RECEIPTS AND PAYMENTS ACCOUNT

I attach my receipts and payments account for the period from 17 October 2015 to 18 December 2015

ASSETS

Nature of Asset	Estimated to Realise £	Actually Realised £
Computer Equipment	500	NIL
Cash at Bank	NIL	55
Director's Loan	25,332	17,275
Total	25,832	17,330

Computer Equipment

The statement of affairs included computer equipment with an estimated to realise value of £500. However, as previously reported, the equipment had no realisable value and the costs involved to realise this asset would clearly outweigh any benefit to creditors. I therefore made the decision to take no further action in this respect.

Director's Loan

As detailed in my previous reports, the statement of affairs showed £25,332 in respect of an outstanding director's loan account. An agreement was reached with the director that £425

would be paid per month until his offer of £7,500 in full and final settlement of the outstanding balance was paid. I accepted this offer on the basis of commerciality given the low asset value of the liquidation and the subsequent unlikely return to creditors.

LIABILITIES

Secured Liabilities

An examination of the company's mortgage register held by the Registrar of Companies, showed that the company has not granted any debentures.

Preferential Creditors

There are no preferential creditors.

Crown Creditors

The statement of affairs included £1,891, £26,768 and £5,527 owed to HM Revenue & Customs ("HMRC") for PAYE, VAT and Corporation Tax respectively. HMRC have submitted claims for £8,103 in respect of PAYE and £26,566 for VAT and have not submitted a claim for Corporation Tax. I have not investigated the difference in the statement of affairs figure and the submitted amount for PAYE as there is no dividend payable to any class of creditor.

Unsecured Creditors

The statement of affairs included three unsecured creditors excluding HMRC with an estimated total liability of £8,284. I have received a claim from one creditor for £2,409 and I have not received claims from two creditors with an estimated total liability of £6,304.

DIVIDEND PROSPECTS

There is no dividend payable to any class of creditor.

INVESTIGATION INTO THE AFFAIRS OF THE COMPANY

Within six months of my appointment as joint liquidator, I am required to submit a confidential report to the Secretary of State to include any matters which have come to my attention during the course of my work which may indicate that the conduct of any past or present director would make him unfit to be concerned with the management of the company. I would confirm that my report has been submitted.

PRE-APPOINTMENT REMUNERATION

The creditors previously authorised the payment of a fee of £5,000 plus VAT for assistance with the statement of affairs and producing and circulating the notices for the meetings of members and creditors prior to my appointment at a meeting held on 17 October 2012.

The fee for the statement of affairs and meetings was paid from first realisations on appointment and has been paid in full

My remuneration was authorised by creditors at a meeting held on 17 October 2012 to be drawn on a time cost basis.
