust Deed as a consequence thereof;
- 2.2.2 a certificate signed by one director of the Issuer certifying the absence of any Event of Default or Potential Event of Default;
- 2.2.3 legal opinions (in form and substance satisfactory to the Note Trustee) from legal advisers in such jurisdictions as may be required by the Note Trustee

(including, unless the Note Trustee agrees otherwise, a legal opinion in relation to the Security Documents);

- 2.2.4 a solvency certificate signed by a duly authorised signatory and dated the Issue Date, from the Issuer;
- 2.2.5 each other document in respect of the Series of Notes including the relevant Subscription Agreement, the Note Trust Deed Supplement, the Supplement to the Global Loan Note and the Swap Agreements (where applicable); and
- 2.2.6 such other documents as the Note Trustee may require (including, without limitation, waivers or releases from any person with a prior encumbrance over any Secured Property).

2.3 Note Trust Deed Supplement

- 2.3.1 A Note Trust Deed Supplement shall be executed in order to effect each issuance of a Series of Notes and to create security over the relevant Secured Property relating to such Series of Notes, and such Note Trust Deed Supplement shall:
 - (a) be executed by the Issuer, Note Trustee, the Principal Paying Agent, the Agent Bank and, where applicable, the Swap Counterparty and any other party to such supplement;
 - (b) set out the consent of the Note Trustee to such issue of the Series of Notes which shall be deemed to be given by its execution of the Note Trust Deed Supplement;
 - (c) constitute, after the issuance of the relevant Series of Notes, a supplement by the Issuer and the Note Trustee to this Note Trust Deed which, in respect of such Series of Notes, shall thereafter be read and construed as supplemented, amended and varied by such Note Trust Deed Supplement;
 - (d) set out the principal terms of such Series of Notes (all such terms the "**Principal Terms**") which shall include, without limitation, the following:
 - (i) the Principal Amount Outstanding of the Notes upon issue for such Series upon their issuance;
 - (ii) the Secured Property for such Series;
 - (iii) the Class of the Notes;
 - (iv) the Issue Date;
 - (v) the names of any accounts or ledgers to be used in relation to such Series of Notes and the terms governing the operation of any such accounts or ledgers and use of monies therein;

- (vi) the priority of payments prior to enforcement;
- (vii) any additional Secured Creditors;
- (viii) the terms governing any deposit into any account provided for such Series; and
- (ix) any other relevant terms of such Series.

2.3.2 The Issuer shall, without any requirement to obtain the consent of the Secured Creditors, the Security Beneficiaries or the Noteholders of any other Series of Notes, arrange for a Note Trust Deed Supplement to be executed in accordance with sub-clause 2.3.1 **provided however that** such Note Trust Deed Supplement shall not be executed unless the Note Trustee is of the opinion that the execution of such Note Trust Deed Supplement and the issue of the Notes of the related Series will not be materially prejudicial to the rights, benefits and interests of the Secured Creditors, the Security Beneficiaries or the Noteholders of any other Series and for this purpose the Note Trustee shall be entitled to determine that it is not materially prejudicial to the rights, benefits and interests of such Secured Creditors if it receives written confirmation in accordance with sub-clause 2.3.3.

2.3.3 Notwithstanding that none of the Note Trustee and the Noteholders may have the right of recourse against the Rating Agencies in respect of confirmation given by such Rating Agencies and relied upon by the Note Trustee pursuant to this sub-clause, each of the Issuer and the Note Trustee shall be entitled to take into account, in considering whether the execution of the Note Trust Deed Supplement and the issue of the Notes of the related Series will not be materially prejudicial to the rights, benefits and interests of the Secured Creditors, the Security Beneficiaries or the Noteholders of any other Series and in particular will not be materially prejudicial to the timing and distribution of payments to such other Secured Creditors, the Security Beneficiaries or the Noteholders of such Series if it receives written confirmation from:

- (a) each relevant Rating Agency that the issue of Notes of the relevant Series will not result in such Rating Agency reducing or withdrawing its then current rating on any outstanding Associated Debt for any other Series; or
- (b) an investment banking firm or commercial bank recognised in the United Kingdom in the form of a director's certificate to that effect **provided however, that** such confirmation shall be required only if on the relevant Issue Date there is one or more Series then in issue and any of the outstanding Associated Debt of the Noteholders within such Series is not currently rated by a Rating Agency.

It is agreed and acknowledged that, notwithstanding the foregoing, a credit rating is an assessment only of the likelihood of the timely payment of interest and ultimate payment of principal in full on the Notes on a date that is not later than the Final Redemption Date and does not address other matters that may be of relevance to Noteholders. In being entitled to take into account the fact that

the Rating Agencies have confirmed that the then current rating of the relevant Class of the Notes would not be adversely affected, it is expressly agreed and acknowledged by the Note Trustee and specifically notified to Noteholders (and to which they are bound by the Conditions) that the above does not impose or extend any actual or contingent liability for the Rating Agencies to the Note Trustee, the Noteholders or any other Person or create any legal relations between the Rating Agencies and the Note Trustee, the Noteholders or any other Person whether by way of contract or otherwise.

- 2.3.4 Each Secured Creditor or Security Beneficiary, by its execution of a Note Trust Deed Supplement, or in the case of a Noteholder, by the purchase of the relevant Notes subject to the relevant Conditions, consents and confirms that the security trust constituted for the benefit of the relevant Secured Creditor, the Security Beneficiary or Noteholder under this Note Trust Deed and any Note Trust Deed Supplement may be supplemented, amended and varied from time to time in accordance with the terms of this Note Trust Deed and any such additional Note Trust Deed Supplement.

2.4 Payments in specified currency

- 2.4.1 All payments in respect of, under and in connection with this Note Trust Deed and the Notes to a Noteholder shall be made in the relevant currency as required by the conditions. All other sums payable shall be payable in sterling, **provided that:**
- (a) each payment in respect of costs shall be made in the currency in which the same were incurred; and
 - (b) each payment which is expressed herein to be payable in another currency shall be made in that other currency.
- 2.4.2 On each date upon which this Note Trust Deed or any Note Trust Deed Supplement requires an amount to be paid by or on behalf of any party to the Issuer, such party shall, save as expressly provided otherwise herein or in such Note Trust Deed Supplement, make the same available to the Issuer by payment in Sterling and in immediately available funds to such account and bank in London as the Issuer shall have specified in writing for this purpose no later than midday on the day that such amount becomes payable.

2.5 Fees apply to each Series

- 2.5.1 The provisions in the Security Documents concerning costs, expenses, fees, remuneration and other financial obligations (whether arising under indemnities or otherwise) shall, save as specifically provided herein, apply separately to each Series in respect of the costs, expenses, fees, remuneration and financial obligations which arise in respect of such Series. No such amount incurred in respect of any Series will, save as specifically provided herein, be deducted from any amount payable to the Noteholders in respect of any other Series, nor will any such amount be in any other way charged to any other such Noteholders. The provisions of the Security Documents shall be read accordingly.

- 2.5.2 If the Note Trustee determines in its sole discretion that any such amounts cannot be considered to be solely referable to a particular Series, it shall be entitled in its sole discretion to allocate such amounts between such Series as it shall consider those amounts to be referable *pro rata* in the proportion which the aggregate Principal Amount Outstanding in respect of each such Series bears to the aggregate Principal Amount Outstanding of all such Series (as at the date such amounts were incurred) in respect of which such amounts were incurred as a whole.

2.6 Related Agreements

In relation to each Series, if specified in the relevant Note Trust Deed Supplement, the Issuer may enter into one or more Swap Agreements or other related agreements with a Swap Counterparty, under which the Issuer will make payments to such Swap Counterparty and the Swap Counterparty will make payments to the Issuer as specified in such Swap Agreement or other related agreement. Each swap transaction or other form of hedging transaction evidenced by a Swap Agreement and other related agreement will terminate on the date specified in the relevant Note Trust Deed Supplement, unless terminated earlier in accordance with its terms.

3. COVENANT TO PAY

3.1 Covenant to pay

The Issuer covenants with and undertakes to the Note Trustee that it shall, as and when the Notes of any Series or any of them become due to be redeemed or any principal on the Notes of any Series or any of them becomes due to be repaid in accordance with the Conditions, unconditionally pay or procure to be paid to or to the order of the Note Trustee in immediately available freely transferable funds in the relevant currency the principal amount of the Notes of such Series or any of them becoming due for payment on that date and shall (subject to the provisions of the Conditions), until all such payments (both before and after judgment or other order) are duly made, unconditionally pay or procure to be paid to or to the order of the Note Trustee as aforesaid on the dates provided for in the Conditions interest on the Principal Amount Outstanding (or such other amount as may be specified in the relevant Note Trust Deed Supplement) of the Notes or on any of them, of such Series, together with any Deferred Interest and Additional Interest attributed to such Notes outstanding from time to time as set out in the Conditions **provided that:**

- 3.1.1 every payment of principal or interest in respect of such Notes or any of them made to the Principal Paying Agent in the manner provided in the Paying Agency Agreement shall satisfy, to the extent of such payment, the relevant covenant by the Issuer contained in this Clause 3 except to the extent that there is a default in the subsequent payment thereof to the relevant Noteholders in accordance with the Conditions;
- 3.1.2 if any payment of principal or interest in respect of such Notes or any of them is made after the due date, payment shall be deemed not to have been made until either the full amount is paid to the relevant Noteholders or, if earlier, the seventh day after notice has been given to the relevant Noteholders in accordance with the Conditions that the full amount has been received by the

Principal Paying Agent or the Note Trustee except, in the case of payment to the Principal Paying Agent to the extent that there is failure in the subsequent payment to the Noteholders under the Conditions;

- 3.1.3 in any case where payment of the whole or any part of the principal amount due in respect of any Note is improperly withheld or refused (upon due presentation of the relevant Note Certificate if so provided for in the Conditions), interest shall accrue at the then current rate of interest for the relevant Note on the whole or such part of such principal amount from the date of such withholding or refusal until the date either on which such principal amount due is paid to the relevant Noteholders or, if earlier, the seventh day after which notice is given to the relevant Noteholders in accordance with the Conditions that the full amount payable in respect of the said principal amount is available for collection by the relevant Noteholders **provided that** on further due presentation of the relevant Note Certificate (if so provided for in the Conditions) such payment is in fact made; and
- 3.1.4 no provision contained in the Conditions or the Security Documents will require the Issuer to pay:
- (a) an amount of principal in respect of a Note which exceeds the Principal Amount Outstanding of such Note, in each case, at the relevant time; or
 - (b) an amount of interest calculated on any principal amount in excess of such Principal Amount Outstanding.

The Note Trustee will hold the benefit of this covenant and the covenant in Clause 9.1 (*Covenant to comply with the Note Trust Deed*) on trust for itself and for the benefit of the Noteholders and the other Secured Creditors in accordance with their respective interests.

3.2 **Payments to Secured Creditors**

The Issuer hereby covenants to pay to the Note Trustee all amounts due to the Secured Creditors of a Series in accordance with the order of priority of payments prior to and post enforcement of the security in respect of that Series and any other amounts payable by the Issuer hereunder which the Note Trustee determines in its sole discretion are referable or allocable to a Series (the "**Secured Obligations**") **provided, however, that** payment of any sum due to a Secured Creditor of such Series made to such Secured Creditor shall, to that extent, satisfy such obligation. This covenant shall only have effect each time obligations are owed to Secured Creditors when the Note Trustee shall hold the benefit of this covenant in relation to each Series in trust for itself and each Secured Creditor of such Series according to their respective interests. For the avoidance of doubt, nothing in this Note Trust Deed shall prevent the Issuer from creating Security pursuant to a Note Trust Deed Supplement over specific assets in relation to a Series in favour of a specific sub-group of Secured Creditors or Secured Obligations in relation to such Series. Subject as provided in the relevant Note Trust Deed Supplement, the provisions of this Note Trust Deed shall, where the context permits, apply to any such Security *mutatis mutandis* as if it were Secured Property created in respect of Secured Obligations owed to Secured Creditors hereunder.

3.3 Duties and Taxes

Subject to paragraph 24 (*VAT*) of the Common Terms, the Issuer shall pay all stamp, registration and other similar taxes and duties (if any) (including any interest and penalties thereon or in connection therewith) which are payable in the United States of America or the United Kingdom upon or in connection with the execution and delivery of this Note Trust Deed and any Note Trust Deed Supplement, and the Issuer will indemnify the Note Trustee and the Secured Creditors relating to such Series (each an "**Indemnified Party**") on demand from and against all stamp duty, issue, registration, documentary and other similar taxes (excluding, without limitation and for the avoidance of doubt, VAT) paid by any such Indemnified Party in any such jurisdiction or jurisdictions in connection with any action taken by such Indemnified Party to enforce the obligations of the Issuer under this Note Trust Deed or any Note Trust Deed Supplement in respect of such Series.

3.4 Covenant of Compliance

The Issuer covenants with the Note Trustee separately in respect of each Series that it will comply with, perform and observe all the provisions of this Note Trust Deed and the relevant Note Trust Deed Supplement relating to such Series which are expressed to be binding on it in respect of such Series. The Conditions in respect of each Series shall be binding on the Issuer and each Secured Creditor, Security Beneficiary and each Noteholder of such Series. The Note Trustee shall be entitled to enforce the obligations of the Issuer under the Documents in respect of a Series as if the same were set out and contained in this Note Trust Deed.

3.5 Only Note Trustee to act

For any Series, only the Note Trustee, at its discretion and without further notice, subject to it being indemnified and/or secured and/or prefunded to its satisfaction, may pursue the remedies available under the general law or under this Note Trust Deed to enforce the rights under this Note Trust Deed or any relevant Note Trust Deed Supplement of the Secured Creditors relating to such Series. No Secured Creditor, Security Beneficiary or Noteholder relating to such Series shall be entitled to proceed directly against the Issuer or the assets of the Issuer to enforce the performance of any of the provisions of this Note Trust Deed and any relevant Note Trust Deed Supplement or the other Documents (if any) relating to such Series unless the Note Trustee having become bound as aforesaid to take proceedings fails or neglects to do so within a reasonable period of time and such failure or neglect is continuing.

3.6 Following an Event of Default or Potential Event of Default

At any time after any Event of Default or Potential Event of Default shall have occurred, which shall not have been waived by the Note Trustee or remedied to its satisfaction, the Note Trustee may:

- 3.6.1 by notice in writing to the Issuer, the Principal Paying Agent and the other Agents require the Principal Paying Agent and the other Agents or any of them:
 - (a) to act thereafter, until otherwise instructed by the Note Trustee, as Agents of the Note Trustee under the provisions of the Security

Documents on the terms provided in the Paying Agency Agreement (with consequential amendments as necessary and save that the Note Trustee's liability under any provisions thereof for the indemnification, remuneration and payment of out-of-pocket expenses of the Agents shall be limited to amounts for the time being held by the Note Trustee on the trusts of the Security Documents in relation to the Notes on the terms of this Note Trust Deed and available to the Note Trustee for such purpose) and thereafter to hold all Notes and all sums, documents and records held by them in respect of Notes on behalf of the Note Trustee; and/or

- (b) to deliver up all Note Certificates and all sums, documents and records held by them in respect of Note Certificates to the Note Trustee or as the Note Trustee shall direct in such notice **provided that** such notice shall be deemed not to apply to any document or record which the relevant Agent is obliged not to release by any law or regulation; and

3.7 **Interest on Floating Rate Notes following Event of Default**

If Floating Rate Notes become immediately due and repayable under Condition 10 (*Events of Default*) the rate and/or amount of interest payable in respect of them will be calculated at the same intervals in accordance with Condition 6 (*Interest*) as if such Notes had not become due and repayable, the first of which will commence on the expiry of the Interest Period (as defined in the Conditions) during which the Notes become so due and repayable in accordance with Conditions 6 (*Interest*) and 10 (*Events of Default*) (with consequential amendments as necessary) except that the Interest Rate need not be published.

3.8 **Separate Series**

4.1 **Creation of Security**

The Issuer with full title guarantee (or, to the extent governed by or subject to Scots law, with absolute warrandice) and as continuing security for all the moneys and other Liabilities payable or owing by such Issuer under the Security Documents in respect of each Series issued by the Issuer hereby:

- 4.1.1 assigns absolutely by way of first fixed security to the Note Trustee as trustee for itself and for the other Secured Creditors all of such Issuer's right, title and interest in and to, and the entire benefit of, the Documents and sums received or recoverable thereunder; and
- 4.1.2 charges to the Note Trustee by way of first floating charge, (i) the whole of its undertaking and assets to the extent that such undertaking and assets are not otherwise effectively encumbered by the security created by or pursuant to this Note Trust Deed or any Note Trust Deed Supplement relating to any Series and (ii) the whole of its undertaking and assets from time to time to the extent governed by or otherwise subject to Scots law. Paragraph 14 of Schedule B1 to the Insolvency Act 1986 applies to the floating charge created pursuant to this sub-clause 4.1.2.

The Note Trustee shall hold the benefit of the security created by the assignment and charge pursuant to this Clause 4.1 in trust for itself, the Noteholders and the other Secured Creditors of all Series, **provided that** such security may only be enforced and the floating charge shall only crystallise in accordance with the provisions of Clause 12 (*Enforcement*) and for the avoidance of doubt any instruction to be given by the Noteholders in respect of enforcing the security created by this Clause 4.1 shall be given at a single meeting of holders of all the Notes of all Series.

Each Secured Creditor (other than the Note Trustee and any Receiver appointed by it) will belong to one of the categories of Secured Creditor set out below for the purposes of this Note Trust Deed. The entitlement of any Secured Creditor to the relevant Secured Property for a given Series of Notes, unless otherwise specified herein, shall be specified in the relevant Note Trust Deed Supplement. The categories of Secured Creditor (other than the Note Trustee and any Receiver appointed by it) are as follows:

- 4.4.1 ***Other Secured Creditors***: if the relevant Note Trust Deed Supplement specifies that any other party is to be a Secured Creditor of the Secured Property in relation to such Series, the beneficial entitlement of such additional Secured Creditor to a security interest in the relevant Secured Property shall be specified in the relevant Note Trust Deed Supplement.

4.5 Limitations on Note Trustee's liability

The Note Trustee shall not be responsible for, nor shall it have any liability with respect to, any loss or theft of any Secured Property, shall not be obliged to insure or to procure the insurance of any Secured Property and shall have no responsibility or liability arising from the fact that any Secured Property is registered in its name or held by it or in an account with Euroclear, Clearstream, Luxembourg or DTC or any similar clearing system in accordance with the system's rules or is otherwise held in safe custody by any bank or custodian.

5. NOTE TRUSTEE'S POWERS

5.1 Extension and Variation of LPA Powers

For any Series, any time upon or after any part or parts of the Security becomes enforceable, the Note Trustee may, from time to time:

- 5.1.1 enter into, make, execute, sign and do all such contracts, agreements, receipts, payments, assignments, transfers, conveyances, assurances and things and bring, prosecute, enforce, defend and abandon all such actions, suits and proceedings in relation to any Secured Property as it may think expedient;
- 5.1.2 exercise all or any of the powers or rights incidental to the ownership of all or any of the Secured Property and, in particular but without limiting the generality of the foregoing, exercise all rights to enforce the Security against the Secured Property and all rights to attend or vote at any meeting of the holders of any Secured Property or to give any consent or notification or make any declaration in relation to such securities or any of them;
- 5.1.3 without prejudice to the generality of the foregoing, exercise all or any of the powers or rights of the Issuer under or pursuant to any Secured Property;
- 5.1.4 without prejudice to the generality of the foregoing, if in its absolute discretion it is of the opinion that the interests of the Noteholders and any other Secured Creditors will not be materially prejudiced thereby, agree to the transfer of any Secured Property to an account with Euroclear, Clearstream, Luxembourg or DTC or any similar clearing system or the holding thereof in safe custody by the Note Trustee or by a bank or custodian selected by the Note Trustee (and shall not incur any liability by doing so);
- 5.1.5 demand, sue for or take any action or institute any proceedings to recover or obtain payment of any amounts which may then be due and payable but which remain unpaid under or in respect of the Secured Property or any part thereof either in its own name or in the name of the Issuer and shall not be liable by so doing; and
- 5.1.6 without prejudice to the generality of the foregoing, act generally in relation to the Secured Property in such manner as it may think expedient.

6. APPOINTMENT AND REMOVAL OF RECEIVER AND ADMINISTRATOR

6.1 Appointment and removal of Receiver

Subject to Clause 6.2 (*Appointment of Receiver instead of an administrator*) below, at any time after all or part of the Security in relation to any one or more Series of Notes issued by the Issuer has become enforceable in accordance with the Conditions, the Note Trustee may by writing appoint any person or persons to be a Receiver of the Secured Property of any such Series, and may remove any Receiver so appointed and appoint another in its place. Any proceeds of the floating charge shall be distributed amongst the Secured Creditors of the relevant Series pro rata in the proportion which the aggregate Principal Amount Outstanding in respect of each such Series bears to the aggregate Principal Amount Outstanding of all such Series (as at the date such monies were received) in respect of which such monies were received (unless, in relation to any Series, the relevant Note Trust Deed Supplement specifies that any such Series shall be subordinated to any other Series).

