### Trustees' Report

The Trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the year ended 30 April 2022.

#### **Status**

The Charity is limited by guarantee, having no share capital. It is a registered charity.

The Company was incorporated on 20 November 2008 and is bound by its Memorandum and Articles of Association. The Charity became registered with the Charity Commission on 12 February 2009.

### **Principal Activity**

The principal activity of the Charity during the year was the administration of the distribution of charitable donations for:

- 1 Individual donors through the Payroll Giving scheme;
- 2 Employers in developing their corporate social responsibilities in support of their charitable aims; and
- 3 Foundations and major corporations in managing the distribution of their charitable funds and donations in an efficient and economical manner.

### **Charity's Objectives**

The Charity's objectives are the encouragement of the effectiveness and efficiency of charities by promoting and advising upon tax efficient giving, counselling on fundraising strategy and providing fundraising support and administrative services.

In order to achieve its objectives, the Charity will work with employers and charitable organisations to:

- · Introduce and develop the payroll giving scheme;
- · Advise employers on fundraising in the workplace;
- · Assist employers in developing their corporate and community charitable activities; and
- Provide an efficient and cost effective service for the distribution of charitable donations.

### Trustees' Report

#### **Structure and Election Process**

The Board of Trustees, a body of not less than 4, but with no maximum, controls the Charity. Trustees are elected by a quorum of at least 4 members of the Board of Trustees. In the event of the Charity being wound up, the liability of the members is limited to £10.

The Board links governance and management functions through the Chief Executive Officer.

All Board authority delegated to the day to day operational organisation is delegated through the Chief Executive Officer, so that all authority and accountability for the operational organisation is considered to belong to the Chief Executive Officer.

The Chief Executive Officer has no authority to make any decisions about any matter that the Board has specifically reserved for itself for decision. Accordingly, the Chief Executive Officer must not make decisions without prior Board approval regarding:

- Strategic issues consideration of any project or venture that involves, or could lead to, a significant alteration of the Charity's risk profile;
- Financial items approval of the annual budgets, political donations, charitable donations in excess of £5,000, capital expenditure in excess of £10,000, debt securities, unbudgeted loan facilities, debt factoring, lease/sale back arrangements and approval of the Annual Reports and Financial Statements;
- Agreements approving acquisitions, mergers or disposals of any business or subsidiary, regardless of value;
- · Legal Structure modification to the legal structure of the Charity;
- · Litigation approval of the initiation, conduct and settlement of litigation;
- Administration and benefits alteration of the Charity's accounting date, name or registered office
  of the Charity and changes to the Memorandum and Articles of Association. Approval of
  remuneration packages of the Chief Executive Officer, pension right and compensation payments;
  and
- Board arrangements appointment or removal of the Company secretary or directors, establishment of Board Committees and approval of the reference terms and amendment of any Board policies.

# Trustees' Report

### Review of the Year and Future Developments

The Charitable Giving Board of Trustees are pleased to report another extremely positive and successful year despite challenging economic circumstances.

Charitable Giving has further increased its portfolio of clients maintaining a highly responsive and efficient service allowing record numbers of new employer clients to onboard and develop or further enhance their Corporate Social Responsibility Programmes. The onset of the Ukraine crisis saw both individuals and employers looking for bespoke and swift solutions to support the numerous organisations needing urgent help on the ground (both in the UK and across Europe). The team at Charitable Giving were proud to play a significant part in enabling immediate financial support for charities in the shape of sizeable and specific donations.

Payroll Giving distributions figures have held up well. Though the number of donors overall is reducing slightly the average value of a regular donation is rising and in addition many high-end earners are using this tax efficient method of giving to make large ad hoc donation(s) for example to support Special Appeals or local causes close to their hearts.

Charity Accounts continue to be a popular feature and numbers of donors choosing to actively manage their donations this way has risen in line with consumer expectation around online services. As a result, Charitable Giving has an enhanced programme of development and communications to ensure contact with Charity Account holders is maintained and they are both reminded and encouraged to distribute any accumulated funds to chosen beneficiaries.

Charitable Giving continues to focus on excellent customer service, best practice, and assurance for clients via accreditation and certification. ISO standards 27001 and 9001 and Cyber Essentials Plus are maintained along with a renewed focus on IT Development and associated business efficiencies - collectively allowing costs to be kept to a minimum despite rising distribution figures.

The team at Charitable Giving remain consistent and responsive to the organisation's COVID exit strategy. The office space is maintained, and a programme of hybrid working is in place to manage employee wellbeing and offer a reliable and continuous personal service for clients. Business and individual performance is regularly reviewed, an online staff training programme has been introduced and the Customer Relationship Management team is being expanded.

