**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020**

The Directors present their report and the financial statements of Henderson Nominees Limited ("the Company") for the year ended 31 December 2020.

The Directors have prepared the report in accordance with the small companies regime and taken advantage of the small companies' exemption (Companies Act 2006 (section 414B)) in not preparing a Strategic Report. The Company would have otherwise qualified as a small company was it not a member of an ineligible group.

PRINCIPAL ACTIVITIES

The Company is dormant, receives no revenue and has not incurred any expenditure during the period. No material change is anticipated in the Company's activities; accordingly a Statement of Comprehensive Income has not been prepared.

BUSINESS REVIEW

The Company is a wholly owned subsidiary of Janus Henderson Group plc ("JHG plc" or "the Group"). The Group is run on an integrated basis through business units, not by the legal construct of its subsidiaries. Therefore the Company's strategy and business model is governed by that of the Group which is set out in detail in the Annual Report of the Group which can be obtained from its registered office as set out in note 8. The Group provides investment management services to clients throughout EMEA, North America, Latin America and Asia Pacific. The Group manages a broad range of actively managed investment products for institutional and retail investors, across multiple asset classes, including but not limited to equities, fixed income, multi asset and alternatives.

IMPACT OF COVID-19

In March 2020, the World Health Organization declared the novel coronavirus ("COVID-19") to be a pandemic. COVID-19 is having a significant impact on the global economy, including the UK economy, primarily through the preventative measures taken by businesses and governments to restrict its spread. We are addressing the challenges of COVID-19 by protecting the health and well-being of our employees while continuing to service our clients who rely on us to invest and manage their money.

COVID-19 is affecting business operations; however, the Group has a robust and detailed business continuity plan in place to ensure that operations can continue effectively during the COVID-19 pandemic, including processes to limit the spread of the virus between employees. Throughout the pandemic the Group's ability to adequately maintain operations, internal controls and client relationships has not been adversely affected by the required modifications.

The extent of the further impact of COVID-19 on the Company depends on future developments, including the duration of the pandemic and the volatility and market value of the global financial markets, all of which continue to be highly uncertain. The Company's management continues to assess the risks associated with COVID-19 and to mitigate them where possible.

The indemnity has been in force for the year to 31 December 2020 and up to the date of approval of the report and financial statements.

GOING CONCERN

As at 31 December 2020, the Company has net assets of £1 (2019: £1).