- 6.3 The appointment of any Receiver shall include a direction to the Receiver in relation to those Series in respect of which the specific Security relating to such service has not become enforceable to continue all the existing contracts in relation to such Series and carry on the existing business of the Issuer in relation to such Series.

For each Series, all moneys received by the Note Trustee in respect of the Security or the Secured Property relating to such Series shall be held by the Note Trustee upon trust to apply the same as provided in Clause 13 (*Application of Moneys*) hereof and the relevant Note Trust Deed Supplement.

7.3 **Further assurance**

For each Series the Issuer shall execute and do all such assurances, acts and things as the Note Trustee or any Receiver may require (including, without limitation, the giving of notices of assignment and the effecting of filings or registrations in any jurisdiction) for perfecting or protecting the Security and from time to time and at any time after the Security or any part thereof has become enforceable shall execute and do all such assurances, acts and things as the Note Trustee or any Receiver may require for facilitating the realisation of, or enforcement of rights in respect of, all or any of the Secured Property relating to such Series and the exercise of all powers, authorities and discretions vested in the Note Trustee or in any Receiver of all or any of the Secured Property relating to such Series.

The Note Trustee may raise and borrow such money at such rate of interest and generally on such terms and conditions as it shall think fit and may secure the repayment of the money so raised or borrowed with interest on the same by mortgaging or otherwise charging all or any of the Secured Property relating to such Series in such manner and form as the Note Trustee may think fit (which mortgage or other charge may rank in priority to, *pari passu* with or after the Security) and for such purposes may execute and do all such assurances and things as it may think fit and no person lending any such money shall be concerned to enquire as to the propriety or purpose of the exercise of any power of the Note Trustee or to see to the application of any money so raised or borrowed.

The Note Trustee may from time to time and at any time without any consent or sanction of the Noteholders concur with the Issuer in making (a) any modification to the Conditions, the Security Documents (other than in respect of Basic Terms Modification as specified in Schedule 4 or any provision of the Security Documents referred to in that specification) or the Notes or the other Documents or any Relevant Document which in the opinion of the Note Trustee it may be proper to make provided the Note Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the Noteholders or (b) any modification to the Security Documents, the other Documents, the Conditions, any Relevant Documents or the Notes if in the opinion of the Note Trustee such modification is of a formal, minor or technical nature or made to correct an error which in the sole opinion of the Note Trustee is considered to be such. Any such modification shall be binding on the Noteholders and, unless the Note Trustee otherwise agrees, the Issuer shall cause such modification to be notified to the Noteholders as soon as practicable thereafter in accordance with the Conditions and the other Documents.

11.3 Modifications for any issuance of a Series of Notes after 12 March 2018

In addition to the provisions of Clause 11.2 (*Modifications for issuances of Notes prior to the date of this Note Trust Deed*) but subject to Clause 11.4 (*Conditions to additional right of Modification*), the Note Trustee shall be obliged, without any consent or sanction of the Noteholders, or any of the other Secured Creditors, to concur with the Issuer in making any modification (other than a Basic Terms Modification, but subject to Clause 11.6 (*Basic Terms Modification*) below) to any Transaction Document to which it is a party or in relation to which it holds security that the Issuer (or the Cash Manager on its behalf) considers necessary:

- 11.3.1 for the purpose of changing the Screen Rate or the base rate that then applies in respect of the applicable Notes issued on or after 12 March 2018 (the "**Base**

Rate Modification Reference Date") and/or any consequential amendments to any related Swap Agreement to an alternative base rate (any such rate, whether new or amended, which may include an alternative Screen Rate, an **"Alternative Base Rate"**) and make such other related or consequential amendments as are necessary or advisable in the reasonable judgment of the Issuer (the Cash Manager on its behalf) to facilitate such change (including, subject to Clause 11.3.2 but not limited to any consequential amendments under any related Swap Agreement) (a **"Base Rate Modification"**), provided that the Issuer (or the Cash Manager on its behalf), certifies to the Note Trustee in writing (such certificate, a **"Base Rate Modification Certificate"**) that:

- (a) such Base Rate Modification is being undertaken due to:
 - (i) a material disruption to SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark, an adverse change in the methodology of calculating such interest rate benchmark or such interest rate benchmark ceasing to exist or be published;
 - (ii) the insolvency or cessation of business of the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark (in circumstances where no successor administrator has been appointed);
 - (iii) a public statement by the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark that it will cease publishing the relevant interest rate benchmark permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such interest rate benchmark) or has changed or will change such interest rate benchmark in an adverse manner;
 - (iv) a public statement by the supervisor of the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark that the relevant interest rate benchmark has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner;
 - (v) a public statement by the supervisor of the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark that means the relevant interest rate benchmark might no longer be used or that its use is subject to restrictions or adverse consequences;
 - (vi) a public announcement of the permanent or indefinite discontinuation of the relevant Screen Rate or base rate that applies to the Notes at such time;

- (vii) the Alternative Base Rate being adopted in a material number of publicly-listed issues of asset-backed floating rate notes denominated in the same currency as any of the Notes; or
 - (viii) the reasonable expectation of the Issuer (or the Cash Manager on its behalf) that any of the events specified in paragraphs (i) to (vii) above will occur or exist within six months of the proposed effective date of such Base Rate Modification; and
- (b) such Alternative Base Rate is:
- (i) a base rate published, endorsed, approved or recognised by the Federal Reserve, the Bank of England or the European Central Bank, any regulator in the United States, the United Kingdom or the European Union or any stock exchange on which the Notes are listed (or any relevant committee or other body established, sponsored or approved by any of the foregoing);
 - (ii) a base rate utilised in a material number of publicly-listed new issues of Sterling-denominated, Dollar-denominated and/or Euro-denominated asset backed notes prior to the effective date of such Base Rate Modification (for these purposes, unless agreed otherwise by the Note Trustee, five (5) such issues shall be considered material); or
 - (iii) such other base rate as the Cash Manager (on behalf of the Issuer) reasonably determines,

and, for the avoidance of doubt, the Issuer (or the Cash Manager on its behalf) may propose an Alternative Base Rate on more than one occasion provided that the conditions set out in this sub-clause 11.3.1 are satisfied;

- 11.3.2 for the purpose of changing the base rate that then applies in respect of the Swap Agreement to an Alternative Base Rate as is necessary or advisable in the commercially reasonable judgment of the Issuer (or the Cash Manager on its behalf) and the Swap Counterparty solely as a consequence of a Base Rate Modification and solely for the purpose of aligning the base rate of the swap to the base rate of the Notes following such Base Rate Modification (a "**Swap Rate Modification**"), provided that the Cash Manager, on behalf of the Issuer, certifies to the Note Trustee in writing (upon which certificate the Note Trustee may rely absolutely and without enquiry or liability) that such modification is required solely for such purpose and it has been drafted solely to such effect (such certificate being a "**Swap Rate Modification Certificate**"); or
- 11.3.3 for the purpose of complying with any obligations under the Securitisation Regulation, including as a result of the adoption of any secondary legislation or official guidance in relation to the Securitisation Regulation or any other risk retention legislation or regulations or official guidance in relation thereto (including without limitation, in order to maintain STS compliance).

11.4 Conditions to additional right of Modification

- 15.1.11 ***Legal Opinions:*** the Note Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion;

- 15.2.1 ***Note Trustee's determination:*** The Note Trustee may determine whether or not a default in the performance or observance by the Issuer of any obligation under the provisions of the Security Documents or contained in the Notes or any other Documents is capable of remedy and/or materially prejudicial to the interests of the Noteholders and if the Note Trustee shall certify that any such default is, in its opinion, not capable of remedy and/or materially prejudicial to the interests of the Noteholders such certificate shall be conclusive and binding upon the Issuer, the Noteholders, the other Secured Creditors and the Security Beneficiaries;

- 15.2.3 ***Note Trustee's discretion:*** the Note Trustee shall (save as expressly otherwise provided herein) as regards all the trusts, powers, authorities and discretions vested in it by this Note Trust Deed or by operation of law have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and the Note Trustee shall not be responsible for any Liability that may result from the exercise or non-exercise thereof but, whenever the Note Trustee is under the provisions of this Note Trust Deed bound to act at the request or direction of the Noteholders, the Note Trustee shall nevertheless not be so bound unless first indemnified and/or provided with security to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all

costs, charges, damages, expenses and liabilities which it may incur by so doing. Without limiting the general statement above, the Note Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, of England. Furthermore, the Note Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or England or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or in England or if it is determined by any court or other competent authority in that jurisdiction or in England that it does not have such power;

- 15.2.4 ***Note Trustee's consent:*** any consent given by the Note Trustee for the purposes of the Security Documents, the Notes and the other Documents may be given on such terms and subject to such conditions (if any) as the Note Trustee may require and (notwithstanding any provision to the contrary) may be given retrospectively;

- 15.2.6 ***Application of proceeds:*** the Note Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Notes, the exchange of any Global Note Certificates for Individual Note Certificates or the delivery of any Note or Certificate to the persons entitled to them;
- 15.2.7 ***Agents:*** the Note Trustee may, in the conduct of the trusts created pursuant to the Security Documents instead of acting personally, employ and pay an agent on any terms, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Note Trustee (including the receipt and payment of money). If the Note Trustee exercises due care in selecting any such person, the Note Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of, and shall not in any way or to any extent be responsible for any liability incurred by any misconduct or default on the part of, any such person;

(whether being a joint trustee of this Note Trust Deed or not) all or any of the trusts, powers, authorities and discretions vested in it by the Security Documents and any such delegation may be made upon such terms and conditions and subject to such regulations (including power to sub-delegate with the consent of the Note Trustee) as the Note Trustee may think fit in the interests of the Noteholders. If the Note Trustee exercises due care in selecting any such person, the Note Trustee shall not be bound to supervise the proceedings or acts of and shall not in any way or to any extent be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of such delegate or sub-delegate;

- 15.2.9 ***Custodians and nominees:*** the Note Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trust as the Note Trustee may determine, including for the purpose of depositing with a custodian this Note Trust Deed or any other Documents and the Note Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of any such person; the Note Trustee is not obliged to appoint a custodian if the Note Trustee invests in securities payable to bearer; and
- 15.2.10 ***Confidential information:*** the Note Trustee shall not (unless required by law or ordered so to do by a court of competent jurisdiction) be required to disclose to any Noteholder confidential information or other information made available to the Note Trustee by the Issuer in connection with this Note Trust Deed and no Noteholder shall be entitled to take any action to obtain from the Note Trustee any such information **provided, however, that**, for U.S. federal income tax purposes, all persons may disclose to any and all persons, without limitation of any kind, the U.S. federal, state and local tax treatment of the Notes and the Issuer, any fact that may be relevant to understanding the U.S. federal, state and local tax treatment of the Notes and the Issuer and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state and local tax treatment and that may be relevant to understanding such tax treatment;
- 15.2.11 ***Noteholders as a class:*** without prejudice to the provisions of sub-clause 15.2.12 (*Consideration of the interests of the Noteholders and the other Secured Creditors*) whenever in the Security Documents the Note Trustee is required in connection with any exercise of its powers, trusts, authorities or discretions to have regard to the interests of the Noteholders, it shall have regard to the interests of the Noteholders as a class. The Note Trustee shall not be obliged to have regard to the consequences (including the tax consequences) of such exercise for any individual Noteholder resulting from his or its being for any purpose domiciled or resident in, or otherwise connected in any way with, or subject to the jurisdiction of, any particular territory or taxing jurisdiction;
- 15.2.12 ***Consideration of the interests of the Noteholders and the other Secured Creditors:*** the Note Trustee shall, as regards all the powers, trusts, authorities, duties and discretions vested in it by the Security Documents, the other Documents or the Notes, except where expressly provided otherwise, have regard to the interests of both the Noteholders and the other Secured Creditors, (but not to those of the Security Beneficiaries) but if, in the Note Trustee's sole

opinion, there is a conflict between their interests, it will have regard solely to the interests of the Noteholders and no other Secured Creditor or Security Beneficiary shall have any claim against the Note Trustee for so doing. Where, in the opinion of the Note Trustee there is a conflict between the interests of holders of any of the classes of Notes the Note Trustee shall in the exercise of its duties, powers and discretions, have regard solely to the interests of the Most Senior Class of Notes;

It is agreed and acknowledged that, notwithstanding the foregoing, a credit rating is an assessment only of the likelihood of the timely payment of interest and ultimate payment of principal in full on the Notes on a date that is not later than the Final Redemption Date and does not address other matters that may be of relevance to Noteholders. In being entitled to take into account that the Rating Agencies have confirmed the then current rating of the relevant Notes would not be adversely affected, it is expressly agreed and acknowledged by the Note Trustee and specifically notified to Noteholders (and to which they are bound by the Conditions) that the above does not impose or extend any actual or contingent liability for the Rating Agencies to the Note Trustee, the Noteholders or any other Person or create any legal relations between the Rating Agencies and the Note Trustee, the Noteholders or any other Person whether by way of contract or otherwise;

15.2.15 ***No obligation to monitor performance:*** the Note Trustee shall be under no obligation to monitor or supervise the performance by the Issuer or any of the other Transaction Parties of their respective obligations under the Documents or under the Notes or any other agreement or document relating to the transactions herein or therein contemplated and shall be entitled, in the absence

Notwithstanding that none of the Note Trustee and the Noteholders may have the right of recourse against the Rating Agencies in respect of confirmation given by such Rating Agencies and relied upon by the Note Trustee pursuant to this sub-clause, the Note Trustee shall be entitled to take into account, for the purposes of exercising any powers, authority or discretion under or in relation to the Notes and this Note Trust Deed or any Document that such exercise will not be materially prejudicial to the interests of the Noteholders if each of the Rating Agencies which is then rating the relevant class of Notes has confirmed that the current rating of the relevant class of Notes would not be adversely affected by such exercise. It is agreed and acknowledged that, notwithstanding the foregoing, a credit rating is an assessment only of the likelihood of the timely payment of interest and ultimate payment of principal in full on the Notes on a date that is not later than the Final Redemption Date and does not address other matters that be of relevance to Noteholders. In being entitled to take into account that the Rating Agencies have confirmed that the then current rating of the relevant Notes would not be adversely affected, it is expressly agreed and acknowledged by the Note Trustee and specifically notified to Noteholders (and to which they are bound by the Conditions) that the above does not impose or extend any actual or contingent liability for the Rating Agencies to the Note Trustee, the Noteholders or any other Person or create any legal relations between the Rating Agencies and the Note Trustee, the Noteholders or any other Person whether by way of contract or otherwise;
- 15.2.17 ***Responsibility for determination of certain matters:*** the Note Trustee acknowledges that the Agent Bank is responsible, pursuant to the Conditions for determining the amount of principal and interest payable in respect of each Series of Notes and the Note Trustee shall have no responsibility to recalculate any such amounts notwithstanding a manifest error therein. If the Agent Bank does not at any time for any reason determine such amounts, the Note Trustee may so determine the same and such calculation shall be deemed to have been made by the Agent Bank pursuant to the Conditions and the Note Trustee shall have no liability in respect thereof other than as a result of the wilful default, bad faith or manifest error of the Note Trustee; and
- 15.2.18 ***Reliance on certification of clearing system:*** The Note Trustee may call for any certificate or other document issued by Euroclear, Clearstream, DTC or any other relevant clearing system in relation to any matter. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant

clearing system (including Euroclear's EUCLID or Clearstream's CreationOnline system or any successor to either such system) in accordance with its usual procedures and in which the holder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Note Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear, Clearstream, DTC or any other relevant clearing system and subsequently found to be forged or not authentic.

15.5 Disapplication

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Note Trustee in relation to the trusts constituted by this Note Trust Deed. Where there are any inconsistencies between the Trustee Acts and the provisions of this Note Trust Deed, the provisions of this Note Trust Deed shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Note Trustee Act 2000, the provisions of

this Note Trust Deed shall constitute a restriction or exclusion for the purposes of that Act.

15.6 Note Trustee Liability

None of the provisions of the Security Documents shall in any case in which the Note Trustee has failed to show the degree of care and diligence required by it as Note Trustee, having regard to the provisions of the Security Documents conferring on the Note Trustee any powers, authorities or discretions, relieve or indemnify the Note Trustee against any liability for breach of trust or any liability which by virtue of any rule of law would otherwise attach to it in respect of any Breach of Duty of which it may be guilty in relation to its duties under the Security Documents.

16. COSTS AND EXPENSES

16.1 Remuneration

16.1.1 **Normal remuneration:** The Issuer shall pay to the Note Trustee remuneration for its services as Note Trustee as from the initial Issue Date, such remuneration to be at such rate as may from time to time be agreed between the Issuer and the Note Trustee. Such remuneration shall accrue from day to day and be payable in accordance with the order of priority of payments prior to and post enforcement until the trusts of the Security Documents are discharged.

16.1.2 **Extra remuneration:** In the event of the occurrence of an Event of Default or a Potential Event of Default or the Note Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Note Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Note Trustee under this Note Trust Deed, the Issuer shall pay to the Note Trustee such additional remuneration as shall be agreed between them.

16.1.3 **Failure to agree:** In the event of the Note Trustee and the Issuer failing to agree:

- (a) (in a case to which sub-clause 16.1.1 applies) upon the amount of the remuneration; or
- (b) (in a case to which sub-clause 16.1.2 applies) upon whether such duties shall be of an exceptional nature or otherwise outside the scope of the normal duties of the Note Trustee under the Security Documents, or upon such additional remuneration;

such matters shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Note Trustee and approved by the Issuer or, failing such approval, nominated (on the application of the Note Trustee) by the President for the time being of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such investment bank being payable by the Issuer) and the determination of any such investment bank shall be final and binding upon the Note Trustee and the Issuer.

16.1.4 **Expenses:** The Issuer shall also pay or discharge all costs, charges and expenses incurred by the Note Trustee in relation to the preparation and execution of, the

exercise of its powers and the performance of its duties under, and in any other manner in relation to, the Security Documents and the other Documents, including but not limited to legal and travelling expenses and any stamp, issue, registration, documentary and other similar taxes (excluding, without limitation and for the avoidance of doubt, VAT) or duties paid or payable by the Note Trustee in connection with any action taken or contemplated by or on behalf of the Note Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, the Security Documents and the other Documents.

- 16.1.5 **Reimbursement:** As full reimbursement for any costs and expenses incurred by it in connection with its activities in respect of (i) a particular Series, the Issuer prior to the service of an Enforcement Notice, and the Note Trustee thereafter, shall be entitled to utilise Secured Property in respect of each Series allocated to the Secured Creditors for the relevant Series to meet such costs and expenses attributable solely to a particular Series with respect to each Interest Period, solely to the extent of Secured Property allocable with respect thereto as provided in this Note Trust Deed, any Note Trust Deed Supplement and the relevant Conditions, on the related Distribution Date for such Series (which shall include all sums due to the Note Trustee under Clause 13 (*Application of Moneys*)) and, (ii) some or all Series, the Issuer prior to the service of an Enforcement Notice, and the Note Trustee thereafter, shall be entitled to use Secured Property in respect of those Series allocated to the Secured Creditors for each Series to meet such costs and expenses attributable to those Series with respect to each Interest Period, solely to the extent of Secured Property allocable with respect thereto as provided in this Note Trust Deed, any Note Trust Deed Supplement and the relevant Conditions, on the related Distribution Date for each Series. The amount of any reimbursement for its activities as the Issuer will be determined in accordance with the relevant Note Trust Deed Supplement for each Series. For the avoidance of any doubt, the amounts due to the Note Trustee under Clause 13 (*Application of Moneys*) shall be considered expenses of the Issuer and will be allocated to the particular Series the Note Trustee is owed an amount in respect of (if this is capable of calculation).
- 16.1.6 **Indemnity:** The Issuer covenants with and undertakes to the Note Trustee to indemnify the Note Trustee on demand against any Liabilities which are incurred by the Note Trustee, any Receiver or any Appointee or any other person appointed by the Note Trustee under the Security Documents to whom any trust, power, authority or discretion may be delegated by the Note Trustee in the execution, or the purported execution, of the trusts, powers, authorities and discretions vested in it by the Security Documents, in, or in connection with, (except insofar as the same are incurred because of a Breach of Duty of the Note Trustee):
- (a) the performance of the terms of the Security Documents;
 - (b) anything done or purported to be done by the Note Trustee, any Appointee or the Receiver in relation to the Secured Property or under the Security Documents or any other Document;
 - (c) the exercise or attempted exercise by or on behalf of the Note Trustee, any Appointee or the Receiver of any of the powers of the Note Trustee,

any Appointee or the Receiver or any other action taken by or on behalf of the Note Trustee with a view to or in connection with enforcing any obligations of the Issuer or any other person under any Document or the recovery by the Note Trustee, any Appointee or the Receiver from the Issuer of the Secured Obligations;

- (d) any payment made in respect of the Secured Obligations (whether by the Issuer or any other person) which is subsequently impeached or declared void for any reason whatsoever; or
- (e) the Note Trustee being held to be, or treated as, or being deemed to be a creditor for the purposes of the Consumer Credit Act 1974 in respect of a Regulated Agreement (as defined in the Consumer Credit Act 1974).

