Notes to the Abbreviated Accounts for the Period 1 October 2013 to 30 April 2014

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements are prepared on the going concern basis which assumes that the company will continue to trade. However the validity of the going concern basis is dependent upon the support of the creditors and the director. Should the company be unable to continue trading, adjustments would have to be made to reduce the value of the assets to their recoverable amounts, to provide for any further liabilities which might arise, and to reclassify fixed assets as current assets and long term liabilities as current liabilities.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 20% on cost

All fixed assets are initially recorded at cost.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Government grants

Government grants are recognised in the profit and loss account so as to match them with the expenditure towards which they are intended to contribute.
