The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2019.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2019 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

(a)	ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
(b)	preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Mr A G Hare - Director

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

#### 1. STATUTORY INFORMATION

The Old Bear (Cirencester) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address are as below:

Registered number: 06748838

Registered office: 43-45 Devizes Road, Swindon, Wiltshire, SN1 4BG

The presentation currency of the financial statements is the Pound Sterling  $(\mathfrak{L})$  rounded to the nearest pound.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### **Going Concern**

The financial year ended 31st March 2019 was particularly difficult, mainly due to significant ill-health problems that the director suffered and resulted in his hospitalisation on several occasions. This was then followed in March 2020 by the World Health Organisation declaring the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The pandemic has had significant effects on global markets, supply chains, businesses and communities, and some of those effects continue even as some parts of the world start to come out of lockdown. Specific to the company, the director has seen an impact on the 2021 results, largely due to travel restrictions reducing access to the company's overseas markets. In addition, a long period of self-isolating by the director and also by the company's self-employed book-keeper compounded the difficulties being faced. However, the director believes that the company holds a good level of top quality stock, which should provide strong trading opportunities as worldwide travel hopefully opens up in the not too distant future. For that reason, the director believes that it remains appropriate for these financial statements to have been prepared on a going concern basis.

## Significant judgements and estimates

In preparing these financial statements, the directors have made the following judgements:

- Determine whether leases entered into by the company as a lessee are operating leases or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lesser to the lessee on a lease by lease basis.
- Determine the period of useful economic life and any residual value of all tangible fixed assets order to write off the value of each asset over that period.
- Determine an appropriate provision for bad and doubtful debts by assessing the recoverability of all balances on a balance by balance basis.
- Determine an appropriate provision for obsolete and slow moving stocks by assessing the net realisable value of all stock lines on a line by line basis.
- Determine an appropriate provision for dilapidations by assessing the probable future obligations expected to exist at the end of the property lease.

#### Turnover

Turnover from sale of goods is recognised when the significant risks and reward of ownership of the goods have passed to the buyer, usually on dispatch of the goods.

Turnover is measured at the fair value of consideration received or receivable, excluding discounts, rebates, VAT and other sales taxes or duty.

THE OLD BEAR (CIRENCESTER) LIMITED

# NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2019

#### 2. ACCOUNTING POLICIES - continued

#### Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

The website costs are being amortised evenly over its estimated useful life of 3 years.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

T		Improvements to property	-	20% on cost
		Plant and machinery	-	15% on reducing balance
	ennen en e	Motor vehicles	-	25% on reducing balance
	THE RESERVE THE PROPERTY OF TH	Computer equipment	-	25% on cost

#### Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

#### Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

## Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 2 (2018 - 2). **THE OLD BEAR (CIRENCESTER) LIMITED**