16.1.7 **Priority of Indemnity:** The Note Trustee and the Receiver shall (except for any liability for Breach of Duty for which no indemnity is available under this Note Trust Deed) be entitled to be indemnified out of the Secured Property against all actions, liabilities payable pursuant to Clause 16.1.6 (*Indemnity*), proceedings (or threats of actions or proceedings) costs, claims and demands in respect of any matter or thing in any way omitted or done in any way in relation to the Security Documents in accordance with the order of priority of payments prior to and post enforcement as contained in Clause 13.1 (*Application of moneys*) and in the relevant Note Trust Deed Supplement and the Note Trustee may retain and pay out of the monies in its hands arising from the Secured Property all sums necessary to effect such indemnity.

16.1.8 **Payment of amounts due:** All amounts due and payable pursuant to sub-clauses 16.1.4 (*Expenses*) and 16.1.6 (*Indemnity*) shall be payable by the Issuer on the date specified in a demand by the Note Trustee; the rate of interest applicable to such payments shall be three per cent. per annum above the base rate from time to time of Bank of Scotland plc and interest shall accrue:

- (a) in the case of payments made by the Note Trustee prior to the date of the demand, from the date on which the payment was made or such later date as specified in such demand;
- (b) in the case of payments made by the Note Trustee on or after the date of the demand, from the date specified in such demand, which date shall not be a date earlier than the date such payments are made.

All remuneration payable to the Note Trustee shall carry interest at the rate specified in this sub-clause 16.1.8 (*Payment of amounts due*) from the due date thereof.

16.1.9 **Apportionment of expenses:** The Note Trustee shall apportion the costs, charges, expenses and liabilities incurred by the Note Trustee in the preparation and execution of the trusts of this Note Trust Deed (including remuneration of the Note Trustee) between the several Series of Notes in such manner and in such amounts as it shall, in its absolute discretion, consider appropriate.

- 16.1.10 **Discharges:** Unless otherwise specifically stated in any discharge of this Note Trust Deed the provisions of this Clause 16.1 (*Remuneration*) shall continue in full force and effect notwithstanding such discharge.
- 16.1.11 **Payments:** All payments to be made by the Issuer to the Note Trustee under this Note Trust Deed shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within any relevant jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as would have been received by it had no such withholding or deduction been required.
- 16.1.12 **VAT:** All sums payable by the Issuer to the Note Trustee under this Note Trust Deed shall be deemed to be exclusive of any VAT chargeable on any supply by the Note Trustee for which that sum is the consideration (in whole or in part) for VAT purposes. Where, under the terms of this Note Trust Deed, the Note Trustee makes a supply to the Issuer for VAT purposes and VAT is or becomes chargeable on such supply for which the Note Trustee is required to account to H.M. Revenue and Customs, the Issuer shall pay an amount to the Note Trustee equal to that VAT (in addition to and at the same time as paying or providing any other consideration for such supply).

16.2 Exchange rate indemnity

- 16.2.1 **Currency of Account and Payment:** Unless otherwise specified in any relevant Note Trust Deed Supplement, pounds sterling (the "**Contractual Currency**") is the sole currency of account and payment for all sums (including damages) payable by the Issuer under or in connection with the Security Documents, the other Documents and the Notes;
- 16.2.2 **Extent of Discharge:** An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuer or otherwise) by the Note Trustee or any Noteholder in respect of any sum expressed to be due to it from the Issuer will only discharge the Issuer to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so); and
- 16.2.3 **Indemnity:** If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Note Trust Deed or the Notes, the Issuer will indemnify it against any Liability sustained by it as a result. In any event, the Issuer will indemnify the recipient against the cost of making any such purchase.

- 16.3 The above indemnities shall constitute obligations of the Issuer separate and independent from its obligations under the Notes and shall apply irrespective of any indulgence granted by the Note Trustee or the Noteholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or

proofs in any bankruptcy, insolvency or liquidation of the Issuer for a liquidated sum or sums in respect of amounts due under this Note Trust Deed (other than this Clause) or the Notes. Any such discrepancy as aforesaid shall be deemed to constitute a loss suffered by the Note Trustee and the Noteholders and no proof or evidence of any actual loss shall be required by the Issuer or its liquidator.

17. APPOINTMENT AND RETIREMENT

17.1 Appointment of Note Trustees

The power of appointing new trustees of the Security Documents shall be vested in the Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution of the Noteholders of all Series acting as one Class. A trust corporation may be appointed sole trustee hereof but subject thereto there shall be at least two trustees hereof one at least of which shall be a trust corporation. Any appointment of a new trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Agents and the Noteholders of all Series acting as one Class. The Noteholders shall together have the power, exercisable by Extraordinary Resolution, to remove any trustee or trustees for the time being hereof. The removal of any trustee shall not become effective unless there remains a Note Trustee hereof (being a trust corporation) in office after such removal.

17.2 Co-Note Trustees

Notwithstanding the provisions of Clause 17.1 (*Appointment of Note Trustees*), the Note Trustee may, upon giving prior notice to the Issuer but without the consent of the Issuer or the Noteholders or anyone else, appoint any person established or resident in any jurisdiction (whether a trust corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Note Trustee:

- 17.2.1 if the Note Trustee considers such appointment to be in the interests of the Noteholders or the other Secured Creditors; or
- 17.2.2 for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts are to be performed; or
- 17.2.3 for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction either of a judgment already obtained or of the Security Documents or any other Document.

17.3 Attorneys

The Issuer hereby irrevocably appoints the Note Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of this Note Trust Deed) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Note Trustee by this Note Trust Deed) and such duties and obligations as shall be conferred on such person or imposed by the instrument of appointment. The Note Trustee shall have power in like manner to remove any such person. Such proper remuneration as the Note Trustee may pay to any such person, together with any attributable costs, charges and expenses

incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of this Note Trust Deed be treated as costs, charges and expenses incurred by the Note Trustee.

17.4 Retirement of Note Trustees

Any Note Trustee for the time being of the Security Documents may retire at any time upon giving not less than three calendar months' notice in writing to the Issuer without assigning any reason therefor and without being responsible for any costs occasioned by such retirement. The retirement of any Note Trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such retirement. The Issuer hereby covenants that in the event of the only trustee hereof which is a trust corporation giving notice under this Clause it shall use its best endeavours to procure a new trustee, being a trust corporation, to be appointed and if the Issuer has not procured the appointment of a new trustee within 30 days of the expiry of the Note Trustee notice referred to in this Clause 17.4, the Note Trustee shall be entitled to procure forthwith a new trustee.

17.5 Competence of a majority of Note Trustees

Whenever there shall be more than two trustees hereof the majority of such trustees shall (provided such majority includes a trust corporation) be competent to execute and exercise all the trusts, powers, authorities and discretions vested by the Security Documents in the Note Trustee generally.

17.6 Powers additional

The powers conferred by the Security Documents upon the Note Trustee shall be in addition to any powers which may from time to time be vested in it by general law or as the holder of any of the Notes.

17.7 Entire Agreement

Except as specifically stated otherwise herein, this Note Trust Deed together with the relevant Note Trust Deed Supplement sets forth the entire understanding of the parties relating to the subject matter hereof, and all prior understandings, written or oral, are superseded by this Note Trust Deed together with the relevant Note Trust Deed Supplement. This Note Trust Deed may not be modified, amended, waived or supplemented except as provided herein.

17.8 Merger and Integration

Any corporation into which the Note Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Note Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Note Trustee, shall be the successor of the Note Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Clause, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

No failure to exercise and no delay in exercising, in respect of any Series, on the part of the Issuer, the Note Trustee or any Secured Creditor, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

20. RELEASE OF COLLATERAL

20.1 Except to the extent expressly provided in this Clause 20, the Note Trustee shall release property from the security constituted by this Note Trust Deed as supplemented by the relevant Note Trust Deed Supplement either in respect of all secured property or in respect of security created in respect of a particular Note Trust Deed Supplement, only upon receipt of a notice from the Issuer accompanied by an Officer's Certificate (as further described below), provided that the Issuer shall be obliged to issue such notice:

20.1.1 to release all Secured Property from the Security constituted by this Note Trust Deed and all relevant Note Trust Deed Supplement, where all outstanding Series of Notes have been repaid in full and no Noteholder has any further obligation to make any further subscription payment in respect of such Notes; or

20.2 Whenever any property is to be released from the Security constituted by this Note Trust Deed as supplemented by the relevant Note Trust Deed Supplement, the Issuer shall also furnish to the Note Trustee an Officer's Certificate certifying that either (a) or (b) above is true, and that in the opinion of such person the proposed release will not impair the Security under this Note Trust Deed in contravention of the provisions hereof.

21. THIRD PARTY BENEFICIARIES

21.1 This Note Trust Deed will enure to the benefit of and be binding upon the parties hereto, and, in respect of any Series, the Secured Creditors named in the relevant Note Trust Deed Supplement, and their respective successors and permitted assigns as Secured Creditors and beneficiaries of the Secured Property in respect of a relevant Series;

21.2 To the extent specified in any relevant Note Trust Deed Supplement, any third party that is not a Secured Creditor of the Secured Property of a Series, may by execution of such Note Trust Deed Supplement, as a matter of contract only, be entitled to the benefit of the provisions of this Note Trust Deed as if such third party were a Secured Creditor hereunder and the rights of such third parties so provided shall enure to the benefit of such third parties and be binding upon the parties hereto and the Secured Creditors of the Secured Property in respect of such Series; and

21.3 Except as otherwise provided in this Clause 21, no other Person will have any right or obligation hereunder.

22. ACTIONS BY NOTEHOLDERS

22.1 Wherever in this Note Trust Deed a provision is made that an action may be taken or a notice, demand or instruction given by a Noteholder of a Series, such action, notice or

instruction may be taken or given by any Noteholder of such Series, unless such provision requires a specific aggregate percentage of the Principal Amount Outstanding of a Series. Where a provision requires a specific aggregate percentage of the Principal Amount Outstanding of a Series any Noteholder so voting shall have one vote per pound sterling of such Principal Amount Outstanding which is held by it and shall be entitled to cast each vote in a different manner.

- 22.2 Any request, demand, authorisation, direction, notice, consent, waiver or other act by a Noteholder of a Series shall bind each and every successor of such Noteholder.

23. GOVERNING LAW AND JURISDICTION

23.1 Governing Law

This Note Trust Deed (and the Security Trust constituted hereby) and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

23.2 Jurisdiction

- 23.2.1 **English courts:** The courts of England have exclusive jurisdiction to settle any Dispute.

- 23.2.2 **Convenient forum:** Each of the Issuer and the Secured Creditors other than the Note Trustee agrees that the courts of England are the most appropriate and convenient courts to settle Disputes between them and, accordingly, that they will not argue to the contrary.

- 23.2.3 **Jurisdiction:** Sub-clause 23.2.1 (*English Courts*) is for the benefit of the Note Trustee for the purpose of this Paragraph 23 in any Document. As a result each of the Issuer and the Secured Creditors acknowledges that sub-clause 23.2.1 (*English Courts*), does not prevent the Note Trustee from taking any Proceedings in any other courts with jurisdiction. To the extent allowed by law, the Note Trustee may take concurrent Proceedings in any number of jurisdictions.

- 23.2.4 **Consent to enforcement etc.:** Each of the Issuer and the Secured Creditors consents generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgement which is made or given in such Proceedings.

Without prejudice to the rights of the persons mentioned in clauses 9.1, 9.3 and 24 of the Common Terms, no person who is not a party to this Note Trust Deed shall have any right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note Trust Deed, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

26. COUNTERPARTS

This Note Trust Deed may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

27. CERTAIN U.S. TAX MATTERS

27.1 Qualified Electing Fund

The Issuer will, upon request of U.S. holders of Notes issued pursuant to Rule 144A ("**144A Notes**") that are treated as equity for U.S. federal income tax purposes, reasonably endeavour to provide the requesting Noteholder with information that the Issuer deems in its sole opinion to be necessary for the investor to make a proper qualified electing fund election ("**QEF election**"). Requesting Noteholders should address their request for information in writing to the registered office of the Issuer. While the Issuer does not expect to charge for this information, by making a request the investor agrees (and must confirm in any request) that it will secure, indemnify and reimburse the Issuer for all costs, expenses and fees incurred in or associated with the preparation, verification and provision of this information, which may be substantial. Requesting investors should ensure that any request is submitted with sufficient time for the Issuer and its advisors to prepare, verify and provide the information. The Issuer expects to provide a holder with the necessary information within 60 days of the end of the Issuer's taxable year, which is 31 December. The Issuer expects to process requests for QEF election forms received after the 60th day after the end of its taxable year within 15 Business Days of receiving the request.

27.2 Information required pursuant to Controlled Foreign Corporation Rules

Requesting Noteholders should address their request for information in writing to the registered office of the Issuer. While the Issuer does not expect to charge for this information, by making a request the investor agrees (and must confirm in any request) that it will secure, indemnify and reimburse the Issuer for all costs, expenses and fees incurred in or associated with the preparation, verification and provision of this information, which may be substantial. Requesting investors should ensure that any request is submitted with sufficient time for the Issuer and its advisors to prepare, verify and provide the information. The Issuer expects to provide a holder with the necessary information within 60 days of the end of the Issuer's

taxable year, which is 31 December. The Issuer expects to process requests for controlled foreign corporation information received after the 60th day after the end of its taxable year within 15 Business Days of receiving the request.

27.3 Original Issue Discount Information Requests

Upon the Note Trustee's receipt of a request of a U.S. holder of a 144A Note issued with original issue discount for U.S. federal income tax purposes, or the written request of a person certifying that it is a holder of a beneficial interest in a 144A Note that is issued with original issue discount for U.S. federal income tax purposes, the Issuer will cause its independent accountants to provide promptly to the Trustee and such requesting Noteholder all of the information described in United States Treasury Regulations section 1.1275-3(b)(1)(i) that is applicable to such 144A Note.

27.4 Tax Classification

The Issuer will not elect to be treated as other than a corporation for U.S. federal income tax purposes.

27.6 Tax Certifications

27.6.1 Each holder and beneficial owner of a Note, by acceptance of such Note or its interest in such Note, shall be deemed to understand and acknowledge that failure to provide the Issuer, the Trustee or any Paying Agent with the applicable U.S. federal income tax certifications (generally, a United States Internal Revenue Service Form W-9 (or successor applicable form) in the case of a person that is a "United States person" within the meaning of section 7701(a)(30) of the Code or an applicable United States Internal Revenue Service Form W-8 (or successor applicable form) in the case of a person that is not a "United States person" within the meaning of section 7701(a)(30) of the Code) may result in U.S. federal back up withholding from payments in respect of such Note.

27.6.2 Each holder and beneficial owner of a Note that is not a "United States Person" (as defined in section 7701(a)(30) of the Code) will make, or by acquiring such Note or an interest therein will be deemed to make, a representation to the effect that (a) either (i) it is not a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of section 881(c)(3)(A) of the Code), or (ii) it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal Income Taxation of U.S. source interest not attributable to a permanent

establishment in the United States, and (b) each holder and beneficial owner of such Note will make, or by acquiring such Note or an interest therein will be deemed to make, a representation to the effect that it is not purchasing such Note in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan.

SCHEDULE 1

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions which, subject to completion and as supplemented, amended and/or replaced in accordance with the provisions of the relevant Final Terms or Drawdown Prospectus, as applicable, will be endorsed on each note in definitive form issued under the Programme. References in these terms and conditions to "notes" are to the notes of a particular Series only and not to all notes that may be issued under the Programme.

1. Introduction

- (a) **Programme:** Penarth Master Issuer plc (the "**Issuer**") has established a medium term note programme (the "**Programme**"). The notes of a particular Note Series (the "**notes**") are constituted and secured by a Note Trust Deed dated 16 October 2008 (as amended and restated from time to time) (the "**Note Trust Deed**") between the Issuer and Deutsche Bank Trust Company Americas (the "**Note Trustee**"), (which expression includes the trustee or trustees for the time being of the Note Trust Deed) and a supplement to the Note Trust Deed (the "**Note Trust Deed Supplement**") in respect of notes issued in each Note Series. References to the Note Trust Deed include reference to the relevant Note Trust Deed Supplement where the context admits.
- (b) **Final Terms or Drawdown Prospectus:** Notes issued under the Programme are issued in series (each a "**Note Series**") and each Note Series comprises only one class of notes. A Note Series may be constituted of a single class of either class A notes, class B notes, class C notes or class D notes, as designated in the relevant Final Terms or Drawdown Prospectus, as applicable. Each Note Series is the subject of a Final Terms or Drawdown Prospectus (the "**Final Terms or Drawdown Prospectus**") which supplements these terms and conditions (the "**Conditions**"). The terms and conditions applicable to any particular Note Series are these Conditions as supplemented, amended and/or replaced by the relevant Final Terms or Drawdown Prospectus, as applicable. In the event of any inconsistency between these Conditions and the relevant Final Terms or Drawdown Prospectus, as applicable, the relevant Final Terms or Drawdown Prospectus, as applicable shall prevail.
- (c) **Paying Agency Agreement:** The notes are the subject of a Paying Agency Agreement dated 16 October 2008 (as amended and restated from time to time) (the "**Paying Agency Agreement**") between (*inter alios*) the Issuer, Deutsche Bank AG, London Branch as Principal Paying Agent (the "**Principal Paying Agent**"), the Paying Agents named in the Paying Agency Agreement (the "**Paying Agents**"), the Agent Bank named in the Paying Agency Agreement (the "**Agent Bank**"), the Registrar named in the Paying Agency Agreement (the "**Registrar**"), the Exchange Agent named in the Paying Agent Agreement (the "**Exchange Agent**") and in each case, the expression "**Principal Paying Agent**", the "**Paying Agents**", the "**Agent Bank**" and the "**Registrar**" includes any successor to such Person in such capacity.

4. **Status, Security and Priority of Payment**

(a) **Status**

The Notes of each Note Series are direct, secured and unconditional obligations of the Issuer which will at all times rank *pari passu* and *pro rata* without preference or priority amongst themselves.

Each Note Series will rank *pari passu* with each other Note Series of the same class with respect to the cashflows available to that Note Series secured by first fixed Security both prior to and following enforcement but otherwise a Note Series of class A notes will rank in priority to a Note Series of class B notes, a Note Series of class C notes and a Note Series of class D notes, if any, and a Note Series of class B notes will rank in priority to a Note Series of class C notes and a Note Series of class D notes, if any, and a Note Series of class C notes will rank in priority to a Note Series of class D notes, if any, and each Note Series of a class will rank *pari passu* without preference or priority amongst other Note Series of the same class.

(b) **Security**

As Security for the payment of all monies payable in respect of a Note Series under the Note Trust Deed (including the remuneration, expenses and any other claims of the Note Trustee and any receiver appointed under the Note Trust Deed), the Issuer will pursuant to the Note Trust Deed and the Note Trust Deed Supplement create the following security (the "**Security**") in favour of the Note Trustee for itself and on trust for, *inter alios*, the Noteholders of such Note Series:

- (i) Security under English law in respect of the Issuer collateral (as described in the relevant Note Trust Deed Supplement);
- (ii) an assignment by way of first fixed Security under English law of the Issuer's right, title, interest and benefit in and to the Related Loan Note for that Note Series under Global Loan Note No. 1 and the Loan Note Supplement for the Related Loan Note for that Note Series;
- (iii) an assignment by way of first fixed Security under English law of the Issuer's right, title and interest in the Security Interest created in favour of the Security Trustee by Loan Note Issuer No. 1 in respect of Global Loan Note No. 1 (to the extent it relates to such Note Series);
- (iv) an assignment by way of first fixed Security under English law of the Issuer's right, title, interest and benefit in and to any agreements or documents to which the Issuer is a party (and sums received or recoverable thereunder);
- (v) an assignment by way of first fixed Security under English law of the Issuer's right, title, interest and benefit in and to all monies credited in respect of the relevant Distribution Ledger(s) of the

Issuer Distribution Account or to any bank or other account in which the Issuer may at any time have any right, title, interest or benefit; and

- (vi) a first floating charge under English law over the Issuer's undertaking and assets not charged under (i) to (v) above including all assets governed by or otherwise subject to Scots law),

all as more particularly described in the Note Trust Deed and the Note Trust Deed Supplement. In addition, pursuant to the Note Trust Deed, the Issuer has, by way of first fixed Security for payment of all monies payable in respect of the notes of such Series under the Note Trust Deed, assigned to the Note Trustee those assets that are situated in the United Kingdom.