Despite the Financial Year (FY) 21/22 seeing distribution figures in excess of £40M (an approx. 20% increase on previous FY) the Board is not complacent with respect to the risk and potential impact of the cost-of-living crisis on individual donations and are mindful that wage inflation and increased utility bills have a direct and unwelcome impact on the charity's outgoings. Staff retention and recruitment is undoubtedly a key focus along with a continuous programme of business efficiency development.

In anticipation of increasingly difficult economic circumstances, the Board has added regular and specific Sub Committee Meetings to the already established quarterly review programme and continues to have a high level of confidence that the charity will continue as going concern.

### Trustees' Report

#### Recruitment and appointment of Trustees

A programme of rolling retirement from the Board of Trustees has been introduced in anticipation of one retirement each Financial Year. Retirements are based on length of service and where there is duplication, retirees are selected based on alphabetical rotation to avoid multiple losses (of skills and experience) from the Board at one time. Trustee recruitment is an ongoing agenda item at quarterly Board Meetings and a skills matrix is maintained to identify strengths and ensure a reasonable level of diversity and relevant experience among members. Trustees are elected by a quorum of at least 4 members of the Board of Trustees.

#### Results

The Charity has a surplus of £67.045 (2021: £30.351) on unrestricted funds for the year.

#### Reserves

The policy of the Board is to set a level of reserves sufficient to meet the fixed costs of the Charity for a period of three months. The reserves policy will be reviewed annually. The balance of unrestricted funds at 30 April 2022 was £521,596 (2021 - £456,008) of which £341,105 (2021 - £268,570), being the net current assets, is regarded as free reserves. Surplus funds will be used to further the Charity's objectives.

### **Principal Risk and Uncertainties**

The Trustees of Charitable Giving maintain a risk register which is reviewed quarterly. The main risks to Charitable Giving are:

- 1 IT failure:
- 2 Property damage;
- 3 Loss of key personnel; and
- 4 Financial loss of deposits.

The Trustees have established systems and procedures to alleviate the above by full use of off-site back-up, understudy personnel and reserved alternative office accommodation. Deposits held on behalf of third parties before distribution are held with recognised UK established banks including some term deposits of no more than 12 months.

### Financial Risk Management Objectives and Policies

The Charity's activities expose it to a number of financial, cash flow, and liquidity risks. The Charity has in place the structure to manage these risks with various established banks and through effective budgeting and monitoring of performance. Included in the budget is a capital expenditure budget, which is approved by the Board of Trustees prior to any significant expenditure being incurred.

### Price risk, credit risk, liquidity risk and cash flow risk

The Charity's main expense is wages and salaries. Any significant fluctuations in minimum wage, or employment taxes could have a significant impact on the Charity. Salary costs are continually monitored against budget and market rates to ensure these are aligned. There is little exposure to credit risk as donations are paid to Charity beneficiaries once the income has been received from the donor. Cash deposits are held in various accounts to spread risk.

### Trustees' Report

#### **Public Benefit**

The Trustees confirm that they have complied with the duty of the Charities Act 2011 to have due regard to the Charity Commission for England and Wales's general guidance on public benefit in exercising their power or duties. They have referred to this guidance when reviewing the Charities aims and objectives and in planning its future activities.

#### Disclosure of Information to Auditor

Each Trustee has taken steps that they ought to have taken as a Trustee in order to make themselves aware of any relevant audit information and to establish that the Charity's auditor is aware of that information. The Trustees confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

### **Small Companies Provision Statement**

u Sal.

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the Trustees of the Charity on .19/08/2022, and signed on its behalf by:

Mr J R Sale

Trustee

# Statement of Trustees' Responsibilities

The Trustees (who are also the directors of Charitable Giving for the purposes of company law) are responsible for preparing the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- · select suitable accounting policies and apply them consistently;
- · observe the methods and principles in the Charities SORP;
- · make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees of the Charity on .19/08/2022, and signed on its behalf by:

Mr J R Sale

Trustee

# Independent Auditor's Report to the Members of Charitable Giving

#### **Opinion**

We have audited the financial statements of Charitable Giving (the 'Charity') for the year ended 30 April 2022, which comprise the Statement of Financial Activities, Balance Sheet, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 30 April 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

### Independent Auditor's Report to the Members of Charitable Giving

#### Other information

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of Trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Trustees**

As explained more fully in the Statement of Trustees' Responsibilities (set out on page 7), the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

### Independent Auditor's Report to the Members of Charitable Giving

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of our audit planning, through discussions with management, we obtained an understanding of the legal and regulatory framework that is applicable to Charitable Giving and the sector in which it operates to identify the key laws and regulations affecting the charitable company. The key laws and regulations we identified were General Data Protection Regulations (GDPR), Fundraising Regulations, health and safety laws, and employment laws. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, primarily the Companies Act 2006, the Charities Act 2011, relevant tax compliance regulations in the UK, and reporting framework (Charities SORP - FRS 102). In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental the charity's ability to operate or to avoid a material penalty.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks related to fraudulent financial reporting, in particular to grant funding received.

