TRUSTEE'S ANNUAL REPORT (INCORPORATING THE DIRECTOR'S REPORT) YEAR ENDED 30 SEPTEMBER 2023

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 31st July 2008 and registered as a charity in August 2008. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, the members are required to contribute an amount not exceeding £1

Operational Structure

The Charity operates through Trustees supported by a professionally qualified administrator. Regular reports are received by the Trustees and acted on appropriately.

Recruitment and Appointment of the Board of Trustees

New Trustees will be appointed as and when needed in line with the charity's objectives.

Risk Management

Suitable procedures are in force to minimise perceived risks. Such procedures are reviewed annually.

Objectives and activities

The charity's objects and principal activities are the support of young persons setting out in farming who are in need, and relief of unemployment by:

The provision of loans for the purchase of farming equipment

The provision of training of such persons in agriculture and farm management, and

The provision of farm land upon terms appropriate to their needs.

Achievement and performance

Rydes Farm at Mount Bures and Layzell Farm at Bulmer Tye were successfully re let following what has now become an even more difficult decision when choosing between applicants who were all worthy of being awarded a tenancy.

In contrast there were no applicants to take on the difficult farming land at Kedington Hill Little Cornard and the Trustees were grateful to William Riddlestone who agreed to extend his tenancy for a further 2 years at the existing rent . This gives the Trustees some breathing space to consider with our Agents Stanfords the long term future of this holding.

Our Administrator Richard Kemsley coped admirably with all matters thrown at him during the year ranging from water ingress at one of our barns to negotiations with Gigaclear and potential planning gain at Brook House Farm. We really felt that Covid was at long last behind us when the Trustees were able to reinstate the annual meeting with our Tenants at the convivial meeting place of the Victory Inn and break bread together. Financially the Charity goes from strength to strength with income generally being in excess of expenditure and our capital reserves continue to grow - possible land purchase in the future?

Financial Review

A spreadsheet and cash-flow forecast are updated on a quarterly basis and any significant changes reported to the directors who act accordingly.

Reserves Policy

There is no formal reserves policy but as the rental income far exceeds any normal expenditure there are always sufficient financial reserves on both short and long term deposit to meet any likely shortfall from default by our tenants. The cash-flow projection is updated regularly to ensure this position remains.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Mr G/W Ghallacombe

INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES YEAR ENDED 30 SEPTEMBER 2023

I report to the charity trustees on my examination of the accounts of the company for the year ended 30th September 2022 which are set out on pages 4 to 10.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- i) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- ii) the accounts do not accord with those records; or
- iii) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- iv) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Name: Nicholas Farr

For the year ending 30th September 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to companies.

Trustees responsibilities:

The shareholders have not required the charity to obtain an audit of its financial statements for the year in question in accordance with section 476;

The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Mr G W Challacombe

Director

The notes on pages 6 to 10 form part of these accounts.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS YEAR ENDED 30 SEPTEMBER 2023

1. GENERAL INFORMATION

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 22 Friars Street, Sudbury, Suffolk CO10 2AA.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. ACCOUNTING POLICIES

3.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

3.2 Going Concern

There are no material uncertainties about the charity's ability to continue.

3.3 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subject to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3.4 Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income.

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when the receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to
 measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value.
 Donated facilities and services are recognised in the accounts when received if the value can be reliably
 measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service.
 This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS CONTINUED YEAR ENDED 30 SEPTEMBER 2023

3.5 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the cost of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part
 of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

3.6 Tangible Assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

3.7 Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold land

Grain store 5% Straight line

4. LIMITED BY GUARANTEE

There is no share capital and each member's liability is limited to £1 on winding up.