(c) *Application of Proceeds Upon Enforcement*

The Note Trust Deed and each Note Trust Deed Supplement will contain provisions regulating the priority of application of amounts prior to the enforcement of any Security. Following the enforcement of any Security, payments shall be applied in the following order of priority:

- (i) *first*, in no order of priority among the respective amounts then due but proportionally to such amounts, to pay remuneration then due to any receiver or the Note Trustee and all amounts due in respect of legal fees and other costs, charges, liabilities, expenses, losses, damages, proceedings, claims and demands then incurred by the Note Trustee under and in respect of the Related Documents (as defined in Condition 5(ii)(a), but excluding the Dealer Agreement) and in enforcing the Security created by or pursuant to the Note Trust Deed and each Note Trust Deed Supplement thereto or in perfecting title to the Security, together with interest thereon as provided in any such document;
- (ii) *secondly*, in priority (A) (to the extent not met by (i) above) in payment or satisfaction of all amounts then due and unpaid to the Note Trustee and/or any appointee and/or any agent of the Note Trustee under the Related Documents (other than the Dealer Agreement), Note Trust Deed and each Note Trust Deed Supplement thereto, and then (B) in payment or satisfaction of all amounts then due and unpaid under the Issuer Corporate Services Agreement;

 - (A) if the Issuer has entered into a Swap Agreement for the particular Note Series of class A notes (and subject to (iv) below) in meeting the claims of the Swap Counterparty in respect of any termination payment under the Swap Agreement to be paid to the Swap Counterparty by the Issuer in accordance with the early termination provisions of the relevant Swap Agreement (the "**Class A Swap Termination Amount**"); and

6. **Interest**

(a) ***Specific Provision: Floating Rate Sterling Notes (LIBOR)***

This Condition 6(a) is applicable to the notes if the Specified Currency is Sterling and the notes are designated as floating rate notes and "LIBOR" is specified in the applicable Final Terms or Drawdown Prospectus.

Each note bears interest at a floating rate on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Sterling on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided, however, that** with respect to an Interest Period that commences during any period that is not an Amortisation Period and ends during the Rapid Amortisation Period, such Interest Period will end on the originally scheduled Interest Payment Date (and for the avoidance of doubt, in the case of an Interest Period which commences on the Interest Payment Date which falls at the end of the Interest Period during which the Rapid Amortisation Period begins, the Interest Period shall end on the next Distribution Date). The first interest payment will be made on the First Interest Payment Date in respect of the Interest Period from (and including) the Interest Commencement Date to the First Interest Payment Date.

The Rate of Interest applicable to the notes (the **"Rate of Interest"**) for each Interest Period will be determined by the Agent Bank as the sum of the Margin and LIBOR for the relevant Interest Period (or in the case of the first Interest Period, a linear interpolation of the LIBOR rates for such periods as specified in the relevant Final Terms or Drawdown Prospectus, as applicable), **provided that** the Rate of Interest shall at any time be at least zero per cent..

LIBOR shall be determined on the following basis:

- (i) on the Interest Commencement Date in respect of the first Interest Period and thereafter on each "**Determination Date**", namely the first day of the Interest Period for which the rate will apply, the Agent Bank will determine the offered quotation to leading banks in the London interbank market, in respect of the first Interest Period from (and including) the Interest Commencement Date to (but excluding) the First Interest Payment Date, a linear interpolation of the rates for Sterling deposits for such period as specified in the relevant Final Terms or Drawdown Prospectus, as applicable and for each Interest Period thereafter, for Sterling deposits for the relevant Interest Period, by reference to the display designated as the ICE LIBOR Rates as quoted on the Reuters Screen LIBOR01 or (aa) such other pages may replace Reuters Screen LIBOR01 on that service for the purposes of displaying such information or (bb) if that service ceases to display such information, such page as displays such information on such service (or, if more than one, that one previously approved in writing by the Note Trustee) as may replace the Reuters Monitor as at or about 11.00 a.m. (London time) on that date, (the "**Screen Rate**");
- (ii) if, on any Determination Date, the Screen Rate is unavailable, the Agent Bank will:
 - (1) request each Reference Bank to provide the Agent Bank with its offered quotation to leading banks in the London interbank market, in respect of the first Interest Period from (and including) the Interest Commencement Date to (but excluding) the First Interest Payment Date, a linear interpolation of the rates for such periods as specified in the relevant Final Terms or Drawdown Prospectus, as applicable and for each Interest Period thereafter, for Sterling deposits for the relevant Interest Period, as at approximately 11.00 a.m. (London time) on the Determination Date in question and in an amount that is representative for a single transaction in that market at that time; and
 - (2) determine the arithmetic mean (rounded upwards to four decimal places) of such quotations;
- (iii) if on any Determination Date the Screen Rate is unavailable and two or three only of the Reference Banks provide offered quotations, LIBOR for the relevant Interest Period shall be determined in accordance with the provisions of paragraph (ii) on the basis of the arithmetic mean (rounded upwards to four decimal places) of the offered quotations of those Reference Banks providing the offered quotations; and
- (iv) if fewer than two such quotations are provided by the Reference Banks as requested, the Agent Bank will determine the arithmetic mean (rounded upwards to four decimal places) of the rates quoted by major banks in London, selected by the Agent Bank, at approximately 11.00 a.m. (London time) on the first day of the relevant Interest Period for loans in Sterling to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

provided that if the Agent Bank is unable to determine LIBOR in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the notes during such Interest Period will be the sum of the Margin in respect of the notes and LIBOR last determined in relation to the notes in respect of the preceding Interest Period; and

provided further that, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Floating Rate Sterling Notes at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the "**Relevant Condition**"). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(a). It is further **provided that** the Rate of Interest shall at any time be at least zero per cent.

The Agent Bank will, as soon as practicable after the Determination Date in relation to each Interest Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the notes for such Interest Period.

The Interest Amount in respect of the notes will be calculated by applying the relevant Rate of Interest for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period, multiplying by the relevant Day Count Fraction and rounding the resulting figure to the nearest pence (half a pence rounded upwards).

(b) *Specific Provisions: Floating Rate Sterling Notes (SONIA)*

This Condition 6(b) is applicable to the notes if the Specified Currency is Sterling, the notes are designated as floating rate notes and "SONIA – Overnight Rate" is specified in the applicable Final Terms or Drawdown Prospectus:

Compounded Daily SONIA

- (i) where the calculation method in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms or Drawdown Prospectus as being "Compounded Daily", the Rate of Interest for each Interest Period will be the Compounded Daily SONIA plus or minus (as indicated in the applicable Final Terms) the Margin, where:

"Compounded Daily SONIA" means, with respect to an Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate (as indicated in the applicable Final Terms or Drawdown Prospectus and further provided for below) as the reference rate for the calculation of interest) and will be calculated by the Agent Bank on the Interest Determination Date, as follows, and the resulting percentage will be

rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{r_{i-pBD} \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

where:

"D" is the number specified in the applicable Final Terms or Drawdown Prospectus.

"d" is the number of calendar days in the relevant Interest Period.

"d_o" is the number of Business Days in the relevant Interest Period.

"i" is a series of whole numbers from one to d_o, each representing the relevant Business Day in chronological order from, and including, the first Business Day in the relevant Interest Period.

"Business Day" or **"BD"**, in this Condition 6(b)(i) has the meaning set out in Condition 68.

"n_i", for any Business Day "i", means the number of calendar days from and including such Day "i" up to but excluding the following Business Day.

"p" means, for any Interest Period:

- (A) where "Lag" is specified as the Observation Method in the applicable Final Terms or Drawdown Prospectus, the number of Business Days included in the Observation Look-Back Period specified in the applicable Final Terms or Drawdown Prospectus (or, if no such number is specified, five Business Days);
- (B) where "Lock-out" is specified as the Observation Method in the applicable Final Terms or Drawdown Prospectus, zero;

"r" means:

- (A) where in the applicable Final Terms or Drawdown Prospectus "SONIA" is specified as the Reference Rate and "Lag" is specified as the Observation Method, in respect of any Business Day, the SONIA rate in respect of such Business Day;
- (B) where in the applicable Final Terms or Drawdown Prospectus "SONIA" is specified as the Reference Rate and "Lock-out" is specified as the Observation Method:
 - (1) in respect of any Business Day "i" that is a Reference Day, the SONIA rate in respect of the Business Day immediately preceding such Reference Day, and
 - (2) in respect of any Business Day "i" that is not a Reference Day (being a Business Day in the Lock-out Period), the SONIA rate in respect of the Business Day immediately preceding the last Reference Day of the relevant Interest Period (such last Reference Day coinciding with the Interest Determination Date); and

"r_{i-pBD}" means the applicable SONIA as set out in the definition of "r" above for, where "Lag" is specified as the Observation Method in the applicable Final Terms, the Business Day (being a Business Day falling in the relevant

Observation Period) falling "p" Business Days prior to the relevant Business Day "i" or, where "Lock-out" is specified as the Observation Method in the applicable Final Terms, the relevant Business Day "i".

Weighted Average SONIA

- (ii) Where the calculation method in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms or **Drawdown Prospectus** as being "Weighted Average", the Rate of Interest for each Interest Period will be the Weighted Average SONIA (as defined below) plus or minus (as indicated in the applicable Final Terms or **Drawdown Prospectus**) the Margin and will be calculated by the Agent Bank on the Interest Determination Date and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards, where:

"Weighted Average SONIA" means:

- (A) where "Lag" is specified as the Observation Method in the applicable Final Terms or **Drawdown Prospectus**, the arithmetic mean of the SONIA in effect for each calendar day during the relevant Observation Period, calculated by multiplying the SONIA by the number of days such rate is in effect, determining the sum of such products and dividing such sum by the number of days in the relevant Observation Period; and
- (B) where "Lock-out" is specified as the Observation Method in the applicable Final Terms or **Drawdown Prospectus**, the arithmetic mean of the SONIA in effect for each calendar day during the relevant Interest Period, calculated by multiplying the SONIA by the number of days such rate is in effect, determining the sum of such products and dividing such sum by the number of days in the relevant Interest Period, provided however that for any Business Day (as defined in (i) above) of such Interest Period falling in the "Lock-out Period", the relevant SONIA for each day during that Lock-out Period will be the value for the Reference Day immediately prior to the first day of such Lock-out Period.
- (iii) Where "SONIA" is specified as the Reference Rate in the applicable Final Terms or **Drawdown Prospectus**, if, in respect of any Business Day, SONIA is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such Reference Rate shall be (i) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant Business Day; plus (ii) the mean of the spread of SONIA to the Bank Rate over the previous five days on which SONIA has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate, and "r" shall be interpreted accordingly.
- (iv) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Interest Rate or Minimum Interest Rate applicable to the first Interest Accrual Period).
- (v) For the purposes of this Condition 6(b), the following definitions will apply:

"Lock-out Period" means the period from, and including, the day following the Interest Determination Date to, but excluding, the corresponding Interest Payment Date.

"Observation Period" means, in respect of an Interest Period, the period from and including the date falling "p" Business Days prior to the first day of the relevant Interest Period and ending on, but excluding, the date which is "p" Business Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" Business Days prior to such earlier date, if any, on which the Notes become due and payable).

"Reference Day" means each Business Day in the relevant Interest Period, other than any Business Day in the Lock-out Period.

"SONIA" means, in respect of any Business Day, a reference rate equal to the daily Sterling Overnight Index Average rate for such Business Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors in each case on the Business Day immediately following such Business Day.

- (vi) If there has been a public announcement of the permanent or indefinite discontinuation, **provided that**, if the Screen Rate or the relevant base rate that applies to the Floating Rate Sterling Notes at that time (the date of such public announcement being the **"Relevant Time"**), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the **"Relevant Condition"**). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(b). It is further **provided that** the Rate of Interest shall at any time be at least zero per cent.

(c) ***Specific Provisions: Floating Rate US Dollar Notes (USD LIBOR)***

This Condition 6(c) is applicable to the notes if the Specified Currency is US Dollars and the notes are designated as floating rate notes and "USD LIBOR" is specified in the applicable Final Terms of Drawdown Prospectus.

Each note bears interest at a floating rate on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in US Dollars on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date " means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided, however, that** with respect to an Interest Period that commences during any period that is not an Amortisation Period and ends during the Rapid Amortisation Period, such Interest Period will end on the originally scheduled Interest Payment Date (and for the avoidance of doubt, in the case of an Interest Period which commences on the Interest Payment Date which falls at the end of the Interest Period during which the Rapid Amortisation Period begins, the Interest Period shall end on the next Distribution Date). The first interest payment will be made on the First Interest Payment Date in respect of the Interest Period from (and including) the Interest Commencement Date to the First Interest Payment Date.

The Rate of Interest applicable to the notes for each Interest Period will be determined by the Agent Bank as the sum of the Margin and USD LIBOR for the relevant interest period (or, in the case of the first Interest Period, a linear interpretation of the USD LIBOR rates for such periods as specified in the relevant Final Terms or Drawdown Prospectus, as applicable), **provided that** the Rate of Interest shall at any time be at least zero per cent..

USD LIBOR shall be determined on the following basis:

- (i) on each Quotation Date (as defined below) until the first Quotation Date during the Rapid Amortisation Period, the Agent Bank will determine the offered quotation to leading banks in the London interbank market — called LIBOR — for one-month US Dollar deposits or three-month US Dollar deposits — called USD LIBOR — (in accordance with the relevant Interest Period specified in the relevant Final Terms or Drawdown Prospectus, as applicable). In the case of the first Interest Period the Agent Bank will determine USD LIBOR based upon the linear interpolation of LIBOR for US Dollar deposits as specified in the relevant Final Terms or Drawdown Prospectus, as applicable. On each Quotation Date during the Rapid Amortisation Period, the Agent Bank will determine the offered quotation to leading banks in the London interbank market for one-month US Dollar deposits.

This will be determined by reference to the ICE LIBOR Rates display as quoted on the Reuters Screen LIBOR01. If Reuters Screen LIBOR01 stops providing these quotations, the replacement service for the purposes of displaying this information will be used. If the replacement service stops displaying the information, any page showing this information will be used. If there is more than one service displaying the information, the one approved in writing by the Note Trustee in its sole discretion will be used.

In each case above, the determination will be made as at or about 11.00 a.m. London time, on that date. These are called the **"Screen Rates"**.

A "**Quotation Date**" means the second London Business Day before the first day of an Interest Period;

- (ii) if, on any Quotation Date, a Screen Rate is unavailable, the Agent Bank will:
 - (1) request each Reference Bank to provide the Agent Bank with its offered quotation to leading banks in the London interbank market of the equivalent of that Screen Rate on that Quotation Date in an amount that represents a single transaction in that market at that time; and
 - (2) determine the arithmetic mean rounded upwards to four decimal places, of those quotations;
- (iii) if, on any quotation date, the Screen Rate is unavailable and two or three only of the Reference Banks provide offered quotations, the Rate of Interest for that Interest Period will be the arithmetic mean of the quotations provided by those Reference Banks calculated in the manner described in (ii) above; and
- (iv) if fewer than two Reference Banks provide quotations, the Agent Bank will determine (in its absolute discretion) the arithmetic mean (rounded upwards to four decimal places) of the leading rates quoted by major banks in London — selected by the Agent Bank at approximately 11.00 a.m. London time on the relevant Quotation Date — to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time, for loans in US Dollars,

provided that if the Agent Bank is unable to determine LIBOR in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the notes during such Interest Period will be the sum of the Margin in respect of the notes and LIBOR last determined in relation to the notes in respect of the preceding Interest Period; and

provided further that, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Floating Rate U.S. Dollar Notes at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the "**Relevant Condition**"). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(c). It is further **provided that** the Rate of Interest shall at any time be at least zero per cent.

The Agent Bank will, as soon as practicable after the Quotation Date in relation to each Interest Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the notes for such Interest Period. The Interest Amount in respect of the notes will be calculated by applying the relevant Rate of Interest for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period and

multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest US Dollar 0.01 (half of a cent being rounded upwards).

(d) *Specific Provisions: Floating Rate US Dollar Notes (SOFR)*

This Condition 6(d) is applicable to the notes if the Specified Currency is Sterling, the notes are designated as floating rate notes and "SOFR – Overnight Rate" is specified in the applicable Final Terms or Drawdown Prospectus:

Compounded Daily SOFR

- (i) where the calculation method in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms or Drawdown Prospectus as being "Compounded Daily", the Rate of Interest for each Interest Period will be the Compounded Daily SOFR plus or minus (as indicated in the applicable Final Terms or Drawdown Prospectus) the Margin, where:

"Compounded Daily **SOFR**" means, with respect to an Interest Period, the rate of return of a daily compound interest investment (with the daily US Dollars overnight reference rate (as indicated in the applicable Final Terms or Drawdown Prospectus and further provided for below) as the reference rate for the calculation of interest) and will be calculated by the Agent Bank on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{r_{1-pBD} \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

where:

"**D**" is the number specified in the applicable Final Terms or Drawdown Prospectus.

"**d**" is the number of calendar days in the relevant Interest Period.

"**d_o**" is the number of Business Days in the relevant Interest Period.

"**i**" is a series of whole numbers from one to **d_o**, each representing the relevant Business Day in chronological order from, and including, the first Business Day in the relevant Interest Period.

"**Business Day**" or "**BD**", in this Condition 6(d)(i), means a U.S. Government Securities Business Day.

"**n_i**", for any Business Day "**i**", means the number of calendar days from and including such Day "**i**" up to but excluding the following Business Day.

"**p**" means, for any Interest Period:

- (A) where "Lag" is specified as the Observation Method in the applicable Final Terms or Drawdown Prospectus, the number of Business Days included in the Observation Look-Back Period specified in the applicable Final Terms or Drawdown Prospectus (or, if no such number is specified, five Business Days);

- (B) where "Lock-out" is specified as the Observation Method in the applicable Final Terms or Drawdown Prospectus, zero;

"r" means:

- (A) where in the applicable Final Terms or Drawdown Prospectus "SOFR" is specified as the Reference Rate and "Lag" is specified as the Observation Method, in respect of any Business Day, the SOFR in respect of such Business Day;
- (B) where in the applicable Final Terms or Drawdown Prospectus "SOFR" is specified as the Reference Rate and "Lock-out" is specified as the Observation Method:
- (1) in respect of any Business Day "i" that is a Reference Day, the SOFR in respect of the Business Day immediately preceding such Reference Day, and
 - (2) in respect of any Business Day "i" that is not a Reference Day (being a Business Day in the Lock-out Period), the SOFR in respect of the Business Day immediately preceding the last Reference Day of the relevant Interest Period (such last Reference Day coinciding with the Interest Determination Date).

" r_{i-pBD} " means the applicable SOFR as set out in the definition of "r" above for, where "Lag" is specified as the Observation Method in the applicable Final Terms, the Business Day (being a Business Day falling in the relevant Observation Period) falling "p" Business Days prior to the relevant Business Day "i" or, where "Lock-out" is specified as the Observation Method in the applicable Final Terms, the relevant Business Day "i".

Weighted Average SOFR

- (ii) where the calculation method in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms or Drawdown Prospectus as being "Weighted Average", the Rate of Interest for each Interest Period will be the Weighted Average SOFR (as defined below) plus or minus (as indicated in the applicable Final Terms or Drawdown Prospectus) the Margin and will be calculated by the Agent Bank on the Interest Determination Date and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards, where:

"Weighted Average SOFR" means:

- (A) where "Lag" is specified as the Observation Method in the applicable Final Terms or Drawdown Prospectus, the arithmetic mean of the SOFR in effect for each calendar day during the relevant Observation Period, calculated by multiplying the relevant SOFR by the number of days such rate is in effect, determining the sum of such products and dividing such sum by the number of days in the relevant Observation Period; and
- (B) where "Lock-out" is specified as the Observation Method in the applicable Final Terms or Drawdown Prospectus, the arithmetic mean of the SOFR in effect for each calendar day during the relevant Interest Period, calculated by multiplying the relevant SOFR by the number of days such rate is in effect, determining the sum of such products and dividing such sum by the number of days in the relevant Interest Period, provided however that for any Business Day (as defined in (i) above) of such Interest Period falling in the "Lock-out Period", the relevant SOFR for each day during that Lock-out Period will be the value for the Reference Day immediately prior to the first day of such Lock-out Period.
- (iii) Where "SOFR" is specified as the Reference Rate in the applicable Final Terms or Drawdown Prospectus, if, in respect of any Business Day, the Reference Rate is not available, such Reference Rate shall be the SOFR for the first preceding Business Day on which the SOFR was published on the New York Fed's Website, and "r" shall be interpreted accordingly.

- (iv) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Interest Rate or Minimum Interest Rate applicable to the first Interest Accrual Period).

- (v) For the purposes of this Condition 6(d), the following definitions will apply:

"Lock-out Period" means the period from, and including, the day following the Interest Determination Date to, but excluding, the corresponding Interest Payment Date.

"New York Fed's Website" means the website of the Federal Reserve Bank of New York currently at <http://www.newyorkfed.org>, or any successor website of the Federal Reserve Bank of New York.

"Observation Period" means, in respect of an Interest Period, the period from and including the date falling "p" Business Days prior to the first day of the relevant Interest Period and ending on, but excluding, the date which is "p" Business Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" Business Days prior to such earlier date, if any, on which the Notes become due and payable).

"Reference Day" means each Business Day in the relevant Interest Period, other than any Business Day in the Lock-out Period.

"SOFR" means, in respect of any Business Day, a reference rate equal to the daily Secured Overnight Financing Rate as provided by the Federal Reserve Bank of New York, as the administrator of such rate (or any successor administrator of such rate) on the New York Fed's Website, in each case on or about 5:00p.m. (New York City Time) on the Business Day immediately following such Business Day.

- (vi) **Provided that**, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Floating Rate U.S. Dollar Notes at that time (the date of such public announcement being the **"Relevant Time"**), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the **"Relevant Condition"**). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(d). It is further **provided that** the Rate of Interest shall at any time be at least zero per cent.

- (e) ***Specific Provision: Floating Rate Euro Notes***

This Condition 6(e) is applicable to the notes if the Specified Currency is Euro and the notes are designated to be floating rate notes.