Audit procedures performed by the engagement team include, but were not limited to, discussions and inquiries with management of compliance with laws and regulations, reviewing the clients laws and regulations file including ISO audit reports, and reviewing Board minutes and significant legal costs incurred in the year. We also addressed the risk of management override of internal controls, including testing of journals and evaluating whether there was evidence of bias by the Trustees that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberrate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

# Independent Auditor's Report to the Members of Charitable Giving

#### Use of our report

This report is made solely to the charitable company's Trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

# Notes to the Financial Statements for the Year Ended 30 April 2022

### 1 Charity status

The Charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the Members are liable to contribute an amount not exceeding £10 towards the assets of the Charity in the event of liquidation.

The address of its registered office is: Unit C4 Union Mine Road Pitts Cleave Tavistock Devon PL19 0NS

The principal place of business is: Unit C4 Union Mine Road Pitts Cleave Tavistock Devon PL19 0NS

### 2 Accounting policies

### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)). They also comply with the Companies Act 2006 and Charities Act 2011.

### **Basis of preparation**

Charitable Giving meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the Charity. Accordingly accounts have been prepared on a going concern basis.

### Notes to the Financial Statements for the Year Ended 30 April 2022

#### Income and endowments

The charity acts as agent co-ordinating the raising and distribution of funds from employees and employers to charities for the purpose of section 202 Income and Corporation Taxes Act 1998. Donations received and distributed on behalf of employees and employers are not reflected in the Statement of Financial Activities.

Administration services income is recognised in the period in which donations are received and is based on a fixed rate per donor.

#### Donations and legacies

Donations are recognised when the Charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the Charity before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that these conditions will be fulfilled in the reporting period.

#### **Expenditure**

Expenditure is charged on an accruals basis, inclusive of irrecoverable VAT. Charitable expenditure comprises those costs directly incurred in the pursuance of the Charity's charitable activity, the administration and promotion of payroll giving schemes.

#### Charitable activities

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Government grants**

Grants relating to the Coronavirus Job Retention Scheme are recognised in the period in which the associated wages and salaries expenditure is incurred.

#### **Taxation**

As the Charity is a registered charity and a non-profit making organisation, no tax liability exists on its activities.

### Intangible fixed assets and amortisation

Intangible assets are stated in the Balance Sheet at cost less accumulated amortisation and impairment. They are amortised on a straight line basis over their estimated useful lives.

Amortisation is provided on intangible fixed assets so as to write off the cost, less any estimated residual value, over their expected useful economic life as follows:

#### **Asset class**

Other intangible asset Website and bespoke computer programs

Amortisation method and rate 15 years straight line 33%, 10% and 6.67% straight line

### Notes to the Financial Statements for the Year Ended 30 April 2022

#### Tangible fixed assets and depreciation

Fixed assets are initially recorded at cost.

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### Asset class

Freehold property
Fixtures, fittings and office equipment
Computer equipment

### Depreciation method and rate

50 years straight line 25% reducing balance 33% straight line

The cost of land included in the balance sheet but not depreciated is £19,200.

#### Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the Trustees's discretion in furtherance of the objectives of the Charity.

### Leasing commitments

Leases in which substantially all the risks and rewards of ownership are retained by the lessor are classified as operating leases. Rentals payable under operating leases are charged in the Statement of Financial Activities on a straight line basis over the lease term.

#### Pensions and other post retirement obligations

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

### **Financial instruments**

### Classification

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### 7 Trustees remuneration and expenses

During the year the Charity made the following transactions with Trustees:

No Trustees, nor any persons connected with them, have received any remuneration from the Charity during the year.

No Trustees received reimbursement of travel and subsistence expenses in the current year (2021: No Trustees received expenses).

No trustees have received any other benefits from the charity during the year.

### 8 Staff costs

The aggregate payroll costs were as follows:

	2022 £	2021 £
Staff costs during the year were:		
Wages and salaries	268,290	256,117
Social security costs	18,333	14,503
Pension costs	13,266	12,678
	299,889	283,298

The monthly average number of persons (including senior management team) employed by the Charity during the year was as follows:

	2022	2021
	No	No
Employees	12	13
