3 & 4

Notes to the Abbreviated Accounts
For the year ended 31st October 2012

1 ACCOUNTING POLICIES

1 1 Accounting conventions

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1 2 Turnover

Turnover represents the total invoiced value, excluding value added tax, of sales during the year. The total turnover of the company for the year has been derived from its principal activity wholly undertaken in UK.

1 3 Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

1 4 Pensions

The pension cost charged in the financial statements represents the contribution payable by the company during the year in accordance with SSAP 24. The regular cost of providing retirement pensions and related benefits is charged to the profit and loss account over the employee's service lives on the basis of a constant percentage of earnings.

1 5 Financial Instruments

Financial instruments are classified and accounted for, according to the substance of contractual arrangements, as either financial assets, financial liabilities or equity instruments, as defined in FRS 25, Financial Instruments: Disclosure and Presentation. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