Each note bears interest at a floating rate on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Euros on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided, however, that** with respect to an Interest Period that commences during any period that is not an Amortisation Period and ends during the Rapid Amortisation Period, such Interest Period will end on the originally scheduled Interest Payment Date (and for the avoidance of doubt, in the case of an Interest Period which commences on the Interest Payment Date which falls at the end of the Interest Period during which the Rapid Amortisation Period begins, the Interest Period shall end on the next Distribution Date). The first interest payment will be made on the First Interest Payment Date in respect of the Interest Period from (and including) the Interest Commencement Date to the First Interest Payment Date.

The Rate of Interest applicable to the notes (the **"Rate of Interest"**) for each Interest Period will be determined by the Agent Bank as the sum of the Margin and EURIBOR for the relevant Interest Period (or in the case of the first Interest Period, a linear interpolation of the EURIBOR rates for such periods as specified in the relevant Final Terms or Drawdown Prospectus, as applicable), **provided that** the Rate of Interest shall at any time be at least zero per cent..

"EURIBOR" shall be determined on the following basis:

- (i) on the second TARGET Settlement Day before the Interest Commencement Date in respect of the first Interest Period and thereafter on each "Determination Date", namely 11.00 a.m. (Brussels time) on the second TARGET Settlement Day before the first day of the Interest Period for which the rate will apply, the Agent Bank will determine the offered quotation to prime banks in the Euro-

Zone interbank market, in respect of the first Interest Period from (and including) the Interest Commencement Date to (but excluding) the First Interest Payment Date, a linear interpolation of the rates for Euro deposits for such period as specified in the relevant Final Terms or Drawdown Prospectus, as applicable and for each Interest Period thereafter, for Euro deposits for the relevant Interest Period, by reference to (aa) on the display page designated EURIBOR01 on the Reuters Service (or such other page as may replace that page on that service, or such other service as may be nominated by the Agent Bank as the information vendor, for the purpose of displaying comparable rates) on the Determination Date or (bb) if that service ceases to display such information, such page as displays such information on such service (or, if more than one, that one previously approved in writing by the Note Trustee) as may replace the Dow Jones Monitor as at or about 11.00 a.m. (Brussels time) on that date (the "**Screen Rate**");

(ii) if, on any Determination Date, the Screen Rate is unavailable, the Agent Bank will:

- (1) request the principal euro-zone office of each of four major banks in the Euro-Zone interbank market to provide a quotation of the rate at which deposits in Euro are offered by it at approximately 11.00 a.m. (Brussels time) on the Determination Date to prime banks in the Euro-Zone interbank market for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time; and
 - (2) determine the arithmetic mean (rounded, if necessary, to the nearest one hundred thousandth of a percentage point, 0.000005 being rounded upwards) of such quotations; and
- (iii) if fewer than two such quotations are provided as requested, the Agent Bank will determine the arithmetic mean (rounded, if necessary, as aforesaid) of the rates quoted by major banks in the Euro-Zone interbank market, selected by the Agent Bank, at approximately 11.00 a.m. (Brussels time) on the Determination Date for loans in Euro to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

provided that if the Agent Bank is unable to determine EURIBOR in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the notes during such Interest Period will be the sum of the Margin and the EURIBOR last determined in relation to such notes in respect of a preceding Interest Period; and

provided further that, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Floating Rate Euro Notes at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the "**Relevant Condition**"). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was

proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(e). It is further **provided that** the Rate of Interest shall at any time be at least zero per cent..

The Agent Bank will, as soon as practicable after the Determination Date in relation to each Interest Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the notes for such Interest Period. The Interest Amount in respect of the notes will be calculated by applying the relevant Rate of Interest for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period and multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest Euro 0.01 (half of a cent being rounded upwards).

(f) *Specific Provision: Fixed Rate Sterling Notes (Option 1)*

This Condition 6(f) is applicable to the notes if the Specified Currency is Sterling and the notes are designated to be fixed rate notes (Option 1).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Sterling on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an "**Interest Period**", **provided, however, that** with respect to an Interest Period that commences during any period that is not an Amortisation Period and ends during the Rapid Amortisation Period, such Interest Period will end on the originally scheduled Interest Payment Date (and for the avoidance of doubt, in the case of an Interest Period which commences on the Interest Payment Date which falls at the end of the Interest Period during which the Rapid Amortisation Period begins, the Interest

Period shall end on the next Distribution Date). The first interest payment will be made on the first Interest Payment Date in respect of the Interest Period from (and including) the Interest Commencement Date to the First Interest Payment Date.

Subject to the following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date to, but excluding, the Floating Rate Commencement Date (the "**Initial Period**"). Interest in respect of the notes during the Initial Period is payable in arrear in Sterling on each Regular Interest Payment Date and the final Interest Payment Date during the Initial Period shall be the Scheduled Redemption Date.

The amount of the interest payable (the "**Interest Amount**") in respect of the notes for any Interest Period during the Initial Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest Sterling 0.01 (half of a pence being rounded upwards).

However, in the event that the Rapid Amortisation Period has commenced, then from and including the Floating Rate Commencement Date to, but excluding, the Final Redemption Date (the "**Redemption Period**"), each note bears interest at a floating rate on its Principal Amount Outstanding to be determined in accordance with the provisions below, payable in arrear on each Distribution Date. During the Redemption Period, each period beginning on, and including, a Distribution Date to but excluding the next Distribution Date is called an "**Interest Period**".

The Rate of Interest applicable to the notes which are the subject of this Condition 6(f) (the "**Redemption Rate**") for each Interest Period during the Redemption Period will be determined by the Agent Bank as the sum of the Margin and LIBOR for the relevant Interest Period.

LIBOR shall be determined on the following basis:

- (i) on the Floating Rate Commencement Date in respect of the first Interest Period during the Redemption Period and thereafter on each "**Determination Date**", namely the first day of the Interest Period for which the Redemption Rate will apply, the Agent Bank will determine the offered quotation to leading banks in the London interbank market, for Sterling deposits for the relevant Interest Period, by reference to the display designated as the ICE LIBOR Rates as quoted on Reuters Screen LIBOR01 or (aa) such other page as may replace Reuters Screen LIBOR01 on that service for the purposes of displaying such information or (bb) if that service ceases to display such information, such page as displays such information on such service (or, if more than one, that one previously approved in writing by the Note Trustee) as may replace the Reuters Screen as at or about 11.00 a.m. (London time) on that date, (the "**Screen Rate**");
- (ii) if, on any Determination Date, the Screen Rate is unavailable, the Agent Bank will:
 - (1) request each Reference Bank to provide the Agent Bank with its offered quotation to leading banks in the London interbank market, for Sterling deposits for the relevant Interest Period, as at approximately 11.00 a.m.

(London time) on the Determination Date in question and in an amount that is representative for a single transaction in that market at that time; and

- (2) determine the arithmetic mean (rounded upwards to four decimal places) of such quotations;
- (iii) if on any Determination Date the Screen Rate is unavailable and two or three only of the Reference Banks provide offered quotations, LIBOR for the relevant Interest Period shall be determined in accordance with the provisions of paragraph (ii) on the basis of the arithmetic mean (rounded upwards to four decimal places) of the offered quotations of those Reference Banks providing the offered quotations; and
- (iv) if fewer than two such quotations are provided by the Reference Banks as requested, the Agent Bank will determine the arithmetic mean (rounded upwards to four decimal places) of the rates quoted by major banks in London, selected by the Agent Bank, at approximately 11.00 a.m. (London time) on the first day of the relevant Interest Period for loans in Sterling to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

provided that if the Agent Bank is unable to determine LIBOR in accordance with the above provisions in relation to any Interest Period, the Redemption Rate applicable to the notes in respect of such Interest Period during the Redemption Period will be the sum of the Margin in respect of the notes and LIBOR last determined in relation to the notes in respect of the preceding Interest Period; and

provided further that, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Fixed Rate Sterling Notes (Option 1) at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the "**Relevant Condition**"). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(f).

During the Redemption Period, the Agent Bank will, as soon as practicable after the Determination Date in relation to each Interest Period during the Redemption Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the notes for such Interest Period. The Interest Amount will be calculated by applying the Redemption Rate for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period and multiplying the product by the relevant Day Count Fraction, and rounding the resulting figure to the nearest Sterling 0.01 (half of a penny being rounded upwards).

(g) *Specific Provision: Fixed Rate Dollar Notes (Option 1)*

This Condition 6(g) is applicable to the notes if the Specified Currency is US Dollars and the notes are designated to be fixed rate notes (Option 1).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in US Dollars on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided however, that**, where the Floating Rate Commencement Date is a date falling prior to the Scheduled Redemption Date, with respect to an Interest Period that commences during the Revolving Period or the Accumulation Period and ends during the Rapid Amortisation Period, such Interest Period will end on, and exclude, the Floating Rate Commencement Date.

Subject to the following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date to, but excluding, the Floating Rate Commencement Date (the **"Initial Period"**). Interest in respect of such note during the Initial Period is payable in arrear in US Dollars on each Regular Interest Payment Date and the final Interest Payment Date during the Initial Period shall be the Scheduled Redemption Date.

The amount of the interest payable (the **"Interest Amount"**) in respect of the notes for any Interest Period during the Initial Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest US Dollar 0.01 (half of a cent being rounded upwards).

However, in the event that the Rapid Amortisation Period has commenced, then from and including the Floating Rate Commencement Date to, but excluding, the Final Redemption Date (the "**Redemption Period**"), each note bears interest at a floating rate on its Principal Amount Outstanding to be determined in accordance with the provisions below, payable in arrear on each Distribution Date. During the Redemption Period, each period beginning on, and including, a Distribution Date to but excluding the next Distribution Date is called an "**Interest Period**".

The Rate of Interest applicable to the notes which are the subject of this Condition 6(g) (the "**Redemption Rate**") for each Interest Period during the Redemption Period will be determined by the Agent Bank as the sum of the Margin and USD LIBOR for the relevant Interest Period.

USD LIBOR shall be determined on the following basis:

- (i) on each Quotation Date during the Redemption Period, the Agent Bank will determine the offered quotation to leading banks in the London interbank market - called LIBOR - for one-month US Dollar deposits.

This will be determined by reference to the ICE LIBOR Rates display as quoted on the Reuters Screen LIBOR01. If the Reuters Screen LIBOR01 stops providing these quotations, the replacement service for the purposes of displaying this information will be used. If the replacement service stops displaying the information, any page showing this information will be used. If there is more than one service displaying the information, the one approved in writing by the Note Trustee in its sole discretion will be used.

In each case above, the determination will be made as at or about 11.00 a.m. London time, on that date. These are called the "**Screen Rates**".

A "**Quotation Date**" means the second London Business Day before the Floating Rate Commencement Date in respect of the first Interest Period during the Redemption Period and thereafter the second London Business Day before the first day of an Interest Period;

- (ii) if, on any Quotation Date, a Screen Rate is unavailable, the Agent Bank will:
 - (1) request each Reference Bank to provide the Agent Bank with its offered quotation to leading banks of the equivalent of that Screen Rate on that Quotation Date in an amount that represents a single transaction in that market at that time; and
 - (2) determine the arithmetic mean rounded upwards to four decimal places, of those quotations;
- (iii) if, on any Quotation Date, the Screen Rate is unavailable and only two or three of the Reference Banks provide offered quotations, LIBOR for that Interest Period will be the arithmetic mean of the quotations provided by those Reference Banks calculated in the manner described in (ii) above; and
- (iv) if fewer than two Reference Banks provide quotations, the Agent Bank will determine (in its absolute discretion) the arithmetic mean (rounded upwards to

four decimal places) of the leading rates quoted by major banks in London — selected by the Agent Bank at approximately 11.00 a.m. London time on the relevant Quotation Date — to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time, for loans in US Dollars,

provided that if the Agent Bank is unable to determine LIBOR in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the notes during such Interest Period will be the sum of the Margin in respect of the notes and LIBOR last determined in relation to the notes in respect of the preceding Interest Period; and

provided further that, in respect of the Fixed Rate Dollar Notes (Option 1) issued on or after the Base Rate Modification Reference Date, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Fixed Rate Dollar Notes (Option 1) at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the "**Relevant Condition**"). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(g).

During the Redemption Period, the Agent Bank will, as soon as practicable after the Quotation Date in relation to each Interest Period during the Redemption Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the notes for such Interest Period. The Interest Amount will be calculated by applying the Redemption Rate for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period and multiplying the product by the relevant Day Count Fraction, and rounding the resulting figure to the nearest US Dollar 0.01 (half of a cent being rounded upwards).

(h) ***Specific Provision: Fixed Rate Euro Notes (Option 1)***

This Condition 6(h) is applicable to the notes if the Specified Currency is Euro and the notes are designated to be fixed rate notes (Option 1).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Euro on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of

the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided, however, that**, where the Floating Rate Commencement Date is a date falling prior to the Scheduled Redemption Date, with respect to an Interest Period that commences during the Revolving Period or the Accumulation Period and ends during the Rapid Amortisation Period, such Interest Period will end on, and exclude, the Floating Rate Commencement Date.

Subject to the following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date to, but excluding, the Floating Rate Commencement Date (the **"Initial Period"**). Interest in respect of such note during the Initial Period is payable in arrear in Euro on each Regular Interest Payment Date and the final Interest Payment Date during the Initial Period shall be the Scheduled Redemption Date.

The amount of the interest payable (the **"Interest Amount"**) in respect of the notes for any Interest Period during the Initial Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest Euro 0.01 (half of a cent being rounded upwards).

However, in the event that the Rapid Amortisation Period has commenced, then from and including the Floating Rate Commencement Date to, but excluding, the Final Redemption Date (the **"Redemption Period"**), each note bears interest at a floating rate on its Principal Amount Outstanding to be determined in accordance with the provisions below, payable in arrear on each Distribution Date. During the Redemption Period, each period beginning on, and including, a Distribution Date to but excluding the next Distribution Date is called an **"Interest Period"**.

The Rate of Interest applicable to the notes which are the subject of this Condition 6(f) (the **"Redemption Rate"**) for each Interest Period during the Redemption Period will be determined by the Agent Bank as the sum of the Margin and EURIBOR for the relevant Interest Period.

EURIBOR shall be determined on the following basis:

- (i) on the second TARGET Settlement Day before the Floating Rate Commencement Date in respect of the first Interest Period during the Redemption Period and thereafter on each "**Determination Date**", namely 11.00 a.m. (Brussels time) on the second TARGET Settlement Day before the first day of the Interest Period for which the rate will apply, the Agent Bank will determine the offered quotation to prime banks in the Euro-Zone interbank market for Euro deposits for the relevant Interest Period, by reference to (aa) on Reuters Screen (or such other page as may replace that page on that service, or such other service as may be nominated by the Agent Bank as the information vendor, for the purpose of displaying comparable rates) on the Determination Date or (bb) if that service ceases to display such information, such page as displays such information on such service (or, if more than one, that one previously approved in writing by the Note Trustee) as may replace the Reuters Screen as at or about 11.00 a.m. (Brussels time) on that date (the "**Screen Rate**");
- (ii) if, on any Determination Date, the Screen Rate is unavailable, the Agent Bank will:
 - (1) request the principal Euro-Zone office of each of four major banks in the Euro-Zone interbank market to provide a quotation of the rate at which deposits in Euro are offered by it at approximately 11.00 a.m. (Brussels time) on the Determination Date to prime banks in the euro-zone interbank market for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time; and
 - (2) determine the arithmetic mean (rounded, if necessary, to the nearest one hundred thousandth of a percentage point, 0.000005 being rounded upwards) of such quotations; and
- (iii) if fewer than two such quotations are provided as requested, the Agent Bank will determine the arithmetic mean (rounded, if necessary, as aforesaid) of the rates quoted by major banks in the Euro-Zone interbank market, selected by the Agent Bank, at approximately 11.00 a.m. (Brussels time) on the Determination Date for loans in Euro to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

provided that if the Agent Bank is unable to determine EURIBOR in accordance with the above provisions in relation to any Interest Period, the Redemption Rate applicable to the notes during such Interest Period will be the sum of the Margin and EURIBOR last determined in relation to such notes in respect of the preceding Interest Period; and

provided further that, in respect of the Fixed Rate Euro Notes (Option 1) issued on or after the Base Rate Modification Reference Date, if there has been a public announcement of the permanent or indefinite discontinuation of the Screen Rate or the relevant base rate that applies to the Fixed Rate Euro Notes (Option 1) at that time (the date of such public announcement being the "**Relevant Time**"), the Issuer (acting on the advice of the Cash Manager) shall, without undue delay, use commercially

reasonable endeavours to propose an Alternative Base Rate in accordance with Condition 14(c) (*Additional right of Modification*) (the "**Relevant Condition**"). For the avoidance of doubt, if an Alternative Base Rate proposed by or on behalf of the Issuer (including any Alternative Base Rate which was proposed prior to the Relevant Time in accordance with the Relevant Condition) has failed to be implemented in accordance with the Relevant Condition as a result of Noteholder objections to the modification, the Issuer shall not be obliged to propose an Alternative Base Rate under this Condition 6(h).

During the Redemption Period, the Agent Bank will, as soon as practicable after the Determination Date in relation to each Interest Period during the Redemption Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the notes for such Interest Period. The Interest Amount will be calculated by applying the Redemption Rate for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period and multiplying the product by the relevant Day Count Fraction, and rounding the resulting figure to the nearest Euro 0.01 (half of a cent being rounded upwards).

(i) *Specific Provision: Fixed Rate Sterling Notes (Option 2)*

This Condition 6(i) is applicable to the notes if the Specified Currency is Sterling and the notes are designated to be fixed rate notes (Option 2).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Sterling on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable).

Each period beginning on (and including) any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an "**Interest Period**". Subject to the following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date. Interest in respect of the such note is payable in arrear in Sterling on each Regular Interest Payment Date.

The amount of the interest payable (the "**Interest Amount**") in respect of the notes for any Interest Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest Sterling 0.01 (half of a pence being rounded upwards).

(j) *Specific Provision: Fixed Rate Dollar Notes (Option 2)*

This Condition 6(j) is applicable to the notes if the Specified Currency is US Dollars and the notes are designated to be fixed rate notes (Option 2).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in US Dollars on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"**Interest Payment Date**" means the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable).

Each period beginning on (and including) any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an "**Interest Period**".

Subject to the following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date. Interest in respect of the such note is payable in arrear in US Dollars on each Regular Interest Payment Date.

The amount of the interest payable (the "**Interest Amount**") in respect of the notes for any Interest Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest US Dollar 0.01 (half of a cent being rounded upwards).

(k) *Specific Provision: Fixed Rate Euro Notes (Option 2)*

This Condition 6(k) is applicable to the notes if the Specified Currency is Euro and the notes are designated to be fixed rate notes (Option 2).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Euro on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable).

Each period beginning on (and including) any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**.

Subject to the following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date. Interest in respect of the such note is payable in arrear in Euro on each Regular Interest Payment Date.

The amount of the interest payable (the **"Interest Amount"**) in respect of the notes for any Interest Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest Euro 0.01 (half of a cent being rounded upwards).

(1) *Specific Provision: Fixed Rate Dollar Notes (Option 3)*

This Condition 6(1) is applicable to the notes if the Specified Currency is US Dollars and the notes are designated to be fixed rate notes (Option 3).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in US Dollars on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which

funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided, however, that**, where the Floating Rate Commencement Date is a date falling prior to the Scheduled Redemption Date with respect to an Interest Period that commences during the Revolving Period or the Accumulation Period and ends during the Rapid Amortisation Period, such Interest Period will end on, and exclude the Floating Rate Commencement Date.

Subject to the second following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date to, but excluding, the Floating Rate Commencement Date (the **"Initial Period"**). Interest in respect of the such note during the Initial Period is payable in arrear in US Dollars on each Regular Interest Payment Date and the final Interest Payment Date during the Initial Period shall be the Scheduled Redemption Date.

The amount of the interest payable (the **"Interest Amount"**) in respect of the notes for any Interest Period during the Initial Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest US Dollar 0.01 (half of a cent being rounded upwards).

However, in the event that the Rapid Amortisation Period has commenced, then from and including the Floating Rate Commencement Date to, but excluding, the Final Redemption Date (the **"Redemption Period"**), each note bears interest on its Principal Amount Outstanding in accordance with this Condition 6(l), but subject as provided in the following paragraph, payable in arrear on each Distribution Date. During the Redemption Period, each period beginning on, and including, a Distribution Date to but excluding the next Distribution Date is called an **"Interest Period"**.

Interest will be payable on the relevant notes by the relevant Paying Agent in accordance with the provisions of the Paying Agency Agreement.

- (m) ***Specific Provision: Fixed Rate Euro Notes (Option 3)***

This Condition 6(m) is applicable to the notes if the Specified Currency is Euro and the notes are designated to be fixed rate notes (Option 3).

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Euro on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **"Interest Period"**; **provided, however, that**, where the Floating Rate Commencement Date is a date falling prior to the Scheduled Redemption Date, with respect to an Interest Period that commences during the Revolving Period or the Accumulation Period and ends during the Rapid Amortisation Period, such Interest Period will end on, and exclude, the Floating Rate Commencement Date.

