Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Report of the Directors
for the Year Ended 31 December 2015

The directors present their report with the financial statements of the company for the year ended 31 December 2015.

CHANGE OF NAME

The company passed a special resolution on 10 March 2016 changing its name from Regus (Nottingham Citygate) Limited to Nottingham Citygate Centre Limited.

DIVIDENDS

No dividends were paid or proposed for the year ended 31 December 2015 or the year ended 31 December 2014.

FUTURE DEVELOPMENTS

The directors consider that the future outlook presents significant challenges in terms of sales volume and pricing, as well as costs. The directors have concluded that these circumstances represent a material uncertainty which casts significant doubt upon the company's ability to continue as a going concern. Nevertheless, after making enquiries, the directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the annual report and financial statements.

EVENTS SINCE THE END OF THE YEAR

Information relating to events since the end of the year is given in the notes to the financial statements.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 January 2015 to the date of this report.

PDE Gibson
R Morris

POLITICAL CONTRIBUTIONS

The company made no political contributions in the year ended 31 December 2015 or the year ended 31 December 2014.

SMALL COMPANY EXEMPTION

In preparing the Directors' Report, the directors have taken the small companies exemption under section 414B of the Companies Act 2006 not to prepare a Strategic Report.

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Report of the Directors

for the Year Ended 31 December 2015

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice) including FRS 101 Reduced Disclosure Framework.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be re-appointed and KPMG will therefore continue in office.

Independent Auditors' Report to the Members of Nottingham Citygate Centre Limited

We have audited the financial statements of Nottingham Citygate Centre Limited (previously known as Regus Nottingham Citygate Limited) for the year ended 31 December 2015 which comprise the Profit and Loss Account and Other Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) including FRS 101 Reduced Disclosure Framework. Our audit was conducted in accordance with International Standards on Auditing (ISAs) (UK & Ireland).

Opinions and conclusions arising from our audit

1. Our opinion on the financial statements is unmodified

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

2. Emphasis of matter - Going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements concerning the company's ability to continue as a going concern. The company incurred a net loss of £172,000 during the year ended 31 December 2015 and, at that date, the company's current liabilities exceeded its total assets by £916,000 and it had net current liabilities of £916,000. These conditions, as explained in note 1 to the financial statements, indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the Company was unable to continue as a going concern.

3. Our conclusions on other matters on which we are required to report by the Companies Act 2006 are set out below

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Directors' report:

- we have not identified material misstatements in that report; and
- in our opinion, that report has been prepared in accordance with the Companies Act 2006.

4. We have nothing to report in respect of matters on which we are required to report by exception

Under ISAs (UK and Ireland) we are required to report to you if, based on the knowledge we acquired during our audit, we have identified other information in the annual report that contains a material inconsistency with either that knowledge or the financial statements, a material misstatement of fact, or that is otherwise misleading.

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small company exemption from the requirement to prepare a Strategic Report.

We have nothing to report in respect of the above responsibilities.

Independent Auditors' Report to the Members of Nottingham Citygate Centre Limited *(continued)*

Basis of our report, responsibilities and restrictions on use

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2006. Our responsibility is to audit and express an opinion on the financial statements in accordance with UK law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's Ethical Standards for Auditors.

An audit undertaken in accordance with ISAs (UK & Ireland) involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Whilst an audit conducted in accordance with ISAs (UK & Ireland) is designed to provide reasonable assurance of identifying material misstatements or omissions it is not guaranteed to do so. Rather the auditor plans the audit to determine the extent of testing needed to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements does not exceed materiality for the financial statements as a whole. This testing requires us to conduct significant audit work on a broad range of assets, liabilities, income and expense as well as devoting significant time of the most experienced members of the audit team, in particular the engagement partner responsible for the audit, to subjective areas of the accounting and reporting.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements
for the Year Ended 31 December 2015

1. ACCOUNTING POLICIES

Basis of preparation

Nottingham Citygate Centre Limited (the "Company") is a company incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101") as issued in September 2015.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes the amendment where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In the transition to FRS 101, the Company has applied IFRS 1 whilst ensuring that its assets and liabilities are measured in compliance with FRS 101. In transition to FRS 101 from old UK GAAP the Company has made no measurement or recognition adjustments.

