Al Enam Limited

Chartered Accountant's Report to the Director on the Preparation of the Unaudited Statutory Abridged Financial Statements of Al Enam Limited

Year ended 31 March 2018

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the abridged financial statements of Al Enam Limited for the year ended 31 March 2018, which comprise the abridged statement of financial position and the related notes from the company's accounting records and from information and explanations you have given us. As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at www.icaew.com/en/membership/regulations-standards-and-guidance. This report is made solely to the director of Al Enam Limited in accordance with the terms of our engagement letter dated 1 December 2018. Our work has been undertaken solely to prepare for your approval the abridged financial statements of Al Enam Limited and state those matters that we have agreed to state to you in this report in accordance with ICAEW Technical Release 07/16 AAF as detailed at www.icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Al Enam Limited and its director for our work or for this report.

It is your duty to ensure that Al Enam Limited has kept adequate accounting records and to prepare statutory abridged financial statements that give a true and fair view of the assets, liabilities, financial position and profit of Al Enam Limited. You consider that Al Enam Limited is exempt from the statutory audit requirement for the year. We have not been instructed to carry out an audit or a review of the abridged financial statements of Al Enam Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory abridged financial statements.

These abridged financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In accordance with section 444 of the Companies Act 2006, the abridged statement of comprehensive income has not been delivered.

For the year ending 31 March 2018 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Director's responsibilities:

- The members have not required the company to obtain an audit of its abridged financial statements for the year in question in accordance with section 476 ;
- The director acknowledges his responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of abridged financial statements .

All of the members have consented to the preparation of the abridged statement of comprehensive income and the abridged statement of financial position for the year ending 31 March 2018 in accordance with Section 444(2A) of the Companies Act 2006.

Al Enam Limited

Abridged Statement of Financial Position *(continued)*

31 March 2018

These abridged financial statements were approved by the board of directors and authorised for issue on 18 December 2018 , and are signed on behalf of the board by:

Mr Raad Habasha

Director

Company registration number: 06836573

Al Enam Limited

Notes to the Abridged Financial Statements

Year ended 31 March 2018

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Unit F32, Acton Business Centre, School Road, London, NW10 6TD.

2. Statement of compliance

These abridged financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The abridged financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The abridged financial statements are prepared in sterling, which is the functional currency of the entity.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax. Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & fitting	-	25% reducing balance
Motor vehicles	-	25% reducing balance
Equipment	-	25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets. For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities. Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability. Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund. When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as a finance cost in profit or loss in the period in which it arises.

4. Employee numbers

The average number of persons employed by the company during the year amounted to 13 (2017: 8).

5. Tangible assets

	£
Cost	
At 1 April 2017	90,078
Additions	30,500

At 31 March 2018	120,578

Depreciation	
At 1 April 2017	51,625
Charge for the year	17,238

At 31 March 2018	68,863

Carrying amount	
At 31 March 2018	51,715

At 31 March 2017	38,453

6. Financial instruments at fair value

Enter your own text here for additional disclosures relating to financial instruments. For example, terms and conditions of long-term debt, the extent and nature of derivative instruments, including significant terms and conditions that may affect the amount, timing and certainty of future cash flows, and also the amount of any impairment loss for each class of financial asset.

7. Director's advances, credits and guarantees

At the year end the company owed Mr Raad Habasha £8,457 (2017: £13,767).

8. Related party transactions

During the year the company paid £20,000 (2017: £20,000) in dividends to the director Mr Raad Habasha and the rest of shareholders.