Subject to the second following paragraph, each note bears interest at the Initial Rate on its Principal Amount Outstanding during the period from (and including) the Interest Commencement Date to, but excluding, the Floating Rate Commencement Date (the **"Initial Period"**). Interest in respect of the notes during the Initial Period is payable in arrear in Euro on each Regular Interest Payment Date and the final Interest Payment Date during the Initial Period shall be the Scheduled Redemption Date.

The amount of the interest payable (the **"Interest Amount"**) in respect of the notes for any Interest Period during the Initial Period shall be calculated by applying the Initial Rate to the Principal Amount Outstanding of the notes, multiplying the resulting product by the relevant Day Count Fraction, and rounding the resultant figure to the nearest Euro 0.01 (half of a cent being rounded upwards).

However, in the event that the Rapid Amortisation Period has commenced, then from and including the Floating Rate Commencement Date to, but excluding, the Final Redemption Date (the **"Redemption Period"**), each note bears interest on its Principal Amount Outstanding in accordance with this Condition 6(k), but subject as provided in the following paragraph, payable in arrear on each Distribution Date. During the

Redemption Period, each period beginning on, and including, a Distribution Date to but excluding the next Distribution Date is called an "**Interest Period**".

Interest will be payable on the relevant notes by the relevant Paying Agent in accordance with the provisions of the Paying Agency Agreement.

(n) *Specific Provisions: Commercial Paper Cost of Funds Notes*

This Condition 6(n) is applicable to the notes if the notes are issued as notes with an interest rate calculated by reference to commercial paper costs of funds of the relevant note purchaser or its related commercial paper Issuer.

Each note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date. Interest in respect of the notes is payable in arrear in Sterling on each Interest Payment Date.

If there is a shortfall between the amounts received by the Issuer from the Swap Counterparty (if any) or otherwise and the amount of interest due on any class of notes on that Interest Payment Date, that shortfall will be borne by each note in that class in a proportion equal to the proportion that the interest outstanding on the relevant note bears to the total amount of interest outstanding on all the notes of that class. This will be determined on the Interest Payment Date on which the shortfall arises. Payment of the shortfall will be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer, or, if earlier, the Final Redemption Date, from payments made to it from the Swap Counterparty or otherwise on that Interest Payment Date, to make the payment. The shortfall will accrue interest at the rate described for each class of note below plus the Margin, and payment of that interest will also be deferred and will be due on the next Interest Payment Date on which funds are available to the Issuer to make the payment or, if earlier, on the Final Redemption Date.

"Interest Payment Date" means the following dates:

- (i) during any period that is not an Amortisation Period, the First Interest Payment Date and each Regular Interest Payment Date (as specified in the relevant Final Terms or Drawdown Prospectus, as applicable); and
- (ii) during an Amortisation Period, each Distribution Date.

Each period beginning on (and including) the Interest Commencement Date or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an "Interest Period"; **provided, however, that** with respect to an Interest Period that commences during any period that is not an Amortisation Period and ends during the Rapid Amortisation Period, such Interest Period will end on the originally scheduled Interest Payment Date (and for the avoidance of doubt, in the case of an Interest Period which commences on the Interest Payment Date which falls at the end of the Interest Period during which the Rapid Amortisation Period begins, the Interest Period shall end on the next Distribution Date). The first interest payment will be made on the First Interest Payment Date in respect of the Interest Period from (and including) the Interest Commencement Date to, but excluding, the First Interest Payment Date.

The Rate of Interest applicable to the notes for each Interest Period will be determined by the party specified in the relevant Final Terms or Drawdown Prospectus, as applicable as the party responsible for calculating such Rate of Interest (the "**CP**

Calculation Agent") as the sum of the CP Funding Cost and Margin and (if specified in the relevant Final Terms or Drawdown Prospectus, as applicable) Liquidity Funding Margin for the relevant Interest Period specified in the relevant Final Terms or Drawdown Prospectus, as applicable, subject to the maximum interest rate specified in the relevant Final Terms or Drawdown Prospectus, as applicable.

For the purposes of this Condition 6(n):

"CP Funding Cost" means, on any date of determination, or with respect to any period, the per annum rate equivalent to the weighted average of the per annum rates paid or payable by the relevant note purchaser from time to time as accreted discount, interest or otherwise (including, without limitation, breakage costs, dealers' fees and placement agents' fees and costs of related swap or forward exchange rate contracts and related swap termination costs) in respect of the commercial paper notes issued or sponsored by the relevant note purchaser that are allocated, in whole or in part, by, or on behalf of, such relevant note purchaser to fund, purchase or maintain or increase (directly or indirectly) the notes or any portion thereof during the related period, as determined by, or on behalf of, such relevant note purchaser and notified by the relevant CP Calculation Agent to the Issuer and the Calculation Agent; **provided, however, that** if any component of such rate is a discount rate, in calculating the CP Funding Cost for such period, the relevant CP Calculation Agent (or its agent) shall, for such component, use the rate resulting from converting such discount rate to an interest bearing equivalent rate per annum. For the avoidance of doubt, CP Funding Cost shall not include any Liquidity Funding Margin and CP Funding Cost and Liquidity Funding Margin shall be mutually exclusive; and

"Liquidity Funding Margin" means, if specified in the relevant Final Terms or Drawdown Prospectus, as applicable, a percentage per annum payable to the relevant note purchaser solely in respect of (a) the period during which any Principal Amount Outstanding of any notes, held by such note purchaser, is not being funded through the issuance of such note purchaser's (or, if applicable, its related commercial paper Issuer's) respective commercial paper and (b) the Principal Amount Outstanding of the notes, held by such notes purchaser, which is not being funded through the issuance of such note purchaser's (or, if applicable, its related commercial paper Issuer's) respective commercial paper.

The Calculation Agent will, as soon as practicable after the Determination Date in relation to each Interest Period, calculate the amount of interest (the **"Interest Amount"**) payable in respect of the notes for such Interest Period following the notification to it by the CP Calculation Agent of the Rate of Interest no later than 3 Business Days before the relevant Interest Payment Date.

The Interest Amount in respect of the notes will be calculated by applying the relevant Rate of Interest for such Interest Period to the Principal Amount Outstanding of the notes during such Interest Period, multiplying by the relevant Day Count Fraction and rounding the resulting figure to the nearest pence (half a pence rounded upwards).

(o) *General Provision: Deferred Interest and Additional Interest*

To the extent that the monies which are deposited in the Distribution Ledger for a Note Series by Loan Note Issuer No. 1 on an Interest Payment Date in accordance with the

provisions of the Loan Note Supplement for the Related Loan Note are insufficient to pay the full amount of interest on any notes on such Interest Payment Date, payment of the interest shortfall ("**Deferred Interest**"), which will be borne by each note of the relevant Note Series in a proportion equal to the proportion that the Principal Amount Outstanding of the Note of the relevant Note Series bears to the aggregate Principal Amount Outstanding of the relevant notes of the relevant Note Series (as determined on the Interest Payment Date on which such Deferred Interest arises), will be deferred and will be due on the Interest Payment Date occurring thereafter on which funds are available to the Issuer (by being deposited to the Issuer Distribution Account to the credit of the Distribution Ledger for that Note Series by Loan Note Issuer No. 1 on such Interest Payment Date in accordance with the provisions of the Loan Note Supplement for the Related Loan Note, or otherwise) to pay such Deferred Interest to the extent of such Available Funds. Such Deferred Interest will accrue interest ("**Additional Interest**") at the then current Rate of Interest (or in the case of a fixed rate Note, the Initial Rate (during the Initial Period) or the Redemption Rate (during the Redemption Period)), and payment of any Additional Interest will also be deferred until the Interest Payment Date thereafter on which funds are available to the Issuer (by being deposited to the Issuer Distribution Account to the credit of the Distribution Ledger for a Note Series by Loan Note Issuer No. 1 on such Interest Payment Date in accordance with the provisions of the Loan Note Supplement, or otherwise) for the Related Loan Note to pay such Additional Interest to the extent of such Available Funds.

(p) *General Provision: Calculation of Interest Amount*

In relation to each Interest Payment Date, the Calculation Agent shall determine the actual amount of interest which will be paid on the notes on that Interest Payment Date and the amount of Deferred Interest (if any) on the notes in respect of the related Interest Period and the amount of Additional Interest (if any) which will be paid on such Interest Payment Date. The amount of Additional Interest shall be calculated by applying the then current relevant Rate of Interest for the notes to the Deferred Interest and any Additional Interest from prior Interest Periods which remains unpaid, multiplying such sum by the relevant Day Count Fraction.

In the event that, on any Interest Payment Date, the amount of monies which are deposited to the Distribution Ledger for a Note Series by Loan Note Issuer No. 1 on such day in accordance with the provisions of the Loan Note Supplement for the Related Loan Note is insufficient to pay in full the Interest Amount, any outstanding Deferred Interest and any Additional Interest due on such Interest Payment Date in respect of any class of notes, such monies will be applied first to the payment of any Interest Amount, secondly to the payment of any outstanding Deferred Interest and thereafter to the payment of any Additional Interest in respect of the relevant class.

(q) *General Provision: Interest cease to accrue*

Interest will cease to accrue on any part of the Principal Amount Outstanding of a note from the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of the relevant notes up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent or the Note Trustee has notified the relevant

Noteholders either in accordance with Condition 16 or individually that it has received all sums due in respect of the relevant notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(r) *General Provision: Failure of Agent Bank*

If the Calculation Agent or, in respect of the Rate of Interest under Condition 6(n) only, the CP Calculation Agent, fails at any time to determine a Rate of Interest or to calculate an Interest Amount or amount of Deferred Interest (if any) or amount of Additional Interest (if any), the Note Trustee, or its appointed agent without any liability therefor, may determine such Rate of Interest as it considers fair and reasonable in the circumstances (having such regard as it thinks fit to the other provisions of these Conditions, including without limitation paragraph (o) or (p) above (as applicable), and with respect to the Rate of Interest under Condition 6(n) only, having regards to the most recent notification from the CP Calculation Agent to the Calculation Agent) or (as the case may be) calculate such Interest Amount or amount of Deferred Interest (if any) or amount of Additional Interest (if any), in accordance with paragraph (n) above, and each such determination or calculation shall be deemed to have been made by the Calculation Agent or, in respect of the Rate of Interest under Condition 6(n) only, the CP Calculation Agent.

(q) *General Provision: Publication*

The Calculation Agent will cause each Rate of Interest, Interest Amount, amount of Deferred Interest (if any) and amount of Additional Interest (if any) determined by it or notified to it, together with the relevant Interest Payment Date, to be notified to the Issuer, the Paying Agents, the Note Trustee and, for so long as the respective notes are admitted to trading on the Regulated Market of the London Stock Exchange plc (the "**London Stock Exchange**"), the London Stock Exchange as soon as practicable after such determination but in any event not later than the seventh day thereafter or such earlier day as the Regulated Market of the London Stock Exchange may require and the Calculation Agent will cause the same to be published in accordance with Condition 16 as soon as possible thereafter. The Calculation Agent will be entitled to recalculate any Interest Amount and amount of Additional Interest (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period.

(r) *General Provision: Notifications etc.*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 6, whether by the Calculation Agent, the CP Calculation Agent (in respect of the Rate of Interest under Condition 6(n) only) or the Note Trustee will (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Paying Agents, the Note Trustee, the Calculation Agent and the Noteholders and no liability to any such Person will attach to the Calculation Agent, the CP Calculation Agent or the Note Trustee in connection with the exercise or non-exercise by them or of them of their powers, duties and discretions for such purposes.

7. Redemption and Purchase

(a) *Scheduled Redemption*

Unless previously redeemed and cancelled or unless an Amortisation Period has earlier commenced or, if the Issuer has entered into a Swap Agreement with or without call protection in respect of a Note Series, regardless of whether an Amortisation Period has commenced, the notes of a Note Series will be redeemed on the Interest Payment Date which falls on the Scheduled Redemption Date specified in the relevant Final Terms or Drawdown Prospectus, as applicable for such Note Series as follows and to the following extent:

- (i) if, on the Scheduled Redemption Date, Loan Note Issuer No. 1 deposits into the relevant Distribution Ledger for the relevant Note Series in the Issuer Distribution Account in accordance with the provisions of the Loan Note Supplement for the Related Loan Note an amount equal to the Principal Amount Outstanding on the Scheduled Redemption Date, then the notes of such Note Series will be redeemed *pro rata* to the extent of that amount (after exchange of such amount to the relevant currency pursuant to the relevant Swap Agreement, if such a currency Swap Agreement has been entered into); and
- (ii) if, on the Scheduled Redemption Date, Loan Note Issuer No. 1 deposits into the relevant Distribution Ledger for the relevant Note Series in the Issuer Distribution Account in accordance with the provisions of the Loan Note Supplement an amount which is less than the Principal Amount Outstanding, then the notes of such Note Series will be redeemed *pro rata* in part to the extent of the amount which is so deposited (after exchange of such amount to the relevant currency pursuant to the relevant Swap Agreement, if such a currency swap has been entered into), and the Rapid Amortisation Period will commence with effect from the Scheduled Redemption Date.

If the Rapid Amortisation Period for a Note Series commences in the circumstances referred to in (ii) above, then on each Interest Payment Date which thereafter occurs during the Amortisation Period, the notes will be redeemed in whole or, as the case may be, *pro rata* in part to the extent of the amount (after exchange of such amount to the relevant currency at the rate of exchange applicable to such Note Series under the Swap Agreement or if there is no longer a Swap Agreement then at a spot rate of exchange, if such Note Series is denominated in a currency other than Sterling) which is deposited to the relevant Distribution Ledger for the relevant Note Series in the Issuer Distribution Account on such day in accordance with the provisions of the Loan Note Supplement for the Related Loan Note until the earlier of (a) such time as the Note Series is redeemed in full or (b) the Final Redemption Date specified in the relevant Final Terms or Drawdown Prospectus, as applicable for such Note Series.

The Principal Paying Agent will cause each Principal Payment and Principal Amount Outstanding to be notified to the Issuer, the Paying Agents, the Note Trustee and, for so long as the notes are admitted to trading on the Regulated Market of the London Stock Exchange, the London Stock Exchange, as soon as practicable after such determination, but in any event not later than the seventh day thereafter or such earlier day as the Regulated Market of the London Stock Exchange may require and will cause the same to be published in accordance with Condition 16 as soon as possible thereafter. All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Principal Paying Agent will (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Paying Agents, the Note Trustee and the Noteholders and (subject as aforesaid) no liability to any such Person will attach to the Principal Paying

Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

If the Principal Paying Agent fails at any time to determine a Principal Payment or Principal Amount Outstanding as aforesaid, the Note Trustee, or its appointed agent without accepting liability therefor, shall calculate such Principal Payment or Principal Amount Outstanding in accordance with the above provisions of this Condition, and each such determination or calculation shall be deemed to have been made by the Principal Paying Agent. Any such determination or calculation will be binding on the Issuer, the Paying Agents, the Note Trustee and the Noteholders.

(b) *Mandatory Early Redemption*

If an Amortisation Period commences prior to the Scheduled Redemption Date (or, if the Issuer has entered into a Swap Agreement in respect of the notes, an Amortisation Period commences (or is continuing) on or after the Scheduled Redemption Date) then on each Interest Payment Date (including the Scheduled Redemption Date) which thereafter occurs during an Amortisation Period, the notes will be redeemed *pro rata* in part to the extent of the amount (being the "**Available Redemption Funds**") which is deposited into the relevant Distribution Ledger (in respect of the relevant Note Series) by Loan Note Issuer No. 1 on each such date in accordance with the provisions of the relevant Loan Note Supplement until the earlier of (a) such time as the Note Series is redeemed in full, (b) such date prior to the Final Redemption Date (if any) specified in the relevant Final Terms or Drawdown Prospectus, as applicable and (c) the Final Redemption Date specified in the relevant Final Terms or Drawdown Prospectus, as applicable; **provided that** if the Issuer has entered into a Swap Agreement in respect of the notes, then on each Interest Payment Date which occurs on and after the Scheduled Redemption Date, the notes will be redeemed *pro rata* in part to the extent of the Available Redemption Funds (after exchange of such amount to the relevant currency at the rate of exchange applicable to such Note Series under the Swap Agreement or if there is no longer a Swap Agreement then at a spot rate of exchange, if such Note Series is denominated in a currency other than Sterling) until the earlier of (a) such time the Note Series is redeemed in full, and (b) the Final Redemption Date specified in the relevant Final Terms or Drawdown Prospectus, as applicable.

In relation to each Interest Payment Date, the Agent Bank shall determine (i) the amount of each "**Principal Payment**" payable on each note, which will be the *pro rata* share of that Note in the Available Redemption Funds (converted into the relevant currency if such Note Series is denominated in a currency other than Sterling) calculated by dividing such Available Redemption Funds by the number of notes in the relevant Note Series then outstanding, and (ii) the Principal Amount Outstanding of each note on the first day of the next following Interest Period (after deducting any Principal Payment due to be made in respect of each note on the Interest Payment Date).

(c) *Optional Early Redemption in Full*

If a Note Series is specified in the relevant Final Terms or Drawdown Prospectus, as applicable as being able to be redeemed on any call date then (subject to any additional Conditions (if any) specified in the relevant Final Terms or Drawdown Prospectus, as applicable) on any Interest Payment Date falling on or after the relevant date of exercise and upon giving not more than 60 nor less than 30 days' prior written notice to the Note

Trustee, the Swap Counterparty and the Noteholders (in accordance with Condition 16) (a "**Call Date**"), the Issuer may redeem all (but not some only) of the notes of such Note Series then outstanding at their then Principal Amount Outstanding together with accrued interest **provided that**, prior to giving any such notice, (i) the Issuer shall have provided to the Note Trustee a certificate signed by two directors of the Issuer to the effect that it will have the funds, not subject to any interest of any other person, required to redeem the relevant Note Series on such Interest Payment Date as aforesaid and to pay any amounts required to be paid in priority or *pari passu* with such Note Series outstanding in accordance with the conditions of the Note Trust Deed and relevant Note Trust Deed Supplement and (ii) the Note Trustee is satisfied in accordance with the terms of the Note Trust Deed, Note Trust Deed Supplement or any other Related Document that there are sufficient funds to allow the Issuer to redeem the relevant Note Series.

(d) ***Final Redemption***

If the notes have not previously been redeemed and cancelled or redeemed in full pursuant to Conditions 7(a), 7(b), 7(c) or 10 (including any case where any interest (including Deferred Interest and Additional Interest) thereon has not earlier been paid), the notes will be finally redeemed at their then Principal Amount Outstanding together with accrued interest (including Deferred Interest and Additional Interest) thereon on the Final Redemption Date specified in the relevant Final Terms or Drawdown Prospectus, as applicable.

(e) ***Mandatory Transfer Arrangements***

- (i) If a note series is specified in the relevant Final Terms or Drawdown Prospectus, as applicable as being able to be redeemed on a Mandatory Transfer Date, then such notes shall be transferred in accordance with paragraphs (ii) and (iii) below on that Mandatory Transfer Date in exchange for payment of the Mandatory Transfer Price by the Mandatory Purchaser to the Noteholders of the relevant series, **provided that** the Issuer shall not be liable for the failure to make payment of the Mandatory Transfer Price by the Mandatory Purchaser to the extent that such failure is a result of the failure of the Mandatory Purchaser to perform its obligations under the Mandatory Purchase Agreement.
- (ii) There shall be no Mandatory Transfer on a Mandatory Transfer Date if the relevant notes are fully redeemed on or prior to such Mandatory Transfer Date. In such event, the Issuer will not be obliged to procure any subsequent purchase of the relevant notes and the Mandatory Purchaser will not be obliged to purchase any of the relevant notes.
- (iii) Subject to (i) above, all of the Noteholders' interests in the relevant notes shall be transferred on the relevant Mandatory Transfer Date to the Mandatory Purchaser, or, if Individual Note Certificates in respect of the relevant notes are then issued, the relevant notes will be registered by the Registrar as notified by the Issuer in the name of the Mandatory Purchaser and the Register will be amended accordingly with effect from the relevant Mandatory Transfer Date.

(f) ***Other Redemption***

The Issuer shall not be entitled to redeem the notes otherwise than as provided in paragraphs (a), (b), (c), (d) or (e) above.

(g) ***Purchase***

The Issuer may not, at any time, purchase the notes in the open market or otherwise.

(h) ***Cancellation***

All notes redeemed pursuant to the foregoing provisions shall be cancelled forthwith and may not be reissued or resold.

8. **Payments**

(a) ***Interest and Principal***

- (i) *Principal in Euro*: Payments of principal shall be made by Euro cheque drawn on, or, upon application by a holder of a note to the Specified Office of the Principal Paying Agent not later than the fifteenth day before the due date for any such payment, by transfer to a Euro account (or other account to which Euro may be credited or transferred) maintained by the payee with, a bank in a city in which banks have access to TARGET2 and (in the case of redemption) upon surrender (or, in the case of part payment only, endorsement) of the relevant Note Certificates at the Specified Office of any Paying Agent.

(b) ***Payments subject to fiscal laws***

All payments in respect of the notes are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the

provisions of Condition 9 (*Taxation*). No commissions or expenses shall be charged to the Noteholders in respect of such payments.

