DIRECTORS' REPORT
30 JUNE 2015

The directors present the Report and Financial Statements of Big Screen Productions 10 Limited ("the Company") for the period ended 30 June 2015.

Principal activity

The Company is a wholly-owned subsidiary of Ingenious Media Limited, which is a wholly-owned subsidiary within the Ingenious Media Holdings plc group ("the Group"). The principal activity of the Company is as a member of Big Screen Productions 10 LLP ("the Partnership"). The directors are not aware of any likely major changes in the Company's activities in the next year.

The Group manages its operations on a divisional basis. For this reason, the Company's directors believe that key performance indicators for the Company are not necessary or appropriate for an understanding of its development, performance or position.

Due to the nature of the Company's investment in the Partnership, the Company is expecting to realise cumulative profits in future years.

Going concern

The Company's business activities, together with the factors likely to affect its future development, performance and position have been reviewed by the directors. As part of the Group, the directors believe that the Company is well placed to manage its business risks successfully despite the current uncertain economic outlook.

As explained in Note 15, HMRC may be empowered to issue accelerated payment notices requiring payments of tax in certain circumstances. At present no such notices have been received but the directors consider it possible, that they may be received in the future and have therefore disclosed this as a contingent liability. The exact amount of any accelerated payment notice cannot be known until received (if indeed any are received at all).

Until such time as any accelerated payment notice is received (if indeed any are received at all), the directors are unable to assess the impact, if any, on the future prospects of the Company. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern, and therefore it may be unable to realise its assets or discharge its liabilities in the normal course of business.

Notwithstanding this material uncertainty, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Principal risks and uncertainties

The key business risks faced by the Company can be affected by a number of factors some of which may result from matters beyond the Company's control, such as conditions in the domestic and global financial markets and the wider economy. The financial risk and operational management policies are determined for the Group as a whole and are discussed in the Group's Report and Financial Statements.

Financial risk management

The Company is exposed to financial risk through its financial assets and liabilities. The Company has an investment in the Partnership which it reviews on a regular basis. All other balances are predominantly amounts owed by or owing to companies within the Group or are connected to the investment in the Partnership.

Statement of directors' responsibilities

The directors are responsible for preparing the Report and Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom accounting standards have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

DIRECTORS' REPORT (CONTINUED)
30 JUNE 2015

Statement of directors' responsibilities (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Change of year end

On 9 July 2015 it was resolved to amend the accounting period of the Company and to extend it to 30 June so as to be coterminous with the year end of the Group. Accordingly, the current financial statements are prepared for 15 months from 6 April 2014 to 30 June 2015.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that so far as the director is aware there is no relevant audit information of which the Company's auditor is unaware and the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

In the absence of a notice proposing that the appointment be terminated, the auditor, Deloitte LLP, will be deemed to be re-appointed in accordance with section 487(2) of the Companies Act 2006.

Small company exemptions

This Directors' Report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. This is in accordance with Part 15 of the Companies Act 2006. The Company has taken advantage of the exemption for the requirement to disclose an enhanced business review and to prepare a strategic report in accordance with section 414B of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BIG SCREEN PRODUCTIONS 10 LIMITED

We have audited the financial statements of Big Screen Productions 10 Limited for the period from 6 April 2014 to 30 June 2015 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Accounting Policies and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2015 and of its profit for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BIG SCREEN PRODUCTIONS 10 LIMITED (CONTINUED)

Emphasis of matter - Going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in the Statement of Accounting Policies concerning the Company's ability to continue as a going concern.

As explained more fully in the Statement of Accounting Policies, HMRC may be empowered to issue accelerated payment notices requiring payments of tax in certain circumstances. If any amount of tax charged in a notice from HMRC is in excess of the current assets of the Company, the directors would need to assess the options available to them. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the company's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the company was unable to continue as a going concern.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Directors' Report.

**STATEMENT OF ACCOUNTING POLICIES
30 JUNE 2015**

The principal accounting policies are summarised below. They have been applied consistently throughout the current period and prior year.

Basis of accounting

The Report and Financial Statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom Accounting Standards.

Going concern

The Company's business activities, together with the factors likely to affect its future development, performance and position have been reviewed by the directors. As part of the Group, the directors believe that the Company is well placed to manage its business risks successfully despite the current uncertain economic outlook.

As explained in Note 15, HMRC may be empowered to issue accelerated payment notices requiring payments of tax in certain circumstances. At present no such notices have been received but the directors consider it possible, that they may be received in the future and have therefore disclosed this as a contingent liability. The exact amount of any accelerated payment notice cannot be known until received (if indeed any are received at all).

Until such time as any accelerated payment notice is received (if indeed any are received at all), the directors are unable to assess the impact, if any, on the future prospects of the Company. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern, and therefore it may be unable to realise its assets or discharge its liabilities in the normal course of business.

Notwithstanding this material uncertainty, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Cash flow statement

The Financial Statements do not include a Cash Flow Statement because the Company, as a wholly-owned subsidiary, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 (Revised) 'Cash Flow Statements'.

Turnover

Turnover represents the Company's entitlement to drawings from its investment in the Partnership and is recorded at the value of consideration due. Drawings are recognised on an accruals basis when the Company's right to consideration is secured in accordance with the terms of the Partnership's Members' Agreement.

Cost of sales

Cost of sales represents direct costs attributable to turnover.

Investments

The investment in the Partnership is stated at cost less any permanent diminution in value.

STATEMENT OF ACCOUNTING POLICIES (CONTINUED)
30 JUNE 2015

Trade loans

Trade loans are recorded at the full extent of their legal liability at the date that the loan agreement was signed, less any repayments made.

Taxation

Current tax, including United Kingdom corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the Balance Sheet date.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable tax profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax assets and liabilities are not discounted.