The Company's ultimate parent undertaking, Regus plc includes the Company in its consolidated financial statements. The consolidated financial statements of Regus plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from the Company's website www.regus.com or from Regus plc head office, 26 Boulevard Royal, L-2449 Luxembourg.

FRS101 - Reduced Disclosure Exemptions

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- A Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital, and tangible fixed assets;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- Disclosures in respect of compensation of Key Management Personnel;
- Disclosure of transactions with a management entity that provides key management personnel services to the Company; and
- The effects of new but not yet effective IFRSs.

As the consolidated financial statements of Regus plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 101 in its next financial statements.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements and in preparing an opening FRS 101 IFRS balance sheet at 1 January 2014 for the purposes of the transition to FRS 101.

Management have assessed that there are no estimates or judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities recognised in the financial statements.

Measurement Convention

The financial statements are prepared on the historical cost basis.

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Notes to the Financial Statements - continued
for the Year Ended 31 December 2015

1. ACCOUNTING POLICIES - continued

Going concern

As described in the Report of the Directors on page 2, the current economic environment is challenging and the Company has reported an operating loss for the year. The directors consider that the outlook presents significant challenges in terms of sales volume and pricing, as well as costs. Additionally, as at 31 December 2015 the company's current liabilities exceed its total assets by £916,000. The Company is dependent for its working capital on funds provided to it by Regus plc, the Company's ultimate Parent. The Directors are not aware of any current intention of Regus plc and related entities to seek repayment for any intercompany balances currently made available to the Company. The directors consider that this should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any Company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The directors have concluded that these circumstances represent a material uncertainty which casts significant doubt upon the Company's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business. Nevertheless, after making enquiries, the directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the company has adequate resource to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the annual report and financial statements.

Turnover

Revenue from the provision of services to customers is measured at the fair value of consideration received or receivable (excluding sales taxes). Where rent free periods are granted to customers, rental income is spread on a straight-line basis over the length of the customer contract.

Workstations

Workstation revenue is recognised when the provision of the service is rendered. Amounts invoiced in advance are deferred and recognised as revenue upon provision of the service.

Customer service income

Service income (including the rental of meeting rooms) is recognised as services are rendered. In circumstances where Regus acts as an agent for the sale and purchase of goods to customers, only the commission fee earned is recognised as revenue.

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable future taxable profits will be available against which the temporary difference can be utilised.

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Notes to the Financial Statements - continued
for the Year Ended 31 December 2015

1. ACCOUNTING POLICIES - continued

Expenses

Operating lease payments

Payments (excluding costs for services and insurance) made under operating leases are recognised in the profit and loss account on a straight-line basis over the term of the lease. Lease incentives received are recognised in the profit and loss account as an integral part of the total lease expense.

Non-derivative financial instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other debtors, cash and cash equivalents, loans and borrowings, and trade and other creditors.

Trade and other debtors

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

Trade and other creditors

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

Interest-bearing borrowings

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Impairment excluding deferred tax assets

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

Non-financial assets

The carrying amounts of the Company's non-financial assets, other than deferred tax asset, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to the units, and then to reduce the carrying amounts of the other assets in the unit (group of units) on a pro rata basis.

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Notes to the Financial Statements - continued
for the Year Ended 31 December 2015

1. ACCOUNTING POLICIES - continued

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Provisions

Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

Provision is made for onerous contracts to the extent that the unavoidable costs of meeting the obligations under a contract exceed the economic benefits expected to be delivered, discounted using an appropriate weighted average cost of capital.

Dilapidations

The terms of most building leases require the company to make good dilapidation or other damage occurring during the rental period. Due to the nature of the business, centres are maintained to a high standard. Provisions for dilapidations are only made when the company considers that it is likely that the premises will be vacated by the company and it is known that a dilapidation has occurred.