(c) *Payments on Business Days*

If the due date for payment of any amount in respect of any note is not a Payment Business Day in the place of payment, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.

- (i) *Partial payments:* If a Paying Agent makes a partial payment in respect of any note, the Issuer shall procure that the amount and date of such payment are noted on the relevant Register and, in the case of partial payment upon presentation of a Note Certificate, that a statement indicating the amount and the date of such payment is endorsed on the relevant Note Certificate.
- (ii) *Record date:* Each payment in respect of a note will be made to the Person shown as the holder in the Register maintained by the relevant Registrar at the close of business in the place of such Registrar's Specified Office on the fifteenth day before the due date for such payment (the "**Record Date**"). Where payment in respect of a note is to be made by cheque, the cheque will be mailed to the address shown as the address of the holder in such Register at the opening of business on the relevant Record Date.

(d) *Paying Agent*

The Issuer reserves the right, subject to the prior written approval of the Note Trustee, and in accordance with the provisions of the Paying Agency Agreement at any time to vary or terminate the appointment of the Principal Paying Agent and to appoint additional or other Paying Agents. The Issuer will at all times maintain a Paying Agent with a Specified Office in London (so long as the Notes are admitted to the Official List of the UK Listing Authority (the "**UKLA**") and/or admitted to trading on the Regulated Market of the London Stock Exchange).

9. **Taxation**

All payments of principal and interest in respect of the notes by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any other jurisdiction to whose tax laws such payments may be subject or any political subdivision therein or any authority in or of any of the foregoing having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer or the Paying Agents on behalf of the Issuer shall make such payment after such withholding or deduction of such amounts has been made and shall account to the relevant authorities for the amount so required to be withheld or deducted. Neither the Issuer nor the Paying Agents will be required to make any additional payments to any Noteholder in respect of any amounts deducted or withheld as mentioned in this Condition 9.

Notwithstanding any other provision in these Conditions, the Issuer shall be permitted to withhold or deduct any amounts in connection with FATCA. Neither the Issuer nor any Paying Agent will have any obligation to pay additional amounts or otherwise indemnify a holder or any other person for any withholding deducted or withheld by

any party on account of FATCA as a result of any person not receiving payments free of FATCA withholding.

"**FATCA**" means the rules of US Internal Revenue Code Sections 1471 through 1474 (or any amended or successor provisions), any current or future regulations or official interpretations thereof, any inter-governmental agreement or implementing legislation, rules, practices or guidance notes adopted by another jurisdiction or any agreement with the US Internal Revenue Service in each case in connection with these provisions.

10. **Events of Default**

If any of the following events (each an "**Event of Default**") occurs in respect of a Note Series:

- (a) **Non-payment:** the Issuer fails to pay any amount of principal in respect of the relevant Note Series within seven days of the due date for payment thereof or fails to pay any amount of interest in respect of the relevant Note Series within 15 days of the due date for payment thereof **provided that**, for the avoidance of doubt, a failure to make or procure any payment required under Condition 8(e) (*Mandatory Transfer Arrangements*) by reason of any failure on the part of a Mandatory Purchaser to perform its obligations under a Mandatory Purchase Agreement or the relevant transaction documents, shall not constitute an Event of Default in respect of the related repricing or mandatory transfer notes (as applicable) for the purposes of this Condition 10; or
- (b) **Breach of other obligations:** the Issuer defaults in the performance or observance of any of its other obligations under or in respect of the relevant Note Series, the Note Trust Deed (other than in such case, any obligation for the payment of any principal or interest on the notes) or the Paying Agency Agreement (except where such default is incapable of remedy) and such default remains unremedied for 30 days after written notice thereof by the Note Trustee, addressed to the Issuer, certifying that such default is, in the opinion of the Note Trustee, materially prejudicial to the interests of the Noteholders of such Note Series; or
- (c) **Unsatisfied judgment:** one or more judgment(s) or order(s) for the payment of any amount is rendered against the Issuer and continue(s) unsatisfied and unstayed for a period of 30 days after the date(s) thereof or, if later, the date therein specified for payment; or
- (d) **Security enforced:** a secured party takes possession, or a receiver, manager or other similar officer is appointed, of the whole or any part of the undertaking, assets and revenues of the Issuer or an enforcement action is begun or a distress or execution is levied; or
- (e) **Insolvency etc:** (i) the Issuer becomes insolvent or is unable to pay its debts as they fall due, (ii) an administrator or liquidator of the Issuer or the whole or any part of the undertaking, assets and revenues of the Issuer is appointed (or application for any such appointment is made), (iii) the Issuer takes any action for a readjustment or deferment of any of its obligations or makes a general assignment or an arrangement or composition with or for the benefit of its creditors or declares a moratorium in respect of any of its Indebtedness or any guarantee of Indebtedness given by it or (iv) the Issuer ceases or threatens to cease to carry on all or any substantial part of its business; or
- (f) **Winding up etc:** an order is made or an effective resolution is passed for the winding up, liquidation or dissolution of the Issuer; or
- (g) **Analogous event:** any event occurs which under the laws of England and Wales has an analogous effect to any of the events referred to in paragraphs (c) to (f) above; or
- (h) **Failure to take action etc:** any action, condition or thing at any time required to be taken, fulfilled or done in order (i) to enable the Issuer lawfully to enter into, exercise its respective rights and perform and comply with its respective obligations under and in respect of the notes and the Related Documents, (ii) to ensure that those obligations are legal, valid, binding and enforceable (except as such enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganisation or other similar laws affecting the enforcement of the rights of creditors generally and as such enforceability may be limited

by the effect of general principles of equity) and (iii) to make the notes and the Related Documents admissible in evidence in the courts of England and Wales is not taken, fulfilled or done; or

- (i) **Unlawfulness:** it is or will become unlawful for the Issuer to perform or comply with any of its obligations under or in respect of the relevant Note Series; or
- (j) **Government intervention:** (A) all or any substantial part of the undertaking, assets and revenues of the Issuer is condemned, seized or otherwise appropriated by any Person acting under the authority of any national, regional or local government or (B) the Issuer is prevented by any such Person from exercising normal control over all or any substantial part of its undertaking, assets and revenues,

then the Note Trustee may at its discretion and, if so required by holders of at least one-quarter of the aggregate Principal Amount Outstanding of the relevant Note Series outstanding or if so directed by an Extraordinary Resolution (as defined in the Note Trust Deed) of the Noteholders of the relevant Note Series (subject in each case to being indemnified and/or secured and/or pre-funded to its satisfaction), shall be bound to, give written notice (an "**Enforcement Notice**") to the Issuer declaring all of the notes of the relevant Note Series to be immediately due and payable, whereupon they shall become immediately due and payable at their Principal Amount Outstanding together with accrued interest (including Deferred Interest and Additional Interest) without further action or formality. Notice of any such declaration shall promptly be given to the Noteholders of the relevant Note Series by the Issuer.

11. **Prescription**

Claims for principal and interest on redemption shall become void unless the relevant Note Certificates are presented for payment within ten years of the appropriate Relevant Date.

12. **Replacement of Notes**

If any Note Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the relevant Registrar, subject to all applicable laws and listing authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, Security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Note Certificates must be surrendered before replacements will be issued.

13. **Note Trustee and Agents**

The Note Trustee is entitled to be indemnified and relieved from responsibility in certain circumstances and to be paid its costs and expenses in priority to the claims of the Noteholders.

In the exercise of its powers and discretions under these Note Conditions and the Note Trust Deed, the Note Trustee will have regard to the interests of the Noteholders as a class and will not be responsible for any consequence (including any tax consequence) for individual Noteholders as a result of such holders being connected in any way with a particular territory or taxing jurisdiction.

In acting under the Paying Agency Agreement, and in connection with the notes, the Paying Agents act solely as agents of the Issuer and (to the extent provided therein) the

Note Trustee does not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders.

If in the opinion of the Note Trustee there is a conflict between the interests of the holders of one class of notes and the holders of another class of notes, the Note Trustee shall in the exercise of its duties, powers and discretions, have regard solely to the interests of the class which ranks most senior and which is still outstanding.

The Note Trustee is relieved of liability for making searches or other enquiries in relation to the assets comprising the Security. The Note Trustee has no responsibility in relation to the legality and the enforceability of the trust arrangements and the connected Security. The Note Trustee will not be obliged to take any action which might result in its incurring personal liabilities. The Note Trustee is not obliged to monitor or investigate the performance of any other Person under the documents relating to Loan Note Issuer No. 1 or the documents relating to the Penarth Receivables Trust and shall be entitled to assume, until it has actual notice to the contrary, that all such Persons are properly performing their duties and that no Pay Out Event has occurred, unless it receives express notice to the contrary.

The Note Trustee is not responsible for any deficiency which may arise because it is liable to tax in respect of the proceeds of Security.

The Note Trustee is not responsible for checking the calculations contained in or otherwise verifying any information coming into its possession in relation to the Penarth Receivables Trust. The Note Trustee shall not be responsible for monitoring or determining whether or not any or all of the Issuance Tests in respect of the Related Loan Note for a Note Series are satisfied prior to or at the time of any issue of a Note Series and its Related Loan Note or any increase of the Outstanding Principal Amount of an existing Note Series and its Related Loan Note by Loan Note Issuer No. 1.

The Note Trustee and its related companies are entitled to enter into business transactions with the Issuer, Bank of Scotland and/or related companies of any of them without accounting for any profit resulting therefrom.

The initial Paying Agents and their initial Specified Offices are listed below. The initial Agent Bank is specified in the relevant Final Terms or Drawdown Prospectus, as applicable. Subject to the provisions of the Paying Agency Agreement and Condition 8(d), the Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint successor or additional Paying Agents or a successor Agent Bank, **provided, however, that:**

- (a) the Issuer shall at all times maintain a Principal Paying Agent;
- (b) if a Calculation Agent is specified in the relevant Final Terms or Drawdown Prospectus, as applicable, the Issuer shall at all times maintain a Calculation Agent; and
- (c) if and for so long as the notes are admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Issuer shall maintain

a Paying Agent having its Specified Office in the place required by such listing authority, stock exchange and/or quotation system.

Notice of any change in any of the Paying Agents or in their Specified Offices shall promptly be given to the Noteholders.

14. **Meetings of Noteholders; Modification and Waiver**

(a) *Meetings of Noteholders*

The Note Trust Deed contains provisions for convening meetings of Noteholders of any Note Series or class, as applicable, to consider matters relating to the notes of a Note Series or class, as applicable, including the modification of any provision of these Conditions or the Note Trust Deed or any Note Trust Deed Supplement or the Related Documents. Any such modification may be made if sanctioned by an Extraordinary Resolution of the Noteholders of the relevant Note Series or class, as applicable.

The Note Trust Deed provides that business which in the opinion of the Note Trustee affects:

- (i) the notes of only one Note Series shall be transacted at a separate meeting of the Noteholders of that Note Series;
- (ii) the Noteholders of more than one Note Series but does not give rise to an actual or potential conflict of interest between the Noteholders of one Note Series and the holders of another Note Series shall be transacted either at separate meetings of the Noteholders of each such Note Series or at a single meeting of the Noteholders of all such Note Series as the Note Trustee shall determine in its absolute discretion;
- (iii) the Noteholders of more than one Note Series and gives rise to any actual or potential conflict of interest between the Noteholders of one Note Series and the Noteholders of any other Note Series shall be transacted at separate meetings of the Noteholders of each such Note Series; the notes of only one class shall be transacted at a separate meeting of the Noteholders of that class;
- (iv) the Noteholders of more than one class of notes but does not give rise to an actual or potential conflict of interest between the Noteholders of one class of notes and the holders of another class of notes shall be transacted either at separate meetings of the Noteholders of each such class or at a single meeting of the Noteholders of all such classes of notes as the Note Trustee shall determine in its absolute discretion; and
- (v) the Noteholders of more than one class and gives rise to any actual or potential conflict of interest between the Noteholders of one class of notes and the Noteholders of any other class of notes shall be transacted at separate meetings of the Noteholders of each such class.

The quorum for any meeting convened to consider an Extraordinary Resolution will be two or more Persons holding or representing a clear majority of the aggregate Principal Amount Outstanding of the relevant Note Series or at any adjourned meeting two or more Persons holding or representing notes of the relevant Note Series whatever the Principal Amount Outstanding of notes so held or represented for the time being outstanding, **provided, however, that** no modification of certain terms including, any modification constituting a Basic Terms Modification shall be effective unless such Basic Terms Modification has been sanctioned by an Extraordinary Resolution of all Note Series belonging to the relevant class of notes of which the modification is proposed of Noteholders (which shall include each Note Series which, in the opinion of the Note Trustee is or may be prejudiced by such Basic Terms Modification) and consented to in writing by the Note Trustee. The necessary quorum for passing an

Extraordinary Resolution in respect of a Basic Terms Modification shall be two or more Persons holding or representing in the aggregate not less than 75 per cent. of the aggregate Principal Amount Outstanding of each Note Series, for the time being outstanding or at any adjourned meeting two or more Persons holding or representing in the aggregate not less than 25 per cent. of the aggregate Principal Amount Outstanding of each Note Series.

Any Extraordinary Resolution duly passed shall be binding on all Noteholders of such Note Series (whether or not they are present at the meeting at which such resolution was passed). The majority required for an Extraordinary Resolution shall be 75 per cent. of the votes cast on that Extraordinary Resolution. The Note Trust Deed contains provisions regulating the effect of Extraordinary Resolutions of the Noteholders.

(b) *Modification and Waiver*

The Note Trustee may agree, without the consent of the Noteholders or the other secured creditors of the Issuer, (i) to any modification (except a Basic Terms Modification) of, or to the waiver or authorisation of any breach or proposed breach of, the notes or any Note Series thereof (including these Conditions) or the Note Trust Deed or any Note Trust Deed Supplement or any other Related Document, the Loan Notes in respect of a Note Series, the Note Trust Deed and the Note Trust Deed Supplement and which is not, in the opinion of the Note Trustee, materially prejudicial to the interests of the Most Senior Class of the relevant Noteholders or (ii) to any modification of any of the provisions of these Conditions, the Note Trust Deed or any Note Trust Deed Supplement or any of the Related Documents which, in the opinion of the Note Trustee, is of a formal, minor or technical nature or made to correct an error which in the sole opinion of the Note Trustee is considered to be such. The Note Trustee shall not waive or authorise (i) in contravention of any express direction by an Extraordinary Resolution (but so that no such direction or request shall affect any authorisation, waiver or determination previously given or made); or (ii) any such proposed breach or breach relating to a Basic Terms Modification. Any such modification, authorisation or waiver shall be binding on the relevant Noteholders and, unless the Note Trustee agrees otherwise, shall be notified by the Issuer to the Noteholders in accordance with Condition 16 as soon as practicable thereafter. Where each of Standard & Poor's, Fitch Ratings and Moody's which is then rating the relevant Note Series has given written confirmation that the then current rating of the relevant class of notes would not be adversely affected by such exercise, the Note Trustee in considering whether such exercise is materially prejudicial to the interests of the Noteholders (or any class thereof) or, as the case may be, the holders of the Most Senior Class of outstanding notes, shall be entitled to take into account such written confirmation from each Rating Agency, **provided that** the Note Trustee shall continue to be responsible for taking into account all other matters which would be relevant to such consideration. Notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to Noteholders. The above does not impose or extend any actual or contingent liability for the Rating Agencies to the Noteholders or any other party or create any legal relations between the Rating Agencies and the Noteholders or any other party.

(c) ***Additional right of Modification***

In addition to the provisions of Condition 14(b) but subject to Condition 14(d), the Note Trustee shall be obliged, without any consent or sanction of the Noteholders, or any of the other Secured Creditors, to concur with the Issuer in making any modification (other than a Basic Terms Modification, but subject to Condition 14(f) below) to any Transaction Document to which it is a party or in relation to which it holds security that the Issuer (or the Cash Manager on its behalf) considers necessary:

- (i) for the purpose of changing the Screen Rate or the base rate that then applies in respect of the applicable Notes issued on or after the Base Rate Modification Reference Date and/or any consequential amendments to any related Swap Agreement to an alternative base rate (any such rate, whether new or amended, which may include an alternative Screen Rate, an "**Alternative Base Rate**") and make such other related or consequential amendments as are necessary or advisable in the reasonable judgment of the Issuer (the Cash Manager on its behalf) to facilitate such change (including, subject to Condition 14(c)(ii) but not limited to any consequential amendments under any related Swap Agreement) (a "**Base Rate Modification**"), **provided that** the Issuer (or the Cash Manager on its behalf), certifies to the Note Trustee in writing (such certificate, a "**Base Rate Modification Certificate**") that:

(A) such Base Rate Modification is being undertaken due to:

- (1) a material disruption to SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark, an adverse change in the methodology of calculating such interest rate benchmark or such interest rate benchmark ceasing to exist or be published;
- (2) the insolvency or cessation of business of the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark (in circumstances where no successor administrator has been appointed);
- (3) a public statement by the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark that it will cease publishing the relevant interest rate benchmark permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such interest rate benchmark) or has changed or will change such interest rate benchmark in an adverse manner;
- (4) a public statement by the supervisor of the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark that the relevant interest rate benchmark has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner;
- (5) a public statement by the supervisor of the administrator of SONIA, LIBOR, EURIBOR, USD LIBOR, SOFR or any other relevant interest rate benchmark that means the relevant interest rate benchmark might no longer be used or that its use is subject to restrictions or adverse consequences;
- (6) a public announcement of the permanent or indefinite discontinuation of the relevant Screen Rate or base rate that applies to the Notes at such time;
- (7) the Alternative Base Rate being adopted in a material number of publicly-listed issues of asset-backed floating rate notes denominated in the same currency as any of the Notes; or
- (8) the reasonable expectation of the Issuer (or the Cash Manager on its behalf) that any of the events specified in sub-paragraphs (1) to (7) will occur or exist within six months of the proposed effective date of such Base Rate Modification; and

(B) such Alternative Base Rate is:

- (1) a base rate published, endorsed, approved or recognised by the Federal Reserve, the Bank of England or the European Central Bank, any regulator in the United

States, the United Kingdom or the European Union or any stock exchange on which the Notes are listed (or any relevant committee or other body established, sponsored or approved by any of the foregoing);

- (2) a base rate utilised in a material number of publicly-listed new issues of Sterling-denominated, Dollar-denominated and/or Euro-denominated asset backed notes prior to the effective date of such Base Rate Modification (for these purposes, unless agreed otherwise by the Note Trustee, five (5) such issues shall be considered material); or
- (3) such other base rate as the Cash Manager (on behalf of the Issuer) reasonably determines,

and, for the avoidance of doubt, the Issuer (or the Cash Manager on its behalf) may propose an Alternative Base Rate on more than one occasion **provided that** the conditions set out in this Condition 14(c)(i) are satisfied;

- (ii) for the purpose of changing the base rate that then applies in respect of the Swap Agreement to an Alternative Base Rate as is necessary or advisable in the commercially reasonable judgment of the Issuer (or the Cash Manager on its behalf) and the Swap Counterparty solely as a consequence of a Base Rate Modification and solely for the purpose of aligning the base rate of the swap to the base rate of the Notes following such Base Rate Modification (a "**Swap Rate Modification**"), **provided that** the Cash Manager, on behalf of the Issuer, certifies to the Note Trustee in writing (upon which certificate the Note Trustee may rely absolutely and without enquiry or liability) that such modification is required solely for such purpose and it has been drafted solely to such effect (such certificate being a "**Swap Rate Modification Certificate**"); or
- (iii) for the purpose of complying with any obligations under the Securitisation Regulation, including as a result of the adoption of any secondary legislation or official guidance in relation to the Securitisation Regulation or any other risk retention legislation or regulations or official guidance in relation thereto (including without limitation, in order to maintain STS compliance).

