### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### 1.1 Basis of preparation

The financial statements are prepared in accordance with applicable accounting standards (UK GAAP) and under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from the requirement to produce a cash flow statement on the grounds that it is a subsidiary undertaking where 90 percent or more of the voting rights are controlled within the group.

#### 1.2 Going concern

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

#### 1.3 Turnover

Turnover from investment property leased out under an intra group management lease is recognised in the profit and loss account on a straight line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income and are spread over the shorter of the lease term or the date when it is expected rent will revert to the prevailing market rate.

### 2 Turnover

Turnover is generated in the UK and from the company's principal activity.

### 3 Result on ordinary activities before taxation

	2014 £	2013 £
Result on ordinary activities before taxation is stated after crediting:		
Rental income received under operating leases	892,564	898,694

Auditor's remuneration of £520 (2013: £505) was borne by another group company.

Fees paid to the company's auditor, KPMG Audit Plc and its associates for services other than statutory audit of the company are not disclosed in the company's accounts since the consolidated accounts of the company's parent, The Unite Group plc are required to disclose non audit fees on a consolidated basis.

Directors' remuneration was borne by another group company in respect of both years.

### 4 Taxation

There was no liability to taxation in respect of either year.