Employee Benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees.

Short-term benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

2. TURNOVER

All results are derived from the provision of serviced offices and related services in the United Kingdom.

3. EMPLOYEES AND DIRECTORS

	2015	2014
	£'000	£'000
Wages and salaries	61	78
Social security costs	4	7
	<u>65</u>	<u>85</u>

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Notes to the Financial Statements - continued
for the Year Ended 31 December 2015

3. EMPLOYEES AND DIRECTORS - continued

The average monthly number of employees during the year was as follows:

	2015	2014
Operations	<u>3</u>	<u>4</u>

Regus Management (UK) Limited recharges the payroll costs to Nottingham Citygate Centre Limited at cost.

	2015	2014
	£	£
Directors' remuneration	<u>-</u>	<u>-</u>

Details of PDE Gibson's remuneration are disclosed in the accounts of Regus Business Services Limited. Details of R Morris's remuneration are disclosed in the accounts of Regus Management (UK) Limited.

4. INTEREST PAYABLE AND SIMILAR CHARGES

	2015	2014
	£'000	£'000
Interest payable to parent and fellow subsidiary undertakings	<u>28</u>	<u>23</u>

5. LOSS BEFORE TAXATION

The loss before taxation is stated after charging:

	2015	2014
	£'000	£'000
Operating leases - property	214	196
Operating leases - other assets	<u>67</u>	<u>68</u>

Amounts paid to the company's auditor in respect of services to the company have been paid for by Regus Management (UK) Limited. Details of auditor's remuneration are disclosed in the accounts of Regus Management (UK) Limited.

6. TAXATION

Analysis of tax expense

No liability to UK corporation tax arose on ordinary activities for the year ended 31 December 2015 nor for the year ended 31 December 2014.

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Notes to the Financial Statements - continued
for the Year Ended 31 December 2015

6. TAXATION - continued

Factors affecting the tax expense

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2015 £'000	2014 £'000
Loss on ordinary activities before income tax	<u>(172)</u>	<u>(102)</u>
Loss on ordinary activities multiplied by the standard rate of corporation tax in the UK of 20.250% (2014 - 21.500%)	(35)	(22)
Effects of:		
Expenses not deductible for tax purposes	1	1
Group relief surrendered for no payment	28	16
UK:UK transfer pricing	<u>6</u>	<u>5</u>
Tax expense	<u>-</u>	<u>-</u>

Factors that may affect future and total tax charges

Following the 2016 budget statement, the main rate of UK corporation tax was reduced to 20% from 1 April 2015. Thereafter, the main rate of corporation tax will continue to reduce to 19% from 1 April 2017 and to 17% from 1 April 2020. It is expected that this gradual fall in the main corporation tax rate will result in a reduction of the company's future current tax charge.

The company has tax losses carried forward as at 31 December 2015 of £344,000 (2014: £344,000) for which no deferred tax asset has been recognised, on the basis that there is uncertainty with regard to the timing of future taxable profits.

7. DEBTORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

	2015 £'000	2014 £'000
Trade debtors	112	110
Amounts owed by group undertakings	180	51
Prepayments and accrued income	<u>67</u>	<u>66</u>
	<u>359</u>	<u>227</u>

8. CREDITORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

	2015 £'000	2014 £'000
Trade creditors	28	13
Amounts owed to group undertakings	1,062	780
Accruals and deferred income	<u>185</u>	<u>178</u>
	<u>1,275</u>	<u>971</u>

Nottingham Citygate Centre Limited (Registered number: 06807255)
Previously known as Regus (Nottingham Citygate) Limited

Notes to the Financial Statements - continued
for the Year Ended 31 December 2015

9. LEASING AGREEMENTS

Minimum lease payments under non-cancellable operating leases fall due as follows:

	2015	2014
	£'000	£'000
Within one year	62	65
Between one and five years	25	74
	<u>87</u>	<u>139</u>

10. SHARE CAPITAL