(d) ***Conditions to additional right of Modification***

- (i) The Note Trustee is only obliged to concur with the Issuer in making any modification (other than a Basic Terms Modification, but subject to Condition 14(f) below) to any Transaction Document pursuant to Condition 14(c) if:
 - (A) the Base Rate Modification Certificate and/or the Swap Rate Modification Certificate (as applicable) in relation to such modification shall be provided to the Note Trustee both at the time the Note Trustee is notified of the proposed modification and on the date that such modification takes effect;
 - (B) the consent of each Secured Creditor (other than the Note Trustee) which is party to the Transaction Documents proposed to be modified has been obtained (evidence of which shall be provided to the Note Trustee at the same time as the provision of the Base Rate Modification Certificate and/or Swap Rate Modification Certificate, as applicable); and
 - (C) the person who proposes such modification pays all fees, costs and expenses (including legal fees) incurred by the Issuer and the Note Trustee and each other applicable party including, without limitation, any of the Agents or the Account Banks in connection with such modifications,

and **provided further that**:

- (1) either: (I) the Issuer (or the Cash Manager) obtains from each of the Rating Agencies written confirmation that such modification would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the notes by such Rating Agency or (y) such Rating Agency

placing any notes on rating watch negative (or equivalent) (such written confirmation to be provided with the Base Rate Modification Certification and/or the Swap Rate Modification Certificate, as applicable); or (II) the Issuer (or the Cash Manager) certifies in the Base Rate Modification Certificate and/or the Swap Rate Modification Certificate, as applicable, that it has notified in writing each of the Rating Agencies of the proposed modification and in its opinion, formed on the basis of due consideration, such modification would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to any Class of the notes by any Rating Agency or (y) any Rating Agency placing any notes on rating watch negative (or equivalent); and

- (2) the Issuer certifies in writing to the Note Trustee (which certification may be in the Base Rate Modification Certificate and/or the Swap Rate Modification Certificate (as applicable)) that in relation to such modification that (I) the Issuer has provided at least 30 calendar days' notice to the Noteholders of each Note Series which would be affected by the proposed Base Rate Modification (together the "**Affected Note Series**") of the proposed modification in accordance with Condition 16 (*Notices*) (and shall have provided a draft of such notice to the Note Trustee at least 5 Business Days before delivery to the Noteholders) and by publication on Bloomberg on the "Company News" screen relating to the notes in each case specifying the date and time by which Noteholders must respond (which must be no less than 30 calendar days after the date on which the notice above is published in accordance with Condition 16 (*Notices*)), the relevant circumstance giving rise to the Base Rate Modification under Condition 14(c)(i)(A), the Alternative Base Rate being proposed under Condition 14(c)(i)(B) and details of any consequential or related amendments (including any changes to the Swap Agreement under Condition 14(c)(ii)), and (II) Noteholders representing at least 10 per cent. of the aggregate Outstanding Principal Amount of the Most Senior Class of Notes then outstanding across the Affected Note Series have not contacted the Issuer via the Principal Paying Agent in accordance with the notice and the then current practice of any applicable clearing system through which such notes may be held by the time specified in such notice that such Noteholders do not consent to the modification.
- (ii) If Noteholders representing at least 10 per cent. of the aggregate Outstanding Principal Amount of the Most Senior Class of Notes then outstanding across the Affected Note Series have notified the Issuer via the Principal Paying Agent in accordance with the notice and the then current practice of any applicable clearing system through which such notes may be held by the time specified in such notice that they do not consent to the modification, then such modification will not be made unless an Extraordinary Resolution of the Noteholders of the Most Senior Class of Notes then outstanding across the Affected Note Series is passed in favour of such modification in accordance with this Condition 14 (*Meetings of Noteholders; Modification and Waiver*).
- (iii) When implementing any modification pursuant to Condition 14(c), the Note Trustee shall not consider the interests of the Noteholders, any other Secured Creditor or any other person and shall act and rely solely and without further investigation on any certificate or evidence provided to it by the Issuer, the Cash Manager or the relevant Transaction Party, as the case may be, pursuant to Condition 14(c) and shall not be liable to the Noteholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person.
- (iv) The Note Trustee shall not be obliged to agree to any modification pursuant to Condition 14(c) which, in the sole opinion of the Note Trustee would have the effect of (i) exposing the Note Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protection, of the Note Trustee in the Note Trust Deed, the Transaction Documents.

- (v) Any modification implemented pursuant to Condition 14(c) shall be binding on all Noteholders and shall be notified by the Issuer as soon as reasonably practicable to:
 - (A) so long as any of the notes rated by the Rating Agencies remains outstanding, each Rating Agency;
 - (B) the Secured Creditors; and
 - (C) the Noteholders in accordance with Condition 16 (*Notices*).

(e) ***Substitution***

As more fully set forth in the Note Trust Deed (and subject to the Conditions and more detailed provisions which are contained therein) subject to such amendment of the Note Trust Deed and such other conditions as the Note Trustee may require, but without the consent of the Noteholders, the Note Trustee may also agree to the substitution of any other body corporate in place of the Issuer (the "**Substituted Issuer**") as principal debtor under the Note Trust Deed and the notes and in the case of such a substitution the Note Trustee may agree, without the consent of the Noteholders, to a change of the law governing the notes and/or the STDCMA **provided that** such change would not in the opinion of the Note Trustee be materially prejudicial to the interests of the Most Senior Class of Noteholders. Any such substitution or addition shall be notified to the Noteholders in accordance with Condition 16 as soon as practicable thereafter.

(f) ***Basic Terms Modification***

Solely for the purposes of Condition 14(c) (*Additional right of Modification*) above, a Basic Terms Modification in respect of any Notes issued on or after the Base Rate Modification Reference Date shall exclude any change to any date fixed for payment of principal or interest in respect of the Notes, to reduce or cancel the amount of principal or interest payable on any date in respect of the Notes, to alter the method of calculating the amount of any payment in respect of the Notes or the date for any such payment.

15. **Enforcement**

At any time after the notes become due and repayable and, without prejudice to its rights of enforcement in relation to the Security, the Note Trustee may, at its discretion and without notice, institute such proceedings as it thinks fit to enforce payment of the relevant Note Series (including the right to repayment of the relevant Note Series together with accrued interest thereon) and shall be bound to do so if (and only if):

- (i) it shall have been so directed by holders of at least one-quarter of the aggregate Principal Amount Outstanding of the relevant Note Series or by an Extraordinary Resolution of the relevant Note Series; and
- (ii) it shall have been indemnified and/or pre-funded and/or provided with security to its satisfaction.

No Noteholder may institute any proceedings against the Issuer to enforce its rights under or in respect of the notes or the Note Trust Deed unless (i) the Note Trustee has become bound to institute proceedings and has failed to do so within a reasonable time and (ii) such failure is continuing.

16. **Notices**

Notices to the Noteholders shall be valid (i) if published in a leading English language daily newspaper published in London (which is expected to be the Financial Times) and any such notice shall be deemed to have been given on the date of first publication or (ii) in the case of Registered Uncleared Notes, if sent by first class mail (or its equivalent) or (if posted to an overseas address) by airmail at their respective addresses on the Register and any such notice shall be deemed to have been given on the fourth day after the date of mailing.

Until such time as any Individual Note Certificates are issued, there may, so long as the Global Note Certificate(s) is or are held in its or their entirety on behalf of Euroclear and/or Clearstream and/or are deposited with the DTC Custodian, be substituted for such publication in such newspaper the delivery of the relevant notice to Euroclear, Clearstream and DTC, for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the holders of the relevant notes on the day after the day on which such notice was given to Euroclear, Clearstream and DTC (as applicable).

Any notices specifying the Rate of Interest, the redemption rate, an interest amount, an amount of additional interest or of deferred interest, a principal payment or a principal amount outstanding shall be deemed to have been duly given if the information contained in such notice appears on the relevant page of the Reuters Screen or such other medium for the electronic display of data as may be approved by the Note Trustee and notified to the relevant class of Noteholders (the "**Relevant Screen**"). Any such notice shall be deemed to have been given on the first date on which such information appeared on the Relevant Screen. If it is impossible or impracticable to give notice in accordance with this paragraph, then notice of the matters referred to in this Condition shall be given in accordance with the preceding paragraph.

Copies of all notices given in accordance with these provisions shall be sent to the London Stock Exchange or to the applicable stock exchange on which the notes are listed and to Euroclear, Clearstream and DTC (as applicable).

17. **Currency Indemnity**

If any sum due from the Issuer in respect of the notes or any order or judgment given or made in relation thereto has to be converted from the currency (the "**First Currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**Second Currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal, or (c) enforcing any order or judgment given or made in relation to the notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Principal Paying Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the First Currency into the Second Currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the First Currency with the Second Currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

18. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms or Drawdown Prospectus, as applicable), all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.).

19. **Redenomination, Renominalisation and Reconventioning**

- (a) **Application:** This Condition 19 is applicable to the notes only if it is specified in the relevant Final Terms or Drawdown Prospectus, as applicable as being applicable.
- (b) **Notice of redenomination:** If the country of the Specified Currency becomes or, announces its intention to become, a Participating Member State, the Issuer may, without the consent of the Noteholders, on giving at least 30 days' prior notice to the Noteholders and the Paying Agents, designate a date (the "**Redenomination Date**"), being an Interest Payment Date under the notes falling on or after the date on which such country becomes a Participating Member State.
- (c) **Redenomination:** Notwithstanding the other provisions of these Conditions, with effect from the Redenomination Date:
 - (i) the notes shall be deemed to be redenominated into Euro in the denomination of Euro 0.01 with a Principal Amount Outstanding for each note equal to the Principal Amount Outstanding of that Note in the Specified Currency, converted into Euro at the rate for conversion of such currency into Euro established by the Council of the European Union pursuant to the Treaty (including compliance with rules relating to rounding in accordance with European Community regulations); **provided, however, that**, if the Issuer determines, with the agreement of the Principal Paying Agent then market practice in respect of the redenomination into Euro 0.01 of internationally offered securities is different from that specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, each listing authority, stock exchange and/or quotation system (if any) by which the notes have then been admitted to listing, trading and/or quotation and the Paying Agents of such deemed amendments;
 - (ii) if notes have been issued in definitive form:
 - (A) the payment obligations contained in all notes denominated in the Specified Currency will become void on the redenomination date but all other obligations of the Issuer thereunder (including the obligation to exchange such notes in accordance with this Condition 19) shall remain in full force and effect;
 - (B) and new notes denominated in Euro will be issued in exchange for notes denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Noteholders; and
 - (C) all payments in respect of the notes (other than, unless the Redenomination Date is on or after such date as the Specified Currency ceases to be a sub-division of the Euro, payments of interest in respect of periods commencing before the Redenomination Date) will be made solely in Euro by cheque drawn on, or by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) maintained by the payee with, a bank in the Principal Financial Centre of any member state of the European Communities.

Any Individual Note Certificate issued pursuant to such redenomination shall have a minimum denomination of €100,000 (or its equivalent in another currency).

- (d) **Interest:** Following redenomination of the notes pursuant to this Condition 19, where notes have been issued in definitive form, the amount of interest due in respect of the notes will be calculated by reference to the aggregate Principal Amount Outstanding of the notes.
- (e) **Interest Determination Date:** If the floating rate note provisions are specified in the relevant Final Terms or Drawdown Prospectus, as applicable as being applicable and Screen Rate determination is specified in the relevant Final Terms or Drawdown Prospectus, as applicable as the manner in which the rate(s) of interest is/are to be determined, with effect from the Redenomination Date the Interest Determination Date shall be deemed to be the second TARGET Settlement Day before the first day of the relevant Interest Period.

20. **Governing Law and Jurisdiction**

- (a) **Governing law:** The notes and all non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.
- (b) **English courts:** The courts of England have exclusive jurisdiction to settle any Dispute (a "**Dispute**") arising from or connected with the notes.
- (c) **Appropriate forum:** The Issuer agrees that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.
- (d) **Rights of the Noteholders to take Proceedings outside England:** Condition 20(b) is for the benefit of the Noteholders only. As a result, nothing in this Condition 20 prevents any Noteholder from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, Noteholders may take concurrent Proceedings in any number of jurisdictions.
- (e) **The Note Trust Deed:** The Note Trust Deed provides for the court of England to have non-exclusive jurisdiction in connection with the notes.
- (f) **Consent to enforcement etc.:** The Issuer consents generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such Proceedings.

21. **Third Party Rights**

No Person shall have any right to enforce any term or condition of the notes or the STDCMA under the Contracts (Rights of Third Parties) Act 1999.

22. **Limited Recourse**

If at any time following (i) the Final Redemption Date or any earlier date upon which a Note Series is due and payable, (ii) the date on which the Issuer has received all sums due to it in respect of that Note Series and (iii) the application in full of any amounts available to pay amounts due and payable under that Note Series in accordance with the relevant priority of payments, there remains any amount then due and payable under that Note Series then such amount shall, on the day following the application in full of the amounts referred to in (iii) above, cease to be due and payable by the Issuer.

4. **RECORD DATE**

The Issuer may fix a record date for the purposes of any Meeting or any resumption thereof following its adjournment for want of a quorum **provided that** such record date is not more than 10 days prior to the time fixed for such Meeting or (as the case may be) its resumption. The person in whose name a Note is registered in the relevant Register on the record date at the close of business in the city in which the Registrar that is maintaining such Register has its Specified Office shall be deemed to be the holder of such Note for the purposes of such Meeting and notwithstanding any subsequent transfer of such Note or entries in such Register.

5. **OMNIBUS PROXY**

For so long as any of the Notes is represented by a Global Note Certificate registered in the name of DTC or its nominee, DTC may mail an omnibus proxy to the Issuer in accordance with and in the form used by DTC as part of its usual procedures from time to time in relation to meetings of Noteholders. Such omnibus proxy shall assign the voting rights in respect of the relevant meeting to DTC's direct participants as of the record date specified therein. Any such assignee participant may, by an instrument in writing in the English language signed by such assignee participant, or, in the case of a

corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the specified office of the Registrar or the Transfer Agent before the time fixed for the relevant meeting, appoint any person (a "**sub proxy**") to act on his or its behalf in connection with any meeting of Noteholders and any adjourned such meeting.

6. **CONVENING OF MEETING**

The Issuer or the Note Trustee may convene a Meeting at any time, and the Note Trustee shall be obliged to do so subject to its being indemnified and/or secured and/or prefunded to its satisfaction upon the request in writing of Noteholders holding not less than one tenth of the aggregate Principal Amount Outstanding of the outstanding Notes. Every Meeting shall be held on a date, and at a time and place in the United Kingdom, approved by the Note Trustee.

7. **NOTICE**

7.1 At least 21 days' notice and not more than 180 days (exclusive of the day on which the notice is given and of the day on which the relevant Meeting is to be held) specifying the date, time and place of the Meeting shall be given to Noteholders, (with a copy to the Issuer where the Meeting is convened by the Note Trustee or, where the Meeting is convened by the Issuer, the Note Trustee); and

7.2 The notice shall set out the full text of any resolutions to be proposed unless the Note Trustee agrees that the notice shall instead specify the nature of the resolutions without including the full text and shall state that Notes may be blocked in clearing systems for the purposes of appointing Proxies under Block Voting Instructions until 48 hours before the time fixed for the Meeting and a Noteholder may appoint a Proxy either under a Block Voting Instruction by delivering written instructions to the relevant Registrar or by executing and delivering a Form of Proxy to the Specified Office of the such Registrar, in either case until 48 hours before the time fixed for the Meeting.

8. **CHAIRMAN**

An individual (who may, but need not, be a Noteholder) nominated in writing by the Note Trustee may take the chair at any Meeting but, if no such nomination is made or if the individual nominated is not present within 15 minutes after the time fixed for the Meeting, those present shall elect one of themselves to take the chair failing which, the Issuer may appoint a Chairman. The Chairman of an adjourned Meeting need not be the same person as was the Chairman of the original Meeting.

9. **QUORUM**

The quorum at any Meeting shall be at least two Voters representing or holding not less than the Relevant Fraction of the aggregate Principal Amount Outstanding of the outstanding Notes; **provided, however, that**, so long as at least the Relevant Fraction of the aggregate Principal Amount Outstanding of the outstanding Notes is represented by the Global Note Certificate or a single Individual Note Certificate, a Voter appointed in relation thereto or being the holder of the Notes represented thereby shall be deemed to be two Voters for the purpose of forming a quorum.

10. **ADJOURNMENT FOR WANT OF QUORUM**

If within 15 minutes after the time fixed for any Meeting a quorum is not present, then:

10.1.1 in the case of a Meeting requested by Noteholders, it shall be dissolved; and

10.1.2 in the case of any other Meeting (unless the Issuer and the Note Trustee otherwise agree), it shall be adjourned for such period (which shall be not less than 14 days and not more than 42 days) and to such place as the Chairman determines (with the approval of the Note Trustee); **provided, however, that:**

(a) the Meeting shall be dissolved if the Issuer and the Note Trustee together so decide; and

(b) no Meeting may be adjourned more than once for want of a quorum.

11. **ADJOURNED MEETING**

The Chairman may, with the consent of, and shall if directed by, any Meeting adjourn such Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting except business which might lawfully have been transacted at the Meeting from which the adjournment took place.

12. **NOTICE FOLLOWING ADJOURNMENT**

Paragraph 7 (*Notice*) shall apply to any Meeting which is to be resumed after adjournment for want of a quorum save that:

12.1.1 10 days' notice and not more than 180 days (exclusive of the day on which the notice is given and of the day on which the Meeting is to be resumed) shall be sufficient; and

12.1.1 the notice shall specifically set out the quorum requirements which will apply when the Meeting resumes.

It shall not be necessary to give notice of the resumption of a Meeting which has been adjourned for any other reason.

13. **PARTICIPATION**

The following may attend and speak at a Meeting:

13.1.1 Voters;

13.1.2 representatives of the Issuer and the Note Trustee;

13.1.3 the financial advisers of the Issuer and the Note Trustee;

13.1.4 the legal counsel to the Issuer and the Note Trustee and such advisers;

13.1.5 any other person approved by the Meeting or the Note Trustee; and

13.1.6 the relevant Registrars.

14. **SHOW OF HANDS**

Every question submitted to a Meeting shall be decided in the first instance by a show of hands. Unless a poll is validly demanded before or at the time that the result is declared, the Chairman's declaration that on a show of hands a resolution has been passed, passed by a particular majority, rejected or rejected by a particular majority shall be conclusive, without proof of the number of votes cast for, or against, the resolution. Where there is only one Voter, this paragraph shall not apply and the resolution will immediately be decided by means of a poll.

15. **POLL**

A demand for a poll shall be valid if it is made by the Chairman, the Issuer, the Note Trustee or one or more Voters representing or holding not less than one half of the aggregate Principal Amount Outstanding of the outstanding Notes. The poll may be taken immediately or after such adjournment as the Chairman directs, but any poll demanded on the election of the Chairman or on any question of adjournment shall be taken at the Meeting without adjournment. A valid demand for a poll shall not prevent the continuation of the relevant Meeting for any other business as the Chairman directs.

16. **VOTES**

Every Voter shall have:

16.1.1 on a show of hands, one vote; and

16.1.2 on a poll, one vote in respect of each [Euro]/[£]/[US\$]1 or such other amount as the Note Trustee may in its absolute discretion stipulate (or, in the case of Meetings of holders of Notes denominated in another currency, such amount in such other currency as the Note Trustee in its absolute discretion may stipulate) in nominal amount of the outstanding Note(s) represented or held by him.

Unless the terms of any Block Voting Instruction or Form of Proxy state otherwise, a Voter shall not be obliged to exercise all the votes to which he is entitled or to cast all the votes which he exercises in the same way. In the case of a voting tie the Chairman shall have a casting vote.

In the case of any Meeting of holders of more than one Series or Class of Notes where not all such Series or Class are in the same currency, the principal amount of such Notes shall for all purposes in this Schedule (whether *inter alia* in respect of the Meeting or any poll resulting therefrom), be the equivalent in sterling translated at the rate specified in the relevant Prospectus Supplement/ Final Terms relating to such Notes. In such circumstances, on any poll each person present shall have one vote for each Unit of Notes (converted as above) which he holds.

In this paragraph, a "Unit" means the lowest denomination of the Notes as stated in the applicable Note Trust Deed Supplement or in the case of a Meeting of Noteholders of more than one Series, shall be the lowest common denominator of the lowest denomination of the Notes.

17. VALIDITY OF VOTES BY PROXIES

- 17.1 Any vote by a Proxy in accordance with the Block Voting Instruction or Form of Proxy shall be valid even if such Block Voting Instruction or Form of Proxy or any instruction pursuant to which it was given has been amended or revoked, **provided that** neither the Issuer, the Note Trustee nor the Chairman has been notified in writing of such amendment or revocation by the time which is 24 hours before the time fixed for the relevant Meeting; or
- 17.2 Unless revoked, any appointment of a Proxy under a Block Voting Instruction or Form of Proxy in relation to a Meeting shall remain in force in relation to any resumption of such Meeting following an adjournment; **provided, however, that** no such appointment of a Proxy in relation to a Meeting originally convened which has been adjourned for want of a quorum shall remain in force in relation to such Meeting when it is resumed. Any person appointed to vote at such a Meeting must be re-appointed under a Block Voting Instruction or Form of Proxy to vote at the Meeting when it is resumed.

18. POWERS

A Meeting shall have power (exercisable only by Extraordinary Resolution), without prejudice to any other powers conferred on it or any other person:

- 18.1.1 to approve any Basic Terms Modification;

- 18.1.8 to discharge or exonerate the Note Trustee from any liability in respect of any act or omission for which it may become responsible under the Security Documents;

18.1.9 to give any other authorisation or approval which under the Security Documents is required to be given by Extraordinary Resolution; and

18.1.10 to appoint any persons as a committee to represent the interests of the Noteholders and to confer upon such committee any powers which the Noteholders could themselves exercise by Extraordinary Resolution.

20. MINUTES

Minutes of all resolutions and proceedings at each Meeting shall be made. The Chairman shall sign the minutes, which shall be *prima facie* evidence of the proceedings recorded therein. Unless and until the contrary is proved, every such Meeting in respect of the proceedings of which minutes have been summarised and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

21. WRITTEN RESOLUTION

A Written Resolution shall take effect as if it were an Extraordinary Resolution.

22. FURTHER REGULATIONS

Subject to all other provisions contained in this Note Trust Deed, the Note Trustee may without the consent of the Issuer or the Noteholders prescribe such further regulations regarding the holding of Meetings of Noteholders and attendance and voting at them as the Note Trustee may in its sole discretion determine.

23. SEVERAL SERIES
